This critical account of the American Girl brand explores what its books and dolls communicate to girls about femininity, racial identity, ethnicity, and what it means to be an American. Emilie Zaslow begins by tracing the development of American Girl and situates the company's growth and popularity in a social history of girl power media culture. She then weaves analyses of the collection's narrative and material representations with qualitative research on mothers and girls. Examining the dolls with both a critical eye and a fan's curiosity, Zaslow raises questions about the values espoused by this iconic American brand.

This scholarly study of the centuries-long history of fornicatory dolls examines the enduring obsession with creating an idealized, silent female sexual object and the manifestations of this desire through the ages in mythology, literature, art, philosophy and science. This particular sexual impulse has been expressed in a great variety of forms such as statues, mannequins, sex dolls, and gynoids (robots). In particular this study focuses on the evolution of the sex doll through its original incarnation as a sack cloth effigy, through the marketing of inflatable dolls, to the current elaborate cyber-technology figures, in an attempt to discover the hidden drives and desires which fuel this ongoing fantasy of creating a

perfect, powerless, silent partner.

New York Times bestselling author of On the Island, Tracey Garvis Graves, presents the compelling, hopelessly romantic novel of unconditional love. Annika Rose is an English major at the University of Illinois. Anxious in social situations where she finds most people's behavior confusing, she'd rather be surrounded by the order and discipline of books or the quiet solitude of playing chess. Jonathan Hoffman joined the chess club and lost his first game—and his heart—to the shy and awkward, yet brilliant and beautiful Annika. He admires her ability to be true to herself, quirks and all, and accepts the challenges involved in pursuing a relationship with her. Jonathan and Annika bring out the best in each other, finding the confidence and courage within themselves to plan a future together. What follows is a tumultuous yet tender love affair that withstands everything except the unforeseen tragedy that forces them apart, shattering their connection and leaving them to navigate their lives alone. Now, a decade later, fate reunites Annika and Jonathan in Chicago. She's living the life she wanted as a librarian. He's a Wall Street whiz, recovering from a divorce and seeking a fresh start. The attraction and strong feelings they once shared are instantly rekindled, but until they confront the fears and anxieties that drove them apart, their second chance will end before it truly begins.

The New York Times bestselling author of What She Knew returns with an electrifying new novel about how the past will always find us... "Literary suspense at its finest."—Mary Kubica, New York Times bestselling author of Pretty Baby "A wonderfully addictive book with virtuoso plotting and characters - for anyone who loved Girl on the Train, it's a must read." — Rosamund Lupton Zoe Maisey is a seventeen-year-old musical prodigy with a genius IQ. Three years ago, she was involved in a tragic incident that left three classmates dead. She served her time, and now her mother, Maria, is resolved to keep that devastating fact tucked far away from their new beginning, hiding the past even from her new husband and demanding Zoe do the same. Tonight Zoe is giving a recital that Maria has been planning for months. It needs to be the performance of her life. But instead, by the end of the evening, Maria is dead. In the aftermath, everyone—police, family, Zoe's former solicitor, and Zoe herself—tries to piece together what happened. But as Zoe knows all too well, the truth is rarely straightforward, and the closer we are to someone, the less we may see. Will a forty-year-old woman with everything on the line – her high-stakes career, ticking biological clock, bank account – risk it all for a secret romance with the one person who could destroy her comeback, for good? Jenna Jones, former It-girl fashion editor, is forty, broke and desperate for a second chance. When she's dumped by her longtime fiancé and fired from Darling magazine, she begs for a job from her arch nemesis, Darcy Vale. Darcy, the beyond-bitchy publisher of StyleZine.com, agrees to hire her rival – only because her fashion site needs a jolt from Jenna's old school cred. But Jenna soon realizes she's in over her head. Jenna's working with digital-savvy millennials half her age, has never even "Twittered," and pretends to still be a Fashion Somebody while living a style lie (she sold her designer wardrobe to afford her sketched-out studio, and now quietly wears Walmart's finest). What's worse is that the twenty-two-year-old videographer assigned to shoot her web series is driving her crazy. Wildly sexy with a smile Jenna feels in her thighs, Eric Combs is way off-limits – but almost too delicious to resist.

