

Bca Second Sem English Question Paper

Waiting Laughters is Osundare's second volume of poetry, published to critical acclaim. In 1991, it won The Noma Award for Publishing in Africa, the most prestigious book prize for new works published within the African continent. The collection is conceived as a poetic response to the gloom and despair gripping contemporary African society: the poems emphasise the possibility of laughter and its diverse manifestations. The style of the poetry is reflective of oral and Yoruba literary traditions.

MY LAST DUCHESS is the debut novel from Daisy Goodwin, the script writer of the epic ITV Sunday night drama VICTORIA. A rich, rewarding love story, perfect for readers of Georgette Heyer, and fans of VICTORIA, DOWNTON ABBEY and THE CROWN. 'Sparkling and thoroughly engaging' Sunday Times 'Deliciously classy. An intelligent pleasure, full of exquisite period detail' Kate Mosse Cora Cash has grown up in a world in which money unlocks every door. Her coming-out ball promises to be the most opulent of the gilded 1890s, a fitting debut for New York's 'princess'. Yet her fortune cannot buy her the one thing she craves -- the freedom to choose her own destiny. For Cora's mother has her heart on a title for her daughter, and in England -- where they are bound, to find Cora a husband. When Cora loses her heart to a man she barely knows, she soon realises that she is playing a game she does not fully understand -- and that her future happiness is the prize.

This book gathers selected high-quality papers presented at the International Conference on Computing, Power and Communication Technologies 2019 (GUCON 2019), organized by Galgotias University, India, in September 2019. The content is divided into three sections - data mining and big data analysis, communication technologies, and cloud computing and computer networks. In-depth discussions of various issues within these broad areas provide an intriguing and insightful reference guide for researchers, engineers and students alike.

This book is useful for IGNOU BCA & MCA students. A perusal of past questions papers gives an idea of the type of questions asked, the paper pattern and so on, it is for this benefit, we provide these IGNOU MCS-013: Discrete Mathematics Notes. Students are advised to refer these solutions in conjunction with their reference books. It will help you to improve your exam preparations. This book covers Discrete Mathematical Structures, Formal Methods: Introduction and Analogy, Abstraction. Fundamentals: Sets & Relations- Sets, Types of Sets, Multi Sets, Operations on Sets, Relations and Properties of Relations, Representation of Relations, Equivalence Relation, Closures of Relations, Methods of Proof-Direct Proofs, Indirect Proofs, Mathematical Induction, Method of Contradiction. Combinatorics: Permutations and Combinations, Pigeon Hole Principle, Principle of Inclusion and Exclusion, Generating Functions. Mathematical Logic, Posets and Lattices: Partial Order Set, Bounding Elements, Well Ordered Set, Topological Sorting, Lattices, Principle of Duality, Bounded, Distributed, and Complemented Lattices, Proposition and

Propositional Calculus. Graphs and Group Theory: Basic Introduction of Graphs- Types of Graphs, Path and Circuits, Eulerian Path and Circuits, Hamiltonian Path and Circuits, Shortest Path Algorithms, Group. Definitions and Properties, Coset & Subgroup, Normal subgroup, Homomorphism of groups, Cyclic Group, Permutation Group. Finite State Machines and Languages: Grammar and Languages- Phrase structure Grammar, Types of Grammars and Languages, Finite State Machines and Languages, Minimization of Finite State Machines. The Rienner Anthology of African Literature

Anthology of about 400 poems by one hundred modern poets writing in twenty Indian languages including English.

A guide to the literature of the British Isles from the Anglo-Saxon period to the present day. The volume includes information on Old and Middle English, the Renaissance, Shakespeare, the 17th and 18th centuries, the Romantics, Victorian and Edwardian literature, Modernism, and post-war writing.

"The Pleasures of Ignorance" by Robert Lynd. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten – or yet undiscovered gems – of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

This much improved revised edition of the book takes into account the needs of the student in the context of the present curricula followed in various universities and English language teaching institutes. This edition therefore devotes a new chapter to Assimilation, a section to Tones in relation to Attitudes, and highlights certain important aspects of pronunciation, such as rules of word accentuation. Starting with general phonetics, the book goes on to give a brief functional account of general phonology and then a selective and yet fairly exhaustive description of the phonetics and phonology of English. It also provides a number of conversational passages in phonetic script as well as in ordinary spelling for practice in reading aloud. What sets this text apart is its novelty of approach and lucidity of treatment. English pronunciation is followed as per the "Received Pronunciation of England". This text is specially designed for postgraduate students of English, undergraduate and postgraduate students of Linguistics, and for those undergoing secondary and tertiary level teachers' training programmes in English.

