

Adam Copeland On Edge

His way with words has served Adam Copeland well. It was his writing that opened the doors to his future career as a WWE Superstar, when he won a newspaper essay competition for which his prize included free wrestling training. In 2002, while sidelined with a serious neck injury, he began to write a weekly column for [wwe.com](#), giving fans an insight into the life of one of their favorite performers. It was the fan response to this column that led WWE Books to ask him to write his autobiography. ADAM COPELAND ON EDGE takes the reader inside the world of professional wrestling, a world you can only truly know "and write about if you have experienced it in the ring. But more than that, this book also takes you inside the mind of one of wrestling's brightest stars as with disarming candour he shares his feelings and his reflections, his inspirations, his highs and lows, his goals and ambitions, in thoughtful, articulate detail. You think you know EDGE? Read on and find out...

The life story of Sting (Steve Borden), a world wrestling superstar on his quest for superstardom, a world gone terribly wrong, and a changing answer when he thought all hope was lost--P. [126]. People around the world know Dave Batista as World Wrestling Entertainment's "the Animal," the rope-shaking, spine-busting World Heavyweight Champion, one of the most popular Superstars in recent years. The crowd turned Batista from heel to babyface after they were electrified by his awesome physique and physical wrestling style. Few fans, however, know that Batista didn't join the profession until he was thirty years old -- an age at which many wrestlers are thinking about hanging up their boots. Nor do most fans know the tremendous toll the climb to the top has taken on Batista's personal life. While successfully staying away from hard drugs and -- usually -- liquor, he found sex too tempting to resist. "Women were my drug of choice," the Animal confesses. That

addiction cost him his marriage, destroying a relationship that helped him climb from poverty to the pinnacle of sports entertainment in less than two years. Now, in *Batista Unleashed*, the WWE Superstar comes clean about the choices he made and the devastating effects they had on his family. He talks about the injury that stripped him of his title -- an injury he blames on Mark Henry's carelessness. While being sidelined cost Batista untold hundreds of thousands of dollars in lost income, it also set the stage for a tremendous comeback that cemented the Animal's reputation as a true champion. Batista talks about growing up in the worst part of Washington, D.C., where three murders occurred in his front yard before he was nine. He speaks lovingly about his mother -- a lesbian -- and how hard she worked to keep the family not just together but alive. He talks candidly about his own criminal past, a conviction on a drug charge and another, since overturned, on assault. He speaks of his days as a bouncer and a lifeguard, and tells how bodybuilding may have saved his life. Once he made it to the WWE, Batista realized he wasn't really ready for the big time. His career seemed headed for a fall until Fit Finlay took him under his wing. But his real education came when he joined Evolution and rode with Triple H and Ric Flair, two of sports entertainment's all-time greats. Batista talks about what they taught him, and details some of their wild times on the road. But the champ also reveals a kinder, gentler side. While his soft-spoken manner in the locker room has sometimes been misinterpreted as arrogance, in truth Batista's always been somewhat shy and quiet. Emotional by nature, he reveals for the first time that the tears fans saw at *WrestleMania 21*, when he won the World Heavyweight Championship for the first time, were very real. And he speaks movingly about his problems with his ex-wives and teenage daughters, and how it felt to become a grandfather. While his straight-shooting mouth has occasionally gotten him into trouble, most notably in a backstage confrontation with Undertaker after some remarks about *SmackDown!* -- Batista is his own harshest

critic. He explains his early limitations as a wrestler and the work he has done to overcome them. Interspersing his memoir with accounts from life on the road, Batista lightens the narrative with a surprising sense of humor. An Animal in the ring, he reveals himself as an honest and even humble man in everyday life.

Presents a history of the championship matches hosted by World Wrestling Entertainment, tracing their expansion and popularity throughout the world, and citing the contributions of such performers as Hulk Hogan, Andre the Giant, and the Iron Sheik.