Father knows best? Not always. Some men need a little guidance in becoming good fathers. That's why best friends Alison Winslow and Molly Saunders have created the Daddy School. The first three books in the Daddy School series tell the story of the school's founding and the romantic adventures of Alison, Molly, and Molly's sister Gail, who learn as much as they teach about children, parenthood, and love. In Father Found, humor columnist and confirmed bachelor Jamie McCoy discovers an infant girl in a baby carrier on his back porch,

along with a note informing him he's the father. Desperate for advice, he calls the local hospital, where neonatal nurse Alison takes him under his wing. He also contacts the police department, where detective John Russo helps him to track down the baby's mother. John Russo, the hero of *Father Christmas*, is the single father of an anxious toddler whose nanny is suddenly called away. John enrolls his son in preschool director Molly's school, and she realizes that the father needs as much love and support as his child does. *Father of Two* introduces attorney Dennis Murphy, the divorced father of smart, obstreperous eight-year-old twins whose babysitter is involved in questionable legal activity that John Russo is investigating. Attorney Gail Saunders, Molly's sister, represents the instigator of the crime. Unlike her sister, she doesn't like children. But Dennis's twins—and Dennis—see her as not just a legal adversary but the woman they need to make their family complete.

An Ordinary Guy, Operation Saponify

Inspired by the true story of a young unmarried woman who faced one of the most horrible life events a woman could ever experience--rape by gunpoint. With the support of her church she was able to deal with the experience by focusing on others in her life. The support of friends and family was critical, and is an example of the fact that, as the title of the popular hymn proclaims, "They'll Know We Are Christians By Our Love." Love, in this case, refers to agape love. The remarkable twists and turns in the story helps readers to better understand the psychology of both the good and evil side of humanity. It also illustrates the imperative to forgive even the worst of sins. The story leads into a father's worst fear, the loss of his entire family. It presents many of the same issues covered in the young unmarried woman's story, only from the male perspective. One focus in both accounts is the fact that all of us experience gross injustice in our lives. Successfully dealing with the trauma it causes, even though difficult, includes working to accept the injustice, learning from it, and focusing on moving forward in one's life. The journey through the stories of two primary characters exposes the reader to the successes and failures of our fallible criminal justice system. It also introduces us in some detail to the minds of those persons who commit very evil acts. A second focus is to understand what motivates them to commit crimes, and how the factors that drive some persons to commit evil can be ameliorated. Both lead characters also deal front and center with the problem of racism by helping the reader to step into the lives of non-whites, several of whom are central figures in the lives of both stories' two leading characters.

A compulsively readable story that celebrates the awkward complexity of teenage relationships--with their families, and with each other, from the *New York Times* bestselling author of *The Descendants*. Annie Tripp has everything she needs--Italian sweaters, vintage chandelier earrings, and elite ice skating lessons--but all that changes when her father is accused of scamming hundreds of people out of their investments. Annie knows her dad wasn't at fault, but she and her brother are exiled to their estranged aunt and uncle's house in a run-down part of Breckenridge--until the trial blows over. Life with her new family isn't quite up to Annie's usual standard of living, but surprisingly, pretending to be someone else offers a freedom she's never known. As Annie starts to make real friends for the first time, she realizes she has more in common with her aunt and uncle than she ever wanted to know. As the family's lies begin to crumble and truths demand consequences, Annie must decide which secrets need to see the light of day . . . and which are worth keeping.

Winner of the *Romantic Times* Reviewers Choice Award! Book One of Judith Arnold's popular *Daddy School* series. Jamie McCoy is the ultimate guy: thirty years old, carefree and professionally successful as the writer of a nationally syndicated humor column called "Guy Stuff." Nine and a half months ago, he spent a week basking on the beach in Eluthera and indulging in a fling with a woman at the resort. Never did he expect to find the unplanned result of that fling—a healthy, wailing baby named Samantha—strapped into a car seat on his back porch, along with a suitcase full of diapers and infant apparel and a note informing Jamie that he's her father. Maybe he is and maybe he isn't. But first things first. He's never fed a baby or changed a diaper in his life. He doesn't own a crib or a stroller. In a panic, he phones the nearest hospital, where neonatal nurse Allison Winslow takes his call and tells him about a class she teaches called the *Daddy School*. Classes on how to be a dad are exactly what Jamie needs. But when he attends his first class and sees the tall, earnest, amazingly beautiful and even more amazingly competent Allison, he realizes that he might just need more from her than her lectures on how to hold a baby. Jamie's efforts to be a father to this precious baby touch Allison. His sense of humor amuses her. His striking good looks turn her on. But how can she trust the sort of guy who'd sleep with a stranger on vacation, without giving a thought to the consequences? How can she give her heart to such a reckless man?

