The last 25 years have seen tremendous advances in the study of psychological processes in reading. Our growing body of knowledge on the reading process and reading acquisition has applications to such important problems as the prevention of reading difficulties and the identification of effective instructional practices. This volume summarizes the gains that have been made in key areas of reading research and provides insights on current controversies and debates. The volume is divided into seven parts, with each part beginning with an introductory chapter presenting findings on the topic at hand, followed by one or

public discourse into greater focus—from Leonardo da Vinci's "Last Supper" painting to the Wachowski brothers' The Matrix movies. People have historically turned to religion to deal with tragedy and change, and with the right insight, the Bible can be an accessible, helpful guide to life's big questions. The Bible For Dummies appeals to people of all faiths, as well as those who don't practice any particular religion, by providing interfaith coverage of the entire Bible and the often fascinating background information that makes the Bible come alive. You'll find answers to such questions as: Where did the Bible come from? Who wrote the Bible? How is the Bible put together? Follow the history of the Bible from its beginning thousands of years ago as tattered scrolls to its status as the bestseller of all time. The Bible For Dummies covers these topics and more: Ten people in the Bible you should know The Hebrew Bible The Apocrypha's hidden treasures What's new about the New Testament Israel's wisdom, literature, and love poetry The Bible's enduring influence The prophets: more than fortunetellers Whether you're interested in broadening your spiritual horizons, uncovering the symbolism of Western culture, or gaining a deeper understanding of the book you grew up reading, The Bible For Dummies has all the information you need to navigate this ancient and fascinating book.

Throughout the ages, people have turned to the Bible for guidance and hope.

THE PHENOMENAL INTERNATIONAL BESTSELLER: 1 MILLION COPIES SOLD Transform your life with tiny changes in behaviour, starting now. People think that when you want to change your life, you need to think big. But world-renowned habits expert James Clear has discovered another way. He knows that real change comes from the compound effect of hundreds of small decisions: doing two push-ups a day, waking up five minutes early, or holding a single short phone call. He calls them atomic habits. In this ground-breaking book, Clear reveals exactly how these minuscule changes can grow into such life-altering outcomes. He uncovers a handful of simple life hacks (the forgotten art of Habit Stacking, the unexpected power of the Two Minute Rule, or the trick to entering the Goldilocks Zone), and delves into cutting-edge psychology and neuroscience to explain why they matter. Along the way, he tells inspiring stories of Olympic gold medalists, leading CEOs, and distinguished scientists who have used the science of tiny habits to stay productive, motivated, and happy. These small changes will have a revolutionary effect on your career, your relationships, and your life. _____

just read? Or maybe you have tried to read through the Bible in a year, but quit when it felt confusing or impersonal. The Bible Recap is here to help. Tara-Leigh Cobble, host of the popular Bible Recap podcast, walks readers through a one-year chronological Bible reading plan and explains each day's passage in an easy-to-understand way. Emphasizing how God's character can be seen throughout Scripture, the recaps are simple and short yet deep enough to help you understand the hard parts and press into knowing God better. As Cobble says, The primary role of Scripture is to show me who God is, and if I behold God, my life will naturally conform around what I learn about him. The Bible Recap will not only help you understand the entire narrative of the Bible, it will fortify your faith. 17 Times Amazon Best Seller is giving YOU his Complete System! we are? Do our lives have a purpose, or are we just accidental? What are we meant to contribute? What are we meant to become, to create, and to share? In *The Book of Understanding*, Osho, one of the most provocative thinkers of our time, challenges us to understand our world and ourselves in a new and radical way. The first step toward understanding, he says, is to question and doubt all that we have been taught to believe. All our lives we 've been handed so-called truths by countless others—beliefs we learned to accept without reason. It is only in questioning our beliefs, assumptions, and prejudices that we can begin to uncover our own unique voice and heal the divisions within us and without. Once we discover our authentic self, we can embrace all aspects of the human experience—from the earthy, pleasure-loving qualities that characterize Zorba the Greek to the watchful, silent qualities of Gautam the Buddha. We can become whole and live with integrity, able to respond with creativity and compassion to the religious, political, and cultural divides that currently plague our society. In this groundbreaking work, Osho identifies, loosens, and ultimately helps to untie the knots of fear and misunderstanding that restrict us—leaving us free to discover and create our own individual path to freedom.