Looking at the Lights

316 Facts & Stories about Stone Cold Steve Austin

The Very Worst of Professional Wrestling

Adam Copeland on Edge

Undisputed

Austin 3:16

If They Only Knew

He's called the human highlight reel of professional wrestling. His high-flying acrobatics have thrilled fans on every continent. He's been crowned champion of the world's greatest wrestling promotions, from Mexico to the U.S. But he's never revealed the inside story of who he is. Until now. Wrestling fans know him as Rey Mysterio, an American luchador of unparalleled talent, the ultimate proof that good things come in small packages. Now for the first time, Rey adds the personal side to the story: • How he had to fight to get a tryout in the ring • Who he was before Rey Misterio Jr. -- and even before Colibri, usually

noted as his first identity • What it was like to wrestle in Mexico -- from the bullrings to the riots • How he fought plans for his unmasking in WCW -- and why he wishes he hadn't succeeded • The inside story of the 619, the West Coast Pop, and his other signature moves • The impact of Eddie Guerrero on his career in WWE • The personal struggle that cost him ring time in 2008 but ultimately made him a stronger man • His real passion in life as husband and father In Rey Mysterio: Behind the Mask, Rey talks candidly about his twenty-plus-year career, from the days of sneaking into bars as a fourteen-year-old to his most recent showdowns in WWE. He speaks of the emotional moments in the ring with his uncle Rey Misterio, and the dark days when he went under the knife to repair his damaged knee. Along the way, Mysterio introduces American audiences to the mysteries of lucha libre, the high-flying, anything-goes Mexican wrestling style that he has done so much to popularize in the U.S. He also talks about the debts he owes to wrestlers such as Konnan, known as the Mexican Hulk Hogan, and dishes some behind-the-scenes dirt on the collapse of WCW at the height of the Monday Night Wars. Mysterio talks tenderly -- but

realistically -- of his friend Eddie Guerrero, providing a well-rounded picture of one of the most beloved wrestling figures of recent history. He also details his march toward the Heavyweight Championship, and his mastery of the WWE Triple Crown -- a feat that placed him in an elite group for all time. Behind the Mask is the intimate portrait of one of wrestling's all-time greats, a story wrestling fans of all ages won't want to miss.

WWE: Roman Empire takes you behind the curtain for a closer look at one of Sports Entertainment's biggest Superstars, Roman Reigns, as he tries to hold onto the WWE Championship while his former allies Seth Rollins and Dean Ambrose gun for his crown. Roman Reigns: the Big Dog. The juggernaut descendent of wrestling royalty has made it to the top of the mountain in WWE - just as everyone predicted he would. But it's lonely at the top, and with the top two contenders for the WWE Championship being his former Shield brothers Dean Ambrose and Seth Rollins, keeping the title will be a lot harder than winning it. Writer Dennis Hopeless (Jean Grey, Spider-Woman) and artist Serg Acuña take readers on a ride full of broken alliances and big action.

One of the most inspiring stories in wrestling

history, Cheating Death, Stealing Life sees Eddie Guerrero recount his saga in remarkably candid fashion, chronicling a life of heartbreaks and painful personal struggles in frank, graphic detail. Guerrero was born into Mexico's first family of sports entertainment, and his life story spans three generations of the wrestling business. His father, Gory Guerrero, was among the greatest legends of lucha libre—Mexican wrestling. Before Eddie was twenty, he was competing in the border town of Juarez, going on to work throughout Mexico. The family name made him an instant sensation but also cast a large shadow from which he would spend years trying to emerge. Paired with the late Art Barr, Guerrero cofounded what became the most hated—and popular—tag team in lucha libre, the infamous Los Gringos Locos. Cheating Death, Stealing Life offers a no-holds-barred glimpse behind the curtain into the secret world of wrestling, from the harsh realities of a lifetime spent in hotels and rental cars, to the politics that permeate the dressing room. Of course, tight-knit friendships are also forged. Guerrero tells of his personal bonds with such Superstars as Chris Benoit and Dean Malenko. It's also the story of Guerrero's private struggle, of a son

caught in the shadow of a larger-than-life father and three older brothers, of a marriage that reached the brink of disintegration before being reborn as a more powerful and fulfilling relationship.

Throughout, Eddie Guerrero pulls no punches describing his battles with self-doubt and inner darkness. In the end, Cheating Death, Stealing Life is a story of great courage and personal redemption, of Guerrero's bravery in facing his disease and fighting to become a better man in every light.

Part feminist, part superhero, Chyna has blazed a trail where no woman had gone before. She has gained the respect of the men inside the World Wrestling Federation, and the world at large. She was the first woman to wear the Intercontinental Championship belt, yet these were not her most significant battles. She has battled her entire life: against a controlling mother; against a scheming father; and against a world with a predetermined view of what beauty and success should be. She has battled and won her entire life. If they only knew offers a rare glimpse behind the scenes of the World Wrestling Federation, and a rarer glimpse of what it takes just to get there -- the hurdles that must be overcome...

and the broken hearts and broken body parts that are suffered along the way. Chyna -- a.k.a. Joanie Laurer -- lets us in what it's like to live your dream and overcome your nightmares. Complete with insights from other WWF Superstars, this is a must read for any fan of the WWF and for anyone who wants to see how a real-life hero overcame adversity.

