Eugenia Roldan Vera's study explores the popularisation and spreading of knowledge and science in South American countries which received books from the British publisher Rudolph Ackermann from 1823 to 1830.

Neil Gaiman's perennial favorite, *The Graveyard Book*, has sold more than one million copies and is the only novel to win both the Newbery Medal and the Carnegie Medal. Bod is an unusual boy who inhabits an unusual place—he's the only living resident of a graveyard. Raised from infancy by the ghosts, werewolves, and other cemetery denizens, Bod has learned the antiquated customs of his guardians' time as well as their ghostly teachings—such as the ability to Fade so mere mortals cannot see him. Can a boy raised by ghosts face the wonders and terrors of the worlds of both the living and the dead? *The Graveyard Book* is the winner of the Newbery Medal, the Carnegie Medal, the Hugo Award for best novel, the Locus Award for Young Adult novel, the American Bookseller Association's "Best Indie Young Adult Buzz Book," a Horn Book Honor, and Audio Book of the Year.

It is the best known book about American slavery, and was so incendiary upon its first publication in 1852 that it actually ignited the social flames that led to Civil War less than a decade later. What began as a series of sketches for the Cincinnati abolitionist newspaper *The National Era* scandalized the North, was banned in the South, and ultimately became the bestselling novel of the 19th century. Today, controversy over this melodramatic tale of the dignified slave Tom, the brutal plantation owner Simon Legree, and Stowe's other vividly drawn characters continues, as modern scholars debate the work's newly appreciated feminist undertones and others decry it as the source of enduring stereotypes about African Americans. As one of the most influential books in U.S. history, it deserves to be read by all students of literature and of the American story. American abolitionist and author HARRIET BEECHER STOWE (1811-1896) was born in Connecticut, daughter of a Congregationalist minister and sister to abolitionist theologian Henry Ward Beecher. She wrote more than two dozen books, both fiction and nonfiction.

Everything, Everything

New Inspiration Level 1. Student's Book

Jane the Virgin meets To All the Boys I've Loved Before in this charming debut romantic comedy filled with Black Girl Magic. Perfect for fans of Mary H. K. Choi and Nicola Yoon, with crossover appeal for readers of Jasmine Guillory and Talia Hibbert romances. Sixteen-year-old Tessa Johnson has never felt like the protagonist in her own life. She's rarely seen herself reflected in the pages of the romance novels she loves. The only place she's a true leading lady is in her own writing—in the swoony love stories she shares only with Caroline, her best friend and #1 devoted reader. When Tessa is accepted into the creative writing program of a prestigious art school, she's excited to finally let her stories shine. But when she goes to her first workshop, the words are just...gone. Fortunately, Caroline has a solution: Tessa just needs to find some inspiration in a real-life love story of her own. And she's ready with a list of romance novel-inspired steps to a happily ever after. Nico, the brooding artist who looks like he walked out of one of Tessa's stories, is cast as the perfect Prince Charming. But as Tessa checks each item off Caroline's list, she gets further and further away from herself. She risks losing everything she cares about—including the surprising bond she develops with sweet Sam, who lives across the street. She's well on her way to having her own real-life love story, but is it the one she wants, after all?

A short heroic novel by Ernest Hemingway is a story that centers on an aging fisherman who engages in an epic battle to catch a giant marlin. It was published in 1952 and awarded the 1953 Pulitzer Prize for fiction. Author: Ernest Hemingway Genre: Novel

