Bernarda Alba is a widow, and her five daughters are incarcerated in mourning along with her. One by one they make a bid for freedom, with tragic consequences. Lorca's tale depicts the repression of women within Catholic Spain in the years before the war. The House of Bernarda Alba is Lorca's last and possibly finest play, completed shortly before he was murdered by Nationalist sympathisers at the outbreak of the Spanish Civil War. Inspired by real characters and described by the author as 'a true record of village life', it is a tragic tale of frustration and explosive passions in a household of women ruled by a tyrannical mother. Edited with invaluable student notes - a must for students of Spanish drama

Each edition of Introduction to Data Compression has widely been considered the best introduction and reference text on the art and science of data compression, and the third edition continues in this tradition. Data compression techniques and technology are ever-evolving with new applications in image, speech, text, audio, and video. The third edition includes all the cutting edge updates the reader will need during the work day and in class. Khalid Sayood provides an extensive introduction to the theory underlying today's compression techniques with detailed instruction for their applications using several examples to explain the concepts. Encompassing the entire field of data compression Introduction to Data Compression, includes lossless and lossy compression, Huffman coding, arithmetic coding, dictionary techniques, context based compression, scalar and vector quantization. Khalid Sayood provides a working knowledge of data compression, giving the reader the tools to develop a complete and concise compression package upon completion of his book. *New content added on the topic of audio compression including a description of the mp3 algorithm *New video coding standard and new facsimile standard explained *Completely explains established and emerging standards in depth including JPEG 2000, JPEG-LS, MPEG-2, Group 3 and 4 faxes, JBIG 2, ADPCM, LPC, CELP, and MELP *Source code provided via companion web site that gives readers the opportunity to build their own algorithms, choose and implement techniques in their own applications

Avec plus d'un milliard d'habitants, l'Afrique est l'une des régions les plus jeunes et dynamiques au monde. Le continent africain compte 60 % de jeunes de moins de 35 ans et 420 millions ont entre 15 à 35 ans, un chiffre qui devrait doubler d'ici à 2040. L'objectif de cette publication est de valoriser les réalisations de 24 entrepreneurs promus par Agribusiness TV afin de présenter un éventail aussi riche que représentatif de la diversité des initiatives. Nous souhaitons également en montrer les impacts et encourager d'autres jeunes à s'inspirer des modèles proposés pour mieux s'investir dans l'agriculture.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. Le chêne aux quatre ruches

Grand Dictionnaire Universel [du XIXe Siecle] Francais: A-Z 1805-76

L'imaginaire et l'intellect sont des facultés qu'Allah dans Sa bonté à offert à l'homme. La symbolique propose une réflexion fondée sur une pérégrination intuitive et intellectuelle au cours de laquelle se font entendre le langage et la pensée soufie. Le chêne au quatre ruches est une petite synthèse d'exemples de symboles et d'images vu sous l'œil de la spiritualité . Pourquoi le chêne au quatre ruches ? À vous de le découvrir ...

International Conference on Industrial Engineering and Engineering Management is sponsored by Chinese Industrial Engineering Institution, CMES, which is the unique national-level academic society of Industrial Engineering. The conference is held annually as the major event in this area. Being the largest and the most authoritative international academic conference held in China, it supplies an academic platform for the experts and the entrepreneurs in International Industrial Engineering and Management area to exchange their research results. Many experts in various fields from China and foreign countries gather together in the conference to review, exchange, summarize and promote their achievements in Industrial Engineering and Engineering Management fields. Some experts pay special attention to the current situation of the related techniques application in China as well as their future prospect, such as Industry 4.0, Green Product Design, Quality Control and Management, Supply Chain and logistics Management to cater for the purpose of low-carbon, energy-saving and emission-reduction and so on. They also come up with their assumption and outlook about the related techniques' development. The proceedings will offer theatrical methods and technique application cases for experts from college and university, research institution and enterprises who are engaged in theoretical research of Industrial Engineering and Engineering Management and its technique's application in China. As all the papers are feathered by higher level of academic and application value, they also provide research data for foreign scholars who occupy themselves in investigating the enterprises and engineering management of Chinese style.

La situation politique de la République démocratique du Congo (Zaire) est toujours au cœur de débats médiatiques, d'une part, et objet de nombreuses interrogations et investigations scientifiques, d'autre part. Ce livre analyse le processus de transition politique, qualifiée à plusieurs reprises de " transition de bricolage ", opéré par le pays durant la décennie 90, depuis son " ouverture " jusqu'à la prise de pouvoir du chef des rebelles, Laurent-Désiré Kabila. Passage de la Deuxième à la Troisième République, cette " tumultueuse " transition - ponctuée d'hésitations, de fuites en avant et de brusques retours en arrière - a vu la population zaïroise espérer une nouvelle donne quant à son sort, avant qu'elle ne sombre petit à petit dans la résignation puis la crainte de nouvelles souffrances. L'originalité de cet ouvrage réside dans son mode d'analyse. Martin Kalulambi Pongo a choisi de décrire de l'intérieur cette situation telle qu'elle a été vécue par les principaux acteurs politiques et le corps social. Chacun a eu en effet sa part de responsabilités dans les changements et la profusion des événements qu'a connus la République démocratique du Congo. Tous sont patiemment décrits et rigoureusement expliqués. Ce travail s'avère ainsi un outil indispensable à l'appréhension et la compréhension du pays.

The book by Dr. Tadesse Tamrat is an important contribution. ... In fact, the author shows his full and precise knowledge of past literature on Ethiopia, and his critical analysis of historical events is well founded on the results of recent work; but also-and this is an important novelty-he had access to hagiographical and historical documents, kept in Ethiopian monasteries, which had not previously been known to scholars. ... - Professor Enrico Cerulli, in BSOAS, Vol. 37, 1972. Once in a long while, books are written that set the standard in their discipline. Tadesse Tamrat's Church and State has been just such a book, a classic in Ethiopian historiography, unsurpassed in its painstaking reconstruction of the medieval history of Ethiopia. Few historians have used the rich historical data of the gadl literature as exhaustively and as meticulously as Tadesse has done, teasing out crucial information as only an Ethiopian versed in church traditions could do. Equally significant for the value of the book has been the blending of these Ethiopian traditional sources with the rich contemporary Arabic sources and the commentaries and analyses of such authorities as Carlo Conti Rossini. In short, what Tadesse has done through this masterly reconstruction is to blaze the trail that other Ethiopian historians have followed, a process that culminated in the growth and ripening of professional Ethiopian historiography. - Professor Bahru Zewde is the author of A History of Modern Ethiopia Professor Tadesse Tamrat's magisterial historical work Church and State in Ethiopia, 1270-1527, documents the rise and expansion of a new dynasty in highland Christian Ethiopia and the simultaneous growth of Ethiopian monasticism as an intellectual and cultural force. Based upon a broad range of primary sources previously either unknown or not utilized, this book remains the essential text for the history of the highland Christian state of Ethiopia during the period of its development as the dominant state in the Horn of Africa. This seminal work established the historical

foundation for subsequent studies in the history of highland Ethiopia, including specialized cultural and historical analyses of theology, music and religious art. - Professor Marilyn E. Heldman is the author of African Zion: The Sacred Art of Ethiopia
