A warmhearted and funny novel about family, friends and finding your own voice Eleven-year-old Danny Chung loves drawing more than anything - certainly more than maths, which, according to his dad and everyone else, is what he is 'supposed' to be good at. He also loves having his own room where he can draw in peace, so his life is turned upside down when a surprise that he's been promised turns out to be his little, wrinkly, ex-maths champion grandmother from China. What's worse, Nai Nai has to share his room, AND she takes the top bunk! Nai Nai can't speak a word of English, which doesn't make things easy for Danny when he is charged with looking after her during his school holidays. Babysitting Nai Nai is NOT what he wants to be doing! Before long though it becomes clear to Danny that there is more to Nai Nai than meets the eye, and that they have more in common than he thought possible ...

The Empty Pot is Demi's beloved picture book about an honest schoolboy. A long time ago in China there was a boy named Ping who loved flowers. Anything he planted burst into bloom. The Emperor loved flowers too. When it was time to choose an heir, he gave a flower seed to each child in the kingdom. "Whoever can show me their best in a year's time," he proclaimed, "shall succeed me to the throne!" Ping plants his seed and tends it every day. But month after month passes, and nothing grows. When spring comes, Ping must go to the Emperor with nothing but an empty pot. Demi's exquisite art and beautifully simple text show how Ping's embarrassing failure is turned triumphant in this satisfying tale of honesty rewarded. An IRA-CBC Children's Choice. village life. They deal with the universal values that parents everywhere want to teach their children, such as good versus evil, right versus wrong, and wisdom versus foolishness. Stories include "How The Thais Learned to Be Calm," when a small village argument escalates into a terrible war; "Princess Golden Flower and the Vulture King," in which a brave princess saves herself from an evil king; and "The Gold Harvest" in which a wise father-in-law tricks his lazy son-in-law into working hard for his family. Curated and narrated by Marion D. Toth and illustrated by Thai artist Patcharee Meesukhon, this collection will provide children with an insight into the traditional Thai culture, and the values and lifestyle of its people. This book will be enjoyed by children ages six to ten, as well as by their parents. Other Thai stories in this book include: How the Bay of Bangkok Came to Be Why Do We Have Thunder and Lightning? The Wisest Man in Siam There is No Such Thing As a Secret How the Tiger Got its Stripes The Footprint of the Buddha

For thousands of years, Chinese storytellers have delighted listeners with stories about the value of virtues like honesty, respect, courage and self-reliance. Chinese Folktales collects nineteen of these fantastic tales, some of them dating back to the third century BCE, and retells them in contemporary English for a modern audience. This updated edition—previously titled Chinese Fables—offers the same great

Transform your life with tiny changes in behaviour, starting now. People think that when you want to change your life, you need to think big. But world-renowned habits expert James Clear has discovered another way. He knows that real change comes from the compound effect of hundreds of small decisions: doing two push-ups a day, waking up five minutes early, or holding a single short phone call. He calls them atomic habits. In this ground-breaking book, Clear reveals

*exactly how these minuscule changes can grow into such life-altering outcomes. He uncovers a handful of simple life hacks (the forgotten art of Habit Stacking, the unexpected power of the Two Minute Rule, or the trick to entering the Goldilocks Zone), and delves into cutting-edge psychology and neuroscience to explain why they matter. Along the way, he tells inspiring stories of Olympic gold medalists, leading CEOs, and distinguished scientists who have used the science of tiny habits to stay productive, motivated, and happy. These small changes will have a revolutionary effect on your career, your relationships, and your life.*