And the Real World is Faker Than Wrestling

Rey Mysterio

The creator of World Championship Wrestling tells the story of the rise and fall of his organization in its head-to-head, no-holds-barred ratings war with WWE ("Nitro" vs. "Raw"), and how he helped shape the sports entertainment industry into the billiond Professional wrestler Triple H (Hunter Hearst Helmsley) shares the secrets of his fitness routines and explains how he conditions his body to get and stay in shape.

From the creator/director of the Love Comes Softly film series-- A story both bittersweet and heartwarming of a mother and her son...and of his unusual gift. The decade of the 'thirties was a time of enormous

uncertainty--for the world, for America, and in particular for one lonely, struggling mother and her disabled son. Their story is one of unyielding love and incredible sacrifices in the face of circumstances beyond belief. But then *The Gift* appears...where has it come from, and why? How can a young boy who cannot communicate provide comfort and direction to seekers who learn of the special ability? Whatever the source, its presence brings a single shaft of light and hope to Mary and her beloved son, Jack....Will it be enough? A novel filled with passion, with yearning...and with hope. *Adam Copeland on Edge* is more than an autobiography. It's what the author himself describes as "a mental picture" that he has long wanted to paint for the reader. It's also a dream—"one of many"—that he decided to realize while at home convalescing from potential career-ending neck surgery. And it's a journey that explores not only his life but also his innermost thoughts. Despite growing up with "a lot less materially than other people" in the small town of Orangeville, Ontario, Copeland recalls his formative years fondly. He remembers a loving mother who, while working multiple jobs just to pay the rent, nurtured her son's passion for Spider-Man comics and KISS albums. He also recalls the family tragedy that created a void in his life at nine years of age, and how that void was soon filled by the yellow-and-red-clad form of wrestling legend Hulk

Hogan, whose intensity and personality "made me feel like I could accomplish anything." With vivid detail and sincerity, Copeland offers his thoughts about not only fulfilling his goals but also building upon them. While revisiting his greatest matches, he shares his actual surprise over winning the Intercontinental title for the first time; the anxiety he felt while splitting up with Christian and establishing a solo career; his eventual determination "to grab the damn ball out of someone's hands and take off" on SmackDown!; the distress of almost losing his long blond hair to Kurt Angle; his wonder over enjoying a brief Tag Team title reign with the icon who first inspired him; the simultaneous pain of a broken marriage and two ruptured discs in his neck; and the nervous energy of returning to Raw in March 2004 and setting his sights on the WWE World Heavyweight Championship.

WWE Vol. 3

Hollywood Hulk Hogan

Drawing on interviews with such figures as Shawn Michaels, Dusty Rhodes and Mark Henry, a collection of first-person accounts of memorable WWE matches describes in explicit detail some of their most extreme experiences

in the ring. Original.

New York Times bestselling author and six-time WWE champion Chris Jericho shares 20 of his most valuable lessons for achieving your goals and living the life you want. Chris Jericho has known what he wanted out of life since he was a teenager: to be a pro wrestler and to be in a rock 'n' roll band. Most of his high school friends felt that he lacked the tools necessary to get into either, but Chris believed in himself. With the wise words of Master Yoda echoing through his head ("Do or do not. There is no try."), he made it happen. As a result, Chris has spent a lifetime doing instead of merely trying, managing to achieve his dreams while learning dozens of invaluable lessons along the way. No Is a Four-Letter Word distills more than two decades of showbiz wisdom and advice into twenty easy-to-carry chapters, including: Developing a strong work ethic thanks to WWE chairman Vince McMahon, Remembering to always look like a star from Gene Simmons of KISS, Learning to let it go when the America's Funniest Home Videos hosting gig goes to his rival, Adopting a sense of perpetual reinvention from the late David Bowie, Making sure to sell himself like his NHL-legend father Ted Irvine taught him, and Going the extra mile to meet Keith Richards (with an assist from Jimmy Fallon). Now, in the hopes that those same principles might help and inspire his legions of fans, Chris has decided to share them while recounting the

fantastic and hilarious stories that led to the birth of these rules. The result is a fun, entertaining, practical, and inspiring book from the man with many scarves but only one drive: to be the best. After reading No Is a Four-Letter Word, you'll discover that you might have what it takes to succeed as well...you just need to get out there and do it. That's what Jericho would do.