"A theory in the flesh means one where the physical realities of our lives all fuse to create a politic born of necessity," writes activist Cherríe L. Moraga. This volume of new essays stages an intergenerational dialogue among philosophers to introduce and deepen engagement with U.S. Latinx and Latin American feminist philosophy, and to explore their "theories in the flesh." It explores specific intellectual contributions in various topics in U.S. Latinx and Latin American feminisms that stand alone and are unique and valuable; analyzes critical contributions that U.S. Latinx and Latin American interventions have made in feminist thought more generally over the last several decades; and shows the intellectual and transformative value of reading U.S. Latinx and Latin American feminist theorizing. The collection features a series of essays analyzing decolonial approaches within U. S. Latinx and Latin American feminist philosophy, including studies of the functions of gender within feminist theory, everyday modes of resistance, and methodological questions regarding the scope and breadth of decolonization as a critical praxis. Additionally, essays examine theoretical contributions to feminist discussions of selfhood, narrativity, and genealogy, as well as novel epistemic and hermeneutical approaches within the field. A number of contributors in the book address themes of aesthetics and embodiment, including issues of visual representation, queer desire, and disability within U. S. Latinx and Latin American feminisms. Together, the essays in this volume are groundbreaking and powerful contributions in the fields of U.S. Latinx and Latin American feminist philosophy.

New Inspiration takes all the best elements of the original course and adds some exciting new characteristics perfect for motivating and challenging teenage students.

Called by her contemporaries the "Tenth Muse," Sor Juana Inés de la Cruz (1648–1695) has continued to stir both popular and scholarly imaginations. While generations of Mexican schoolchildren have memorized her satirical verses, only since the 1970s has her writing received consistent scholarly attention., focused on complexities of female authorship in the political, religious, and intellectual context of colonial New Spain. This volume examines those areas of scholarship that illuminate her work, including her status as an iconic figure in Latin American and Baroque letters, popular culture in Mexico and the United States, and feminism. By addressing the multiple frameworks through which to read her work, this research guide serves as a useful resource for scholars and students of the Baroque in Europe and Latin America, colonial Novohispanic religious institutions, and women's and gender studies. The chapters are distributed across four sections that

deal broadly with different aspects of Sor Juana's life and work: institutional contexts (political, economic, religious, intellectual, and legal); reception history; literary genres; and directions for future research. Each section is designed to provide the reader with a clear understanding of the current state of the research on those topics and the academic debates within each field.

"Just when you thought it couldn't get any better!" A new edition of the best-selling English File - the best way to get your students talking. The fabulous DVD-ROM features animated stories, interactive games and activities including videokes, songs with karaoke versions, and fun activities focusing on each unit's vocabulary and grammar.

A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Challenge and inspire your teenage learners to think beyond language. American Think is a vibrant course designed to engage teenage learners and make them think. As well as building students' language skills, it offers a holistic approach to learning: developing their thinking skills, encouraging them to reflect on values and building their self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. Exam-style exercises and tips help students prepare for Cambridge English Key, Preliminary and First. Informed by the Cambridge English Corpus, the course reflects real language usage and 'Get it right' sections help students avoid common mistakes.

Hailed as one of the greatest novels of all time and a classic of world literature, War and Peace is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre, cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In War and Peace (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

#1 NEW YORK TIMES BESTSELLER • The world-famous cosmologist and author of A Brief History of Time leaves us with his final thoughts on the biggest questions facing humankind. "Hawking's parting gift to humanity . . . a book every thinking person worried about humanity's future should read."—NPR NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Forbes • The Guardian • Wired Stephen Hawking was the most renowned scientist since Einstein, known both for his groundbreaking work in physics and cosmology and for his mischievous sense of humor. He educated millions of readers about the origins of the universe and the nature of black holes, and inspired millions more by defying a terrifying early prognosis of ALS, which originally gave him only two years to live. In later life he could communicate only by using a few facial muscles, but he continued to advance his field and serve as a revered voice on social and humanitarian issues. Hawking not only unraveled some of the universe's greatest mysteries but also believed science plays a critical role in fixing problems here on Earth. Now, as we face immense challenges on our planet—including climate change, the threat of nuclear war, and the development of artificial intelligence—he turns his attention to the most urgent issues facing us. Will humanity survive? Should we colonize space? Does God exist? These are just a few of the questions Hawking addresses in this wide-ranging, passionately argued final book from one of the greatest minds in history. Featuring a foreword by Eddie Redmayne, who won an Oscar playing Stephen Hawking, an introduction by Nobel Laureate Kip Thorne, and an afterword from Hawking's daughter, Lucy, Brief Answers to the Big Questions is a brilliant last message to the world. Praise for Brief Answers to the Big Questions "[Hawking is] a symbol of the soaring power of the human mind."—The Washington Post "Hawking's final message to readers . . . is a hopeful one."—CNN "Brisk, lucid peeks into the future of science and of humanity."—The Wall Street Journal "Hawking pulls no punches on subjects like machines taking over, the biggest threat to Earth, and the possibilities of intelligent life in space."—Quartz "Effortlessly instructive, absorbing, up to the minute and—where it matters—witty."—The Guardian "This beautiful little book is a fitting last twinkle from a new star in the firmament above."—The Telegraph