Jamie Angelo is part artist and part alchemist. His plastic surgery techniques are light-years beyond modern medicine. He can transform a haggard face into a masterpiece of ageless beauty. He is not God. But he is close. To ambitious models like Jaishree Manglani, Jamie is the ultimate fantasy—a master illusionist who can turn her dream of eternal youth into reality. Until the truth about Jami's "art" and "science" is revealed, and a nightmare ensues. Because if there's no such thing as perfect beauty, Manhattan's king of beauty might just be the gatekeeper of something other than human.

This witty, warm-hearted retelling of Cyrano de Bergerac is a love letter to female friendship. Perfect for Stephanie Perkins fans, and anyone who's ever thought of trying on a new identity to impress a guy. Aphra Brown is bold and outgoing. Her best friend, Bethany, is achingly beautiful. Individually, they could both do a little better in the self-esteem department, but together? Together, they have what it takes to win over Greg D'Agostino, a proverbial "ten," who happens to be fluent in six languages--seven if you count the language of smoldering gazes . . . What begins as an honest mistake turns into an elaborate deception, wherein Bethany goes on dates with Greg while Aphra coaches her on what to say, and texts him in the guise of Bethany, trying and failing, all the while, to tamp down her own hopeless crush. It's only a matter of time before things come crashing down. The question is: What will happen when Greg finds out? And can Aphra and Bethany's friendship survive the fallout? From the author of We Regret to Inform You comes a witty, warm-hearted exploration of love in all its forms, and a *cris-de-coeur* for self-acceptance when the pressure to be perfect is overwhelming. "There is much to appreciate about this book: its cleverness, its humor, that it embraces and normalizes therapy, that it places familial love and friendship on a level with romantic love. But, perhaps best of all, it offers teens, especially those struggling to accept and love themselves, a picture of a girl who makes mistakes and fights to begin again." --Booklist, starred review "At once painful and heartfelt . . . a smart and honest look at female beauty, with plenty of panache to boot." --Kirkus, starred review

The Myth of the Perfect Girl

George Sand is one the most celebrated writers and controversial personalities of nineteenth-century France; she is as famous for her bohemian lifestyle as for her written work. *The Last Love of George Sand* portrays the writer, political activist, and cultural figure as she starts a new chapter in her ever-surprising life: the mature years with her last lover, the young and talented engraver Alexandre Manceau. A turning point came for George Sand in 1849. After her political involvement in the revolution of 1848, Sand retreated to her country property, Nohant, with her son Maurice and started writing new plays. One day, Maurice introduced her to Alexandre Manceau, a young and shy artist thirteen years her junior. At forty-five, she was at the pinnacle of her career. She had a long history of tumultuous love affairs with famous artists such as Musset, Chopin, and Mérimée, but she had never experienced a peaceful and balanced relationship. With Manceau, Sand discovered that she could be loved, and fall in love herself, without drama. Their relationship would last fifteen years, and prove to be the most prolific period of Sand's life, with fifty books published including the novels *Elle et lui*,

inspired by her relationship with Musset, and *Le dernier amour*, written just ten days after Manceau died of tuberculosis. Although much has been written about George Sand, most of the previous biographies are focused on her more turbulent times. In *The Last Love of George Sand*, Evelyne Bloch-Dano looks back on Sand's life from the vantage point of her years with Manceau.

"Mile zero" marks the location of Key West -- the island that defines the end of the American road, the cultural junction where Anglo-Saxon, Latin, and Afro worlds collide. On this island, with its cruel legacy of slave trade and Latin revolution, and its turbulent present of marijuana millionaires, threadbare illegal immigrants, and hard-luck treasure hunters, lives St. Cloud, an American expatriated in his own country, a fugitive from the unresolved anguish of his generation. Chronicling St. Cloud's dangerous reawakening, *Mile Zero* illuminates the inward and outward tumult of our time in a huge, startling, and profoundly felt novel.