WrestleCrap: The Very Worst of Professional Wrestling examines some of the ridiculously horrible characters and storylines that pro wrestling promoters have subjected their fans to over the past twenty years. Why would any sane person think that having two grown men fight over a turkey was actually a reasonable idea? Was George Ringo, the Wrestling Beatle, really the best gimmick that a major promotional organization could come up with? And who would charge fans to watch a wrestler named the Gobbeldy Gooker emerge from an egg? In an attempt to answer such questions and figure out just what the promoters were thinking, authors Randy Baer and R.D.

Reynolds go beyond what wrestling fans saw on the screen and delve into the mindset of those in the production booth. In some instances, the motivations driving the spectacle prove even more laughable than what was actually seen in the ring. Covering such entertainment catastrophes as an evil one-eyed midget and a wrestler from the mystical land of Oz, not to mention the utterly comprehensible Turkey-on-a-Pole match (a

gimmick which AWA fans might recall), WrestleCrap is hysterically merciless in its evaluation of such organizations as the WCW and the WWF. This retrospective look at the wrestling world's misguided attempts to attract viewers will leave wrestling fans and critics alike in stitches.

Matt and Jeff Hardy have proven that a relentless drive for success can make your wildest dreams come true. While still in high school, Matt and Jeff decided to become professional wrestlers at any cost. In a business that usually prizes giants, they were told their aspirations were unreasonable and impossible. But after the tragic loss of their mother, they began to pursue their goals with unstoppable determination. The Hardy Boyz: Exist 2 Inspire tells the story of Matt and Jeff Hardy's journey to WWE superstardom. Whether taking beatings from Razor Ramon and Nikolai Volkoff during their first WWE matches or winning the WWE Tag Team Championships against the Acolytes, the Hardy Boyz have experienced all the pains and pleasures that sports-entertainment has to offer. Their fast-moving, high-flying ring style has raised the bar for anyone who aims to follow in their footsteps. From receiving a standing ovation for their 1999 No Mercy ladder match against Edge and Christian to winning singles championships, Matt and Jeff have succeeded both as a team and as individuals. Still in their mid-twenties, the Hardyz have long careers ahead of them. The

Hardy Boyz is the inspirational true story of two small-town North Carolina boys who clawed their way to the top of the magical world of professional wrestling and achieved their childhood dreams.

WWE Legends gives fans an inside look at more than fifty of the greatest wrestlers ever to slip between the ropes and enter the “squared circle.” They were World Heavyweight Champions: Bob Backlund, Superstar Billy Graham, and Bruno Sammartino. They were fan favorites: “Superfly” Jimmy Snuka, Chief Jay Strongbow, and Andre the Giant. They were the villains everyone loved to hate: Killer Kowalski, Ernie Ladd, and the Fabulous Moolah. They were ethnic heroes, someone just like you that you could cheer for: Ivan Putski, Pedro Morales, Peter Maivia. They were the stars that shined the brightest, and left an indelible mark on the memories of countless fans. In a time when

professional wrestling was divided into territories, no place created bigger Superstars than World Wrestling Entertainment. From the company's centerpiece in Madison Square Garden, legends were born. WWE Legends is the every fan's guide to the legends of the ring. They are all in here, from Andre the Giant to George "the Animal" Steele, with quick stats and descriptions of their most famous matches. No true wrestling fan should be without this book.

An account of the rise and fall of Extreme Championship Wrestling describes its cult-like fan base, its influence on the rules and policies of World Wrestling Entertainment, and the contributions of such figures as Mick Foley and Stone Cold Steve Austin.

THE NEW YORK TIMES BESTSELLER

"Entertaining . . . an insightful and funny observer of pro wrestling's universe." - Publishers Weekly

In this insightful, riveting book, Jericho takes us into WWE wrestling arenas around the world as he details his classic rivalries with The Rock, Steve Austin, HHH, Shawn Michaels, and John Cena, along with all the politics and backstage machinations

he faced outside the ring. Chris recounts his hilarious escapades of breaking in with the Hollywood elite via doomed auditions, short-lived reality shows, made-for-television movies, and red-carpet interviewing fiascos. Jam packed with CJ's trademark self-effacing humor, one-of-a-kind writing style, and ridiculous random encounters with everyone from Arnold Schwarzenegger, Axl Rose, and Wayne Gretzky to Paul McCartney, and Howard Stern, UNDISPUTED is one of a rare breed—a sequel that might be better than the original.