In a down-to-earth manner, Hawes gives sound guidance for spiritually, emotionally, mentally, and physically healthier living. In the hectic pace of modern society, the hope and inspiration found in its pages can help to reduce stress and maintain a more fulfilling life. It is uplifting, wholesome reading that can lead to greater spiritual growth. Hawes discusses various topics, including: our eternal life; vital traits in helping us to acquire a more Christ-like character; important tips on building confidence; the rejuvenation of forgiveness; the impact that companions can have on us (and our children); dealing with disappointments; insights on the Bible; compassion and its rippling effect; education and personal growth; and the importance of courage. This book is scripturally-based, encouraging, motivating, and empowering! The endorsement on the back cover includes the following description: This is a book about life and the quest for a better one. It is full of 'golden nuggets of truth' that have been carefully gathered together. Many people have sought their whole lifetime for the wisdom that has been brilliantly compiled in the chapters of this book . . . [Hawes] has found real answers on how to make the most of life here and how to secure a beautiful eternal life in time to come-and is willing to share them! www.christianheartspublishing.com

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Gandhi to Kurt Vonnegut Jr. – have written for the magazine.

Analyzes the Salem Witch Trials to offer key insights into the role of women in its events while explaining how its tragedies became possible.

Like lightning/you strike/fast and free/legs zoom/down field/eyes fixed/on the checkered ball/on the goal/ten yards to go/can't stop you/can't nobody cop you... Twelve-year-old Nick is a football-mad boy who absolutely hates books. In this follow-up to Newbery-winning novel The Crossover, football, family, love, and friendship take centre stage as Nick tries to figure out how to navigate his parents' break-up, stand up to bullies, and impress the girl of his dreams. These challenges – which seem even harder when scoring a tie-breaking, game-winning goal – change his life, as well as his best friend's. This energetic novel-in-verse by the poet Kwame Alexander captures all the thrills and setbacks, the action and emotion of a World Cup match.

"An extraordinarily powerful journey that is both political and personal...An important book for everyone in America to read."

--Walter Isaacson,#1 New York Times bestselling author of Leonardo Da Vinci and Steve Jobs The New Orleans mayor who removed the Confederate statues confronts the racism that shapes us and argues for white America to reckon with its past. A passionate, personal, urgent book from the man who sparked a national debate. "There is a difference between remembrance of history and reverence for it." When Mitch Landrieu addressed the people of New Orleans in May 2017 about his decision to take down Confederate monuments, including the statue of Robert E. Lee, he struck a nerve nationally, and his speech has now been heard by millions across the country. In his first book, Mayor Landrieu discusses his personal journey on race as well as the path he took in making the decision to remove the monuments, tackles the broader history of slavery, race and institutional inequities that shaped America, and traces his personal relationship to this history. His father, as state legislator and mayor, was a huge force in the integration of New Orleans in the 1960s and 1970s. Landrieu grew up with a progressive education in one of the nation's most divided cities, but even he had to relearn Southern history as it really happened. Equal parts unblinking memoir, history, and prescription for finally confronting America's most painful legacy, In the Shadow of Statues will contribute strongly to the national conversation about race in the age of Donald Trump, at a time when racism is resurgent with seemingly tacit approval from all levels of government and when too many Americans have a misplaced nostalgia for a time and place that never existed.