It's there in the dark, waiting for me to move... Jonah Ellis is a reclusive college student with mysterious nightmares that plague not only his unconscious mind, but his life--dark images of an evil that pursues Jonah and forces him to confront a past he would rather ignore. When he meets Dr. Ari Nowery, a college lit professor who recognizes his battle within--and Glorie, a girl who is also hiding from the beast and has more in common with Jonah than she knows--will he figure out the common thread between them? Will he actually have to encounter the creature in his dreams? Join Paul Records as he craftily uses the study of two popular pieces of American literature, weaving them together with the lives of these characters in a way that readers won't soon forget. Jonah's is a journey that God means for all to take--a journey that reveals the Creature in all of us. China is the world's fastest-growing economic powerhouse. Everybody knows this. But behind the headlines a once-in-a-generation sexual and cultural revolution is taking place - all in the bars, cafes and streets of China's growing mega-cities. Welcome to this new China. Writer and journalist Jemimah Steinfeld meets the young people behind the world's fastest-moving nation to unveil their attitudes towards love, life and sexuality. Young Chinese have new words to describe the world they live in: 'little emperors' - single men who have grown up under the one child policy - they're bossy and selfish; 'bare branches' - those without children; 'leftovers' - women over twenty-six who aren't married; 'comrade' - how the gay community identifies itself; 'love markets' - weekend gatherings across China where parents attempt to find husbands and wives for their children, and others show up to match-make young singles and even offer boyfriends for hire. Jemimah Steinfeld introduces the people at the heart of this world, from the woman starting China's first online dating agency to the mistresses of the rich and powerful; from the company trying to sell sex toys to China's middle-classes to the sino-punks of Beijing's bar scene. *Little Emperors and Material Girls* is the book which will change the way you see China.

Adults are increasingly concerned about the rising rate of depression in teenage girls and the frequency of alarming behaviors including wild conduct, explosive outbursts, back talking, sexual escapades, drug experimentation, and even cutting, eating disorders, and suicide attempts. *The Disappearing Girl*, the first book on depression in teenage girls, helps parents understand:

- Why silence reflects a girl's desperate wish for inclusion, not isolation
- Subtle differences between teen angst and problem behavior
- Vulnerabilities in dating, friendships, school, and families
- How, if untreated, girls will carry feelings of helplessness, anger, and depression into adulthood

Dr. Machoian also offers conversation topics to help girls navigate mixed messages, develop their identity, make healthy decisions, and build resilience that will empower them throughout life, as well as helping parents manage their own frustration.

The United Kingdom, Spain, Chile. A story based on real events. Few people are thought smart enough to be selected and trained as a spy for Her Majesty's Government, fewer qualify. The Author is one such man, who uniquely, was chosen at the age of 16, still the only person to pass selection without an education through the university system and one so young. The operation was born from a personal project over many years to find escaped WWII Nazis, using highly classified documents, only available to those inside the service and information supplied by the CIA. Would he find the top Nazi? If he did, history would have to be rewritten. One Nazi Andy did find was murdered by a little known group in France "The Avengers" after Andy deliberately passed them information. Based on extensive research and in-depth interviews with women from various socio-economic backgrounds, Perfect Girls, Starving Daughters lays bare a stark new world culture of eating disorders, food and body issues that affect virtually all of today's women. Though eating disorders first came to be recognised about 25 years ago, Martin's book shows how the issues surrounding body image have only become more complex, more dangerous and more difficult to treat. The current 'epidemic' of obesity is simply the flip side of the same coin. Drawing from interviews with sufferers, psychologists, nutritionists, and other experts, Courtney Martin's book reveals a whole new generation of 'perfect girls' who have been conditioned from a young age to over-achieve, self-sacrifice, and hate their own bodies - this, despite being raised by a generation of mothers well-versed in the lessons of feminism. Filled with vivid and often heartbreaking personal stories, Perfect Girls, Starving Daughters is both a shocking expos and call to arms, offering hope for a new beginning, one young girl at a time.

Teaching middle school is much like a carnival ride. Each morning you get in the roller coaster car, strap yourself in, and hold on for dear life hoping you won't throw up or pass out. At the end of the day a bell rings and the ride comes to a screeching halt. You gingerly step out of the car, go home and try to be a normal person. But you know deep within yourself that the next morning you will get back in that roller coaster car, strap yourself in again, and hold on for dear life. I love it. It is both scary and exhilarating. In my many years of teaching I have never had two days the same.