Adam Copeland on Edge is what the author describes as “a mental picture.” It's also a dream—“one of many”—that he decided to realize while at home convalescing from potential career-ending neck surgery. And it's a journey that explores not only his life but also his innermost thoughts. In the small town of Orangeville, Ontario, Copeland was raised by a loving mother who, while working multiple jobs just to pay the rent, nurtured her son's passion for Spider-Man comics and KISS albums. When a family tragedy created a void in

Copeland's life, that void was soon filled by the wrestling legend Hulk Hogan, who “made me feel like I could accomplish anything.” For Copeland, “anything” meant becoming a wrestler, an ambition shared by his friend Jason Reso, who would eventually form the indie tag team Suicide Blondes with Copeland, then join him in WWE as Edge's “brother,” Christian. Winning a newspaper essay contest earned Copeland free wrestling training from independent veterans Sweet Daddy Siki and Ron Hutchinson. The author shares his vivid, often outrageous memories of wrestling throughout Canada and the midwestern United States and befriending future WWE Superstars like Terry Richards (Rhyno), Sean Morley (Val Venis), and Chris Jericho. Hard work and persistence brought Copeland to World Wrestling Entertainment. But his “inauspicious” Raw debut—during which he accidentally knocked out his opponent—supports his claim that “I had no idea” how to make the transformation to Edge. Copeland retraces the steps he took to “Edgeucate” himself, from his goth days with the Brood's Christian and Gangrel to

ushering in the “E&C Dynasty,” which in turn revitalized WWE's Tag Team division (with the aid of the Hardy Boyz, the Dudley Boyz, and countless tables, ladders, and chairs). With vivid detail and sincerity, Copeland offers his thoughts about not only fulfilling his goals but also building upon them. He shares his actual surprise over winning the Intercontinental title for the first time; the anxiety he felt while splitting up with Christian; his eventual determination “to grab the damn ball out of someone's hands and take off”; the distress of almost losing his long blond hair to Kurt Angle; his wonder over enjoying a brief Tag Team title reign with the icon who first inspired him; the simultaneous pain of a broken marriage and two ruptured discs in his neck; and the nervous energy of returning to Raw in March 2004 and setting his sights on the WWE World Heavyweight Championship. A Chosen Destiny

Pain Torture Agony Triple H Making the Game Andre the Giant Roman Empire

Go on the road with your favorite WWE Superstars! Your favorite WWE Superstars have more road trip stories to tell than they have frequent flier miles. Travel more than a million miles with The Big Show, Triple H, Lita, Stone Cold, and the rest of the WWE roster. Read all about their crazy and hilarious misadventures—Big Show being too large to fit into the shower, Triple H's hilarious run-in with over-enthusiastic fans, and many more. Also telling their stories are John Cena, Mark Henry, Teddy Long, Shannon Moore, Matt Hardy, The Hurricane, Dr. Tom Prichard, Molly Holly, Dave Hebner, Rico, Brooklyn Brawler, Kane, Jim "J.R." Ross, Ivory, Victoria, Goldberg, Tommy Dreamer, Al Snow, Steve Richards, Ric Flair, A-Train, Dean Malenko, Sgt. Slaughter, Chris Jericho, Edge, Chavo Guerrero, Coach, Rey Mysterio, D-Von Dudley, and Jackie Gayda. The inside story of DX, otherwise known as, D Generation-X, from their formation to today told by the men who created it. DX is generally considered one of the most popular factions in professional wrestling history, not to mention, one of the most notable. D-Generation X, as they were also known, headed by Triple H and Shawn Michaels and had a changing roster of rebels who did whatever they wanted, whenever, wherever- regardless of the ultimate outcome. Created as a way for two friends to work together, the clique became so popular that other wrestlers joined, and DX

became one of the factions in WWE climbing back to the top and putting Ted Turner's WCW out of business. Silverton is a town full of characters, and if you happen to be one, you have to play your part to the end—even if it kills you. That's what a down-on-his-luck writer discovers when he finds himself on the bridge of his hometown with no recollection of how he got there. Only a mysterious pain in his head and a crackling sound in his ear offer any clues. While searching for answers, he reconnects with friends and family, sometimes painfully, and discovers that a serial killer plagues his sleepy town with a possible connection to a personal family tragedy. Feeling that it's connected to his blackout, he sets out to solve the mystery of the dead women by navigating a maze of shady friends, a meth-dealing biker gang, Jesus, and rampaging mammoths. And that's just a typical day. He soon realizes that there are significant gaps in his memory that he can't account for, and wonders if he has not only lost time, but if he is also losing his mind and soul. He starts to question whether he even wants to learn the identity of the killer. That is until a girl close to him turns up dead, and it becomes a race to solve her murder before the authorities do. Doing so will not be easy, because in this town, the clues lie somewhere between memory, imagination, and madness...and each is fighting to keep him from sorting it all out before he becomes the next tragedy.

