

Advanced Flying Star Feng Shui

The deepest levels and closely guarded secrets of Flying Star Feng Shui are revealed! Feng Shui Demystified O, A Comprehensive Course on Flying Star Feng Shui and Famous Water Formulae, contains all there is to know about the Flying Star system of authentic Chinese Feng Shui. Unlike many other publications this book deals with the authentic and most advanced system of traditional Chinese Feng Shui, which allows you to analyze the energies of your home or workplace and explains how to harmonize them to make sure nature's benevolent forces, which support expansion and growth, are on your side. Critically and expertly presented the author analyzed the methods of different schools and explained all formulae in detail for the reader to understand how they work. This includes the use of color in Feng Shui, the "Host / Guest" relationship of energies, the "Seven Star Robbery," the "Fan Fu Yin," the "Castle Gates" the famous "Five Ghosts carry Money" and the eight "Dragon Gate" water formulae and much more. The water formula of "Perfect Heavenly Harmony" and the "Heavenly Doctor" water formula are published here for the very first time. A special chapter on the change of periods explains how the different traditions, having different concepts on the time factor, deal with it. Water Dragon formulas are key feng-shui formulas which show how water should be organised outside a house to provide the maximum benefit. They are usually associated with creating and increasing wealth. This Water Dragon text comes from a collection of key feng-shui texts collected during the reign of the Emperor Ch'ien Lung (Qianlong), by Chang Ping Lin a feng shui master from Fukien in the early 18th century. This text is from an authentic source, which has never previously been available in English. Its formulas, some of which are derived from Yang Kung (Yang Yun Sung, fl. 888 AD), are clear and easy to apply, provided you have an a lo p'an.

Flying Star Feng Shui adds a new "time dimension" to feng shui practice reflecting the fact that the subtle energies present in our living environment are constantly changing. The flying star combinations make it possible to respond to-or prepare for-these changing energy "situations." These methods produce impressive and rapid results and can both shorten periods of bad luck, while initiating or prolonging periods of good fortune. These concepts have previously been available only from a few untranslated or highly technical sources. Author Stephen Skinner has a international reputation as a populizer of feng shui concepts for Western readers. In Flying Star Feng Shui he introduces one of the most effective and popular aspects of feng shui practice today.

Feng Shui: Seeing Is Believing

In this pithy and practical handbook, Ven. Jampa Ludrup lays out the fundamentals of feng shui without any of the opaque mysticism that sometimes clouds the practice. "The aim of this book," he writes, "is to help you have more happiness in your life." Through his easy-to-understand instructions, diagrams, and photos, Ludrup illustrates how simple alterations to the layout of your home can vastly improve specific areas of your life-romance, prosperity, health, or whatever is troubling you. With nothing more than this book and a good compass, you can rearrange your house, your fortune, and your life. The book comes with a handy pocket-sized chart that you can carry with you to job interviews or first dates - any important events - so that you can be confident that you will be able to achieve the best possible outcome.

A Blueprint for Personalised Feng Shui The Xuan Kong Nine Life Stars methodology refers to the People component, which allows you to understand a person from a Feng Shui perspective - how the environment influences a person. Each book in this series focuses on a particular Life Star and provides you with a detailed Feng Shui guide. This is your basic starting point towards fulfilling and shaping your attitudes toward key aspects in life like career, romance and health. Find Out For Life Star Number for FREE!

The feng shui expert presents 168 of her favorite tips for improving the flow of positive energy in one's home and garden This book provides a richly documented account of the historical, cultural, philosophical and practical dimensions of feng shui. It argues that where feng shui is entrenched educational systems have a responsibility to examine its claims, and that this examination provides opportunities for students to better learn about the key features of the nature of science, the demarcation of science and non-science, the characteristics of pseudoscience, and the engagement of science with culture and worldviews. The arguments presented for feng shui being a pseudoscience can be marshalled when considering a whole range of comparable beliefs and the educational benefit of their appraisal. Feng shui is a deeply-entrenched, three-millennia-old system of Asian beliefs and practices about nature, architecture, health, and divination that has garnered a growing presence outside of Asia. It is part of a comprehensive and ancient worldview built around belief in chi (qi) the putative universal energy or life-force that animates all existence, the cosmos, the solar system, the earth, and human bodies. Harmonious living requires building in accord with local chi streams; good health requires replenishment and manipulation of internal chi flow; and a beneficent afterlife is enhanced when buried in conformity with chi directions. Traditional Chinese Medicine is based on the proper manipulation of internal chi by acupuncture, tai-chi and qigong exercise, and herbal dietary supplements. Matthews has produced another tour de force that will repay close study by students, scientists, and all those concerned to understand science, culture, and the science/culture nexus. Harvey Siegel, Philosophy, University of Miami, USA With great erudition and even greater fluidity of style, Matthews introduces us

to this now-world-wide belief system. Michael Ruse, Philosophy, Florida State University, USA The book is one of the best research works published on Feng Shui. Wang Youjun, Philosophy, Shanghai Normal University, China The history is fascinating. The analysis makes an important contribution to science literature. James Alcock, Psychology, York University, Canada This book provides an in-depth study of Feng Shui in different periods, considering its philosophical, historical and educational dimensions; especially from a perspective of the 'demarcation problem' between science and pseudoscience. Reach out to the secret of Heaven While many books have been written on the subject of Xuan Kong Flying Stars Feng Shui, most of them were heavy on theories or were presented in a deliberately incomplete manner. Well, that was before Joey Yap's Xuan Kong Flying Star Feng Shui. The first of the Xuan Kong series, this book is presented in an easy-to-read format and written in a comprehensive all-encompassing manner that provides reader a wealth of Flying Stars methodologies and applications, at their disposal.

