When high school students prepare an ACT exam, so many tasks are on their list. Review and enhance ACT vocabulary is usually the hardest one. The vocabulary flash cards will help you master ACT words efficiently. As we know, ACT consists of multiple sections; three of them are actually to test English skills. Words are the essential elements of any language. If you want to succeed in ACT, you have to build

a strong ACT vocabulary seriously. You may see an ACT vocabulary list somewhere, but official ACT vocabulary doesn't exist. ACT words list is only a concept to refer a vocabulary related to ACT exam, it encloses words that probably occur or once occurred on ACT papers; its contents vary on different scenarios: the test takers' level and pursuit. This ACT words list matches the average 12th-grade students and concentrates on the requirement of its reading section.