Henry Hayward has been living life the way he's wanted—working hard, playing hard—but when his girlfriend tells him she's leaving, it destroys him. In a

quest to recover, he joins an army-affiliated contracting crew that takes him overseas to a Canadian base in Afghanistan. In the company of friends, he begins to mend: having laughs and being rebellious, blithely unaware of all he's left behind. But everything changes during a roadside incursion when a routine patrol turns fatal. And Henry, who survives, knows in his heart that he is responsible. Upon returning home, tormented by guilt, he resolves to take care of the people and places around him: Martha Groves, whose boyfriend was killed in Afghanistan; his friends and neighbours; and a summer home that needs revitalizing. Henry tries his best to seek roots after a rootless life, collecting around himself a "community of a hundred people" for whom he cares deeply and is responsible. But he hasn't factored in family history and social infidelity—and Martha has a revelation of her own that may change everything. Minister Without Portfolio illuminates the power and violence of self-creation. It asks: To whom are we beholden? Who do we adopt—and who couldn't we live without? It is an emotionally affecting work, filled with truths about the frailties and miracles of human nature, by a writer of exceptional talent.

You think you know Hollywood Hulk Hogan™? Brother, you don't know squat about me. Yeah, I'm the towering red-and-yellow warrior who revolutionized the wrestling business, the larger-than-life superhero who transformed an entire country into a horde of Hulkamaniacs. I'm the guy who spit blood and breathed fire to help create an empire called World Wrestling Entertainment™. But it wasn't always like that. Once I was a fat kid named Terry Bollea watching legends like Dusty Rhodes and Superstar Billy Graham, never dreaming I'd be a professional wrestler myself one day. Run with me on the streets of Tampa, where a bass guitar became my salvation. Fight alongside me in the wrestling arenas of Japan, where opponents try to bite your fingers off to make a name for themselves. Slide into the ring with me against 700-pound Andre the Giant, who only became my best friend after he found out he couldn't beat me down. Then cruise L.A. with me and Sylvester Stallone on the heels of Rocky III. Learn why Minnesota Governor Jesse Ventura hates my guts. Go head-to-head with Dennis Rodman in a hard-liquor drinking contest, and share a dressing room with Liberace. Find out what makes me cry like a baby, what makes my blood boil, what I think of Jesus Christ, and what scares the living hell out of me. Then tell me you know the man called Hollywood Hulk Hogan. Join the Babe Ruth of wrestling on a gritty, no-holds-barred odyssey from his start in the barbaric wrestling

arenas of the seventies through the heartbreak of potentially career-ending surgery to the achievement of his greatest triumph yet. Along the way, lock up with the likes of Cyndi Lauper, Andy Kaufman, Dolly Parton, Mr. T, Ted Turner, George Foreman, Jay Leno, Undertaker, Triple H, The Rock...and of course, Vince McMahon, head of World Wrestling Entertainment™. They're all in here, waiting to show you what they've got. Hollywood Hulk Hogan™. It's the real deal, brother.

On 14 January 2003 Steve Austin was voted the best professional wrestler of the last ten years in a WWE fan poll. In addition to the WWE he has wrestled in the ECW, the WCW and WWF. He has been known as The Ring Master, Superstar Steve Austin, Stunning Steve Austin and now Stone Cold Steve Austin. He has held the tag team belt in WCW and WWF, the Million Dollar Belt and the Intercontinental Championship in WWF. He won the 1996 King of the Ring, the 1997 Royal Rumble and the Larry Flynt Freedom of Speech Slammy. Steve Austin is by far the best and most exciting wrestler today. A notoriously private man, this is the book his fans have been waiting for: his own personal story, told in full for the first time.