Flying Stars remains the most popular Feng Shui system in the world! And the 81 Combinations are at the heart of the practice. The Stars can 'set in motion' the energy of your home or office. The key is to learn how to use these combinations to your advantage. The 81 Combinations interpretations are derived from several ancient texts that describe possible outcomes and events in people's lives. How were the predictions made? We have decoded all 81 Combinations in detail. Not only why the authors say what could happen but how to analyze, cure and enhance the Stars. These detailed descriptions will empower you to use the Stars as intended by the ancient masters. The book includes numerous floor plan examples to demonstrate how the combinations are set into action. Flying Stars 81 Combination Decoded features annual and monthly star charts and how they interact with the star combinations. How do the stars really affect our lives, and when? What You'll Learn: Descriptions and Commentaries for each of the 81 Combinations; Guidance on how to Implement the Star Combinations & Annual Stars; How to Use the Triple Combination of Stars; How to Analyze, Cure and Enhance the Stars; How to Activate Special Charts: Pearl, Parent & Combination of 10; Implement Advanced Flying Star Techniques Instantly; Learn the Secret Names of the 9 Stars. Flying Stars 81 Combination Decoded is a must-have book for genuine Feng Shui enthusiasts, students and professional practitioners.

This is a reference text that is designed to supplement and aid the advanced study and practice of Xuan Kong Da Gua among students and practitioners. This book provides the reference diagrams and attributes of the 64 Gua Transformations. In Xuan Kong Da Gua Feng Shui, the Qi of the property is conveyed through the 64 Hexagrams. Factors such as Time, People, Environment, Property and Events are also expressed through the 64 Hexagrams, and the integration between these components is the essence of Xuan Kong Da Gua.

Understanding how these Hexagrams interact with one another allows the practitioner to harness the Qi of time and space, as well as predict events and outcomes. This is the KEY to the secrets of Xuan Kong hexagram interpretation. Each of these Hexagrams can be transformed through the changing lines (Yao), and there are a total of 384 Transformations. The highlights of this book include: 64 Gua Table Chart; Gua Palaces Reference Tables; Xuan Kong Da Gua Reference Charts showing the Internal Plate and External Plate; Xuan Kong Da Gua Transformation analysis for all 64 Hexagrams; Detailed charts and tables showing the Changing Yao, the Upper and Lower Trigrams of the Hexagram, and the Early Heaven and Later Heaven Ba Gua numbers; 64 Gua Explanations and Commentaries. Experienced students and practitioners who are keen to tap into the powerful techniques of Gua Transformation will find this an important and invaluable resource.

It is translated from the Ch'ing Dynasty Chinese with illustrations and facing the original woodblock Chinese text. Feng Shui for Architecture is an easy-to-use manual to incorporate Scientific Feng Shui into the design, renovation, and decorating of your home. The final goal is to support your well-being, as well as your family's, in all aspects of life. It is also particularly useful during a real estate pre-acquisition inspection, for it offers examples of bad Feng Shui (to avoid), good Feng Shui (to desire), and how to correct any overall problems. This will help you to evaluate the kind of investment to be made and to make the property Feng Shui proof (as well as decide if you want to either buy it or pass on it). The only book on the market written by an architect, interior designer, and Feng Shui expert who has over 20 years of expertise in the fields of architectural planning, design, and Scientific Feng Shui Mastery, Feng Shui for Architecture is largely the result of answering frequent questions that have arisen over the years by concerned Feng Shui and Interior Architecture students in classes taught by the author as well as addressing common issues brought up by professional architects, designers, and clients with whom the author has consulted with during the development of hundreds of projects (and whom are also the same people who encouraged her to write this book). Editorial Reviews "Dr. Simona Mainini has an astonishing ability to interpret and install ancient Chinese formulas in such a way that they change lives today. Her discipline and precision in a field not often distinguished by these qualities is both unique and world class." Richard Ashworth Author of The Feng Shui Diaries Editor-in-Chief of The Journal of the Feng Shui Society "Dr. Mainini is one of those few, wonderful people who have managed to weld together the strict disciplines of architectural practice with the aesthetics and philosophies of the ancient Chinese traditions of Feng Shui. Readers can be assured that what she writes is not founded just on theory alone, but sound, practical experience." Derek Walters Author of The Feng Shui Handbook & The Complete Guide to Chinese Astrology "Feng Shui for Architecture is an excellent guide for both the Feng Shui professional and layperson. You can benefit from the knowledge presented here and use it to make your environment as harmonious as possible." Larry Sang Author of The Principles of Feng Shui President & Founder of The American Feng Shui Institute "Feng Shui for Architecture has been extremely inspirational to me and many of my students at the School of Architecture and Urbanism at the University of Sao Paulo (Brazil). We are very impressed with Dr. Mainini's knowledge and experience. She brings a new pattern to design and architecture." Maria Cecilia Loschiavo dos Santos, PhD Author of Movel Moderno no Brasil Professor, Design Department, University of Sao Paulo, Brazil "The title and subtitle promises a lot-- and this book delivers even more! Dr. Mainini has done a fabulous job organizing and explaining-- in a clear, precise manner-- the principles of Feng Shui and the ancient Chinese art of placement for good energy flow as it applies to the spaces in which we live and work. Not only is this book great for the preparation of buildings, it is also extremely useful even if you are only searching for an energetically superior apartment, house, or office space to rent. If you are looking for an invaluable source of Feng Shui information to help bring harmony to your living and working space and your life, this is a book for you. I applaud Dr. Mainini for the publishing of this, her first book, and highly recommend it to those who want to learn more about this most fascinating modality of healing. A+!"
