In a culture obsessed with celebrity, baby Muffin's death is big news. Crib death - or something more sinister? Everyone wants to know, including the police. Whatever the truth, the bereaved parents - celebrity couple Jodee and Chazz - live in curate Callie Anson's parish. And despite the disapproval of her vicar and his wife, Callie becomes involved with funeral arrangements. It's a high-profile case, all right. Detective Inspector Neville Stewart is even recalled from his honeymoon to investigate - with disastrous personal results. And journalist Lilith Noone's professional future is on the line as she is sucked more deeply into her own flirtations with celebrity culture. But for police family liaison officer Mark Lombardi, the death of baby Muffin is eclipsed by another death much closer to home. He soon finds himself in an impossible position, torn between his loyalty to his family and his growing love for Callie. Deep Waters takes an unflinching look at our ambivalent relationship with the celebrities we make...and discard.

The repeated editions of Flavel's Works bear their own witness to his popularity. He was a favourite with Jonathan Edwards and George Whitefield (who ranked him with John Bunyan and Matthew Henry), and, a century later, with such Scottish evangelical leaders as R. M. M'Cheyne and Andrew Bonar. Flavel's complete works had long been unobtainable until we reprinted them in 1968. His six volumes are in themselves a library of the best Puritan divinity and a set will be a life-long treasure to those who possess it. He is one of that small number of evangelical writers who can by their lucidity and simplicity help those at the beginning of the Christian life and at the same time be a strong companion to those who near its end.

"Miss Hetty Maise, having spent the night in fitful spells of slumber, at last awakened by the beams of sunlight, sat up in bed with a start, quite unrefreshed and possessed of an uncomfortable feeling that something unpleasant was about to happen. A venturesome sunbeam, casting its light upon a picture on the heavy walnut dresser, seemed to recall the cause of her sleepless night and present uneasy state of mind. Drawing her lips tightly together she frowned severely at the inquisitive intruder. "

Starr Wyman is hedged in on all sides: caring for her war-broken brother, tormented by her crooked father, still in mourning for the disappearance of her mother. Her father, the Bible-quoting "Wint" Wyman, dismisses her herbalist work as witchcraft, but when a body drops and her brother is responsible, Wint calls on Starr to make the corpse disappear. Enter the mysterious Jase Patton, hunting an ivory artifact owned by Wint Wyman. Starr agrees to help Jase recover the piece, in exchange for a new life far away. But neither Jase nor the treasure are all that they seem, and Starr must deal with a wound no herbal treatment can cure.

The Iowa Dietetic Association published its first diet manual more than 40 years ago, and since then the Simplified Diet Manual has been an invaluable guide and resource for hospitals and long-term care facilities in every state and many foreign countries. In a straightforward and uncomplicated way, the Simplified Diet Manual presents basic diet principles, general and modified diets, and menus to help health care workers and dietitians provide their clients with nutritious and pleasing meals. This seventh edition incorporates many of the food trends and changes in health care that have affected nutrition therapy in recent years, such as Americans' concern about limiting dietary fat and the increased ethnic mix in American food choices. Major changes from previous editions include menu planning guidelines based on the Food Guide Pyramid; the addition of Vegetarian, Finger Food, and Limited Concentrated Sweets diets; the inclusion of the Protein and Electrolyte Controlled Diet based upon the 1993 National Renal Diet; and revision of the Diet for Diabetes to match 1994 recommendations.

The X Bar X Boys Lost in the Rockies is 9th installment in the long-running western adventure series for boys.

Classic romantic suspense from New York Times bestselling author Carla Neggers. Security consultant Quinn Harlowe just started an independent career and is enjoying a relaxed new lifestyle in her bayside cottage when she finds her friend and former colleague dead outside. Local law enforcement deems it suicide. Quinn is doubtful. Investigating on her own, she finds that someone is following her every move. Huck McCabe claims he's a bodyguard at Breakwater, a high-security compound nearby. But the truth? McCabe is an undercover agent trying to penetrate a violent network of vigilantes—the same people Quinn has identified. Together they come up against a conspiracy that could blow the lid off the Department of Justice. Originally published in 2006