Batista Unleashed

Behind the Mask

The unforgettable story of everyone's favorite giant—and a life cut short—wrestler and actor Andre the Giant. At seven foot-five, four hundred and fifty pounds, André the Giant was a living, breathing legend—a behemoth taking on all comers. Billed as “the Eighth Wonder of the World,” he was the greatest attraction in sports entertainment and one of the most famous athletes in the world. *André the Giant: A Legendary Life* is the story of how his enormous charisma and undeniable presence aided World Wrestling Federation's explosive rise to the forefront of popular culture. André's battles with such rivals as Ernie Ladd, Killer Khan, Big John Studd, Jake “The Snake” Roberts, and Randy “Macho Man” Savage are certifiable classics, while his epic *WrestleMania III* match with Hulk Hogan—before 93,000—still holds the record for largest attendance. Outside the ring, André Roussimoff was equally formidable—his voluminous appetite for life is the stuff of legends. Moreover, André was among the first wrestlers to cross over into pop superstardom with roles in such television series as *The Six Million Dollar Man* and films like *The Princess Bride*. André's incredible tale is told through his most memorable matches, with reminiscences and recollections from the people closest to him. In addition to blow-by-blow analysis of his greatest in-ring triumphs, author Michael Krugman takes us behind the curtain to see how this amazing athlete struggled with his size and his stardom, as well as his fight with crippling pain caused by both his profession and the disease that made him who he was. *André the Giant: A Legendary Life*

is the true-life tall tale of one of the most influential and adored Superstars in sports entertainment history. In *Foley Is Good*, Mick Foley -- former Commissioner of the World Wrestling Federation, aka Cactus Jack, Dude Love, and Mankind -- picks up right where his smash #1 New York Times bestseller *Have a Nice Day!* left off, giving readers an inside look at the behind-the-scenes action in the Federation. With total honesty and riotous humor, Mick Foley shines a spotlight into some of the hidden corners of the World Wrestling Federation. From the ongoing controversy surrounding "backyard wrestling" to the real story behind his now-infamous "I Quit" match with The Rock, Foley covers all the bases in this hysterically funny roller-coaster ride of a memoir. Lita™ -- see her just once in the ring and you can never forget it. The breathtaking off-the-top-rope fearlessness that she shows keeps you on the edge of your seat. You simply can't believe she's going to be able to pull off the move, and then Lita takes it to the next level. That's her reality, that's why she is a WWE™ Superstar. Taking unexpected risks, daring to do what no one has done before, that's the reality of Amy Dumas, the remarkable woman behind Lita. Even as a young girl, Amy was determined to challenge herself and the world around her. She found personal freedom in the hardcore punk rock scene of the nineties. The positive force of the music and culture helped define the reality of Amy Dumas. Her willingness to try anything once set her on the path to World Wrestling Entertainment.™ Captivated by the high-flying style of the luchadors she saw on television, Amy was hungry to discover more about them. She just had to learn

how they did those amazing moves. With only a guidebook for a companion, Amy set out for Mexico City where she was quickly invited into the secret world of lucha libre, Mexico's unique brand of professional wrestling. She returned to the States, resolute in her goal to make it as a professional wrestler. Amy found people who saw her determination and her heart, and agreed to train her. As her skills improved, she began traveling the highways and byways of America, working night after night in independent promotions around the country. Along her journey, Amy met an assortment of colorful characters as well as a number of wrestlers who would prove influential in her career. Among them were two local North Carolina stars who had just signed with WWE -- Matt and Jeff Hardy. Amy formed an instant bond with the dynamic Hardy Boyz,TM whose spectacular style and high-flying bravado inspired her own bold in-ring style. It wasn't long before Amy -- now christened Lita -- joined Matt and Jeff in WWE, and the three friends became international sensations as Team Extreme.TM Lita proved a true pioneer in women's wrestling, daring to get in the ring with the boys -- including Triple H,TM Stone Cold Steve AustinTM and The Rock[®] -- and never backing down. It took a broken neck suffered on the set of a television series to stop her...but only temporarily. Lita: A Less Traveled R.O.A.D -- The Reality of Amy Dumas is the stirring tale of one young woman's amazing journey to the top of the wild, wonderful world of WWE.TM

College is a time to learn, explore, and grow, but what does faith have to do with it? In this collection of essays, gifted writers in their twenties and early thirties reflect on their

college years by telling stories some hilarious, some heart-wrenching on the intersection of faith and college. At a time when so much is written about young adults but not by young adults, this collection allows writers to reveal their college experience in their own voice, sharing, through reflection on their own joys and sorrows, unique insight into students experience of college. Themes include negotiating identity, sex and sexuality, discerning the future, studying abroad, and transitions in faith. This collection includes stories from large public universities and small, faith-related colleges. Perfect for faith leaders, college administrators, study groups, young adults, and anyone who loves a college student, *Kissing in the Chapel, Praying in the Frat House* reveals college struggles that help us reflect on faith and life in college, and forever."

My Life in Stripes As a WWE Referee

The Unauthorized History of DX

A Look Back at the Rich History of the WWE Championship

Highlights the triumphs and tragedies Jimmy Korderas experienced over his career as a WWE referee, sharing the experiences of being in the ring during Owen Hart's accident and about the effects of the Chris Benoit tragedy.

Before he became a star of American professional wrestling, Shinsuke Nakamura was Japan's "King of Strong Style." Follow his life and career from the amateur grappling ranks to the Nippon Budokon, thrill to

his matches against such legends as Kurt Angle and Brock Lesnar, his reign as the youngest New Japan Pro-Wrestling Heavyweight Champion, and his success as a mixed martial artist. -- VIZ Media

How did an untrained former college football player end up in the middle of a ring, wrestling during the highest-rated segment during the WWE's acclaimed Attitude Era? That's the story behind *Looking at the Lights*. As a childhood friend of Shane McMahon, Pete Gas was given the opportunity most only pray for. Beginning with appearances to interfere in McMahon's matches, his role blossomed into becoming a full-fledge wrestler and leading the Mean Street Posse to WrestleMania, becoming one of the most fascinating success stories of the era. From his humble upbringing and friendship with Shane (and the McMahon family as a whole), Gas shares how a 9-to-5 average Joe got the chance of a lifetime and made the most out of it. But getting your foot in the door is one thing; staying is a completely different animal. With all eyes on him, knowing his lack of training and meal ticket being the boss's son, Gas knew he had to win over all those doubters: from the fans and announcers to the wrestlers themselves. Knowing he had to prove himself, Gas took beatings, chair shots, and additional training to not only show that he could wrestle, but that he belonged with such superstars as The Rock, "Stone Cold" Steve Austin, and The Undertaker. Featuring forewords by Edge and JBL, who famously nailed Gas in the head with a steel chair, readers will get an inside look into not only the training and sacrifice these athletes go through, but the behind-the-scenes workings of a day in the WWE.

316 facts about WWE legend Stone Cold Steve Austin. What's "3:16 Day"? It's a day when someone gives you a

load of crap, and you give it back with a certain one-fingered gesture. "316 Day" is a day when you can open up a can of whoop-ass on anybody you want. A day when four-letter words are acceptable and the speed limit is only a suggestion. "3:16 Day" is a day that epitomizes Stone Cold Steve Austin, the toughest S.O.B. ever to lace up a pair of boots. Austin launched WWE's Attitude Era the moment he won the 1996 King of the Ring Tournament and quoted iconic scripture on his bible-thumping opponent: "Austin 3:16 says I just whipped your ass!" Austin 3:16 celebrates the WWE legend's finest moments in the ring, on the microphone, and behind the wheel of a beer truck, a Zamboni, and a cement mixer. This book collects 316 Stone Cold facts, figures, and catchphrases that uncover little known facets about sports entertainment's Texas Rattlesnake, including how he conceived the "Stone Cold" moniker, what he really thinks of adversaries Mr. McMahon, The Rock, and Bret "Hit Man" Hart, and why he has the WWE Universe shouting "What?" all the time. Bottom line? Austin 3:16 says it all, 'cause Stone Cold said so!

Memorable Matches
Moment of Truth
1980-2014**

In this thrilling, no-holds-barred memoir, WWE Champion Drew McIntyre tells the incredible roller-coaster story of his life, from a small village in Ayrshire, Scotland, to the bright lights of WWE. From a young age, Drew McIntyre

dreamed of becoming WWE Champion and following in the footsteps of his heroes Stone Cold Steve Austin and Undertaker. With his parents' support, he trained and paid his dues, proving himself to tiny crowds in the UK's Butlin circuit. At age twenty-two, McIntyre made his WWE debut and was touted by none other than WWE Chairman Vince McMahon as "The Chosen One" who would lead WWE into the future. With his destiny in the palm of his hands, Drew watched it all slip through his fingers. Through a series of ill-advised choices and family tragedy, Drew's life and career spiraled. As a surefire champ, he struggled under the pressure of expectations and was fired from the company. But the WWE Universe had not seen the last of this promising athlete. Facing a crossroads, the powerful Scotsman set a course to show the world the real Drew McIntyre. Buoyed by the support of his wife Kaitlyn, and the memory of his beloved mother, Drew embarked on a mission to recharge, reinvent, and revitalize himself to fulfill his destiny. Chosen Destiny is a story of grit, courage, and determination as a fallen Superstar discovers who he truly is and storms back to reclaim his dream.