"Ranging from ancient cultures to the present century, from Africa's rich oral traditions to its contemporary fiction, poetry, and drama, this long-awaited comprehensive anthology reflects the enduring themes of African literature. The selections, drawn from the length and breadth of the continent, reveal the richness of African creativity. Readers will find myths and epics; works by such well-known figures as Chinua Achebe, Mariama Ba; Bessie Head, Tayeb Salih, Wole Soyinka, and Ngugi wa Thiong'o; and fiction and poetry by myriad new writers. The pieces are organized chronologically within geographic region and enhanced by both introductory material and biographical notes on each writer. An author/title index and suggestions for further reading are also included."--Publisher's website.

Pratiyogita Darpan (monthly magazine) is India's largest read General Knowledge and Current Affairs Magazine. Pratiyogita Darpan (English monthly magazine) is known for quality content on General Knowledge and Current Affairs. Topics ranging from national and international news/ issues, personality development, interviews of examination toppers, articles/ write-up on topics like career, economy, history, public administration, geography, polity, social, environment, scientific, legal etc, solved papers of various examinations, Essay and debate contest, Quiz and knowledge testing features are covered every month in this magazine.

The main aim of this book is to make advanced students of English understand grammatical categories and their inter-relationships. Each section in a chapter is based on the discussion of a grammatical category along with illustrative sentences. This book can be used as a coursebook for BA (Hons) English, B.Ed (English Methods), MA English, M. Phil English, and the Post Graduate Diploma in the teaching of English. Absalom and Achitophel by John Dryden Absalom and Achitophel is "generally acknowledged as finest political satire in the English language."It is also described as an allegory regarding contemporary political events, and a mock heroic narrative. On the title page, Dryden himself describes it simply as "a poem." We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid

access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

For decades now, Ruskin Bond has been charming us with his captivating stories about life in the hills. For this collection, India's favourite storyteller has rummaged through his archives and fished out a compilation of some of the pithiest short stories written on the Indian wildlife. From tigers, elephants, mongooses and leopards to jackals, panthers, snakes and cats-Bond covers them all, humble and mighty, in this collection. Bringing together the finest writing by authors such as Rudyard Kipling, C.A. Kincaid, John Eyton, Hugh Allen, among others, this collection will enchant the Bond aficionado and initiate alike

The Pleasures of Ignorance

Pratnyogita Darpan

Proceedings of GUCON 2019

A COURSE IN PHONETICS AND SPOKEN ENGLISH

his textbook is designed to teach a first course in Information Technology (IT) to all undergraduate students. In view of the all-pervasive nature of IT in today's world a decision has been taken by many universities to introduce IT as a compulsory core course to all Bachelor's degree students regardless of their specialisation. This book is intended for such a course. The approach taken in this book is to emphasize the fundamental "Science" of Information Technology rather than a cook book of skills. Skills can be learnt easily by practice with a computer and by using instructions given in simple web lessons that have been cited in the References. The book defines Information Technology as the technology that is used to acquire, store, organize, process and disseminate processed data, namely, information. The unique aspect of the book is to examine processing all types of data: numbers, text, images, audio and video data. As IT is a rapidly changing field, we have taken the approach to emphasize reasonably stable, fundamental concepts on which the technology is built. A unique feature of the book is the discussion of topics such as image, audio and video compression technologies from first principles. We have also described the latest technologies such as 'e-wallets' and 'cloud computing'. The book is suitable for all Bachelor's degree students in Science, Arts, Computer Applications, and Commerce. It is also useful for general reading to learn about IT and its latest trends. Those who are curious to know, the principles used to design jpg, mp3 and mpeg4 compression, the image

formats—bmp, tiff, gif, png, and jpg, search engines, payment systems such as BHIM and Paytm, and cloud computing, to mention a few of the technologies discussed, will find this book useful.

KEY FEATURES • Provides comprehensive coverage of all basic concepts of IT from first principles • Explains acquisition, compression, storage, organization, processing and dissemination of multimedia data • Simple explanation of mp3, jpg, and mpeg4 compression • Explains how computer networks and the Internet work and their applications • Covers business data processing, World Wide Web, e-commerce, and IT laws • Discusses social impacts of IT and career opportunities in IT and IT enabled services • Designed for self-study with every chapter starting with learning objectives and concluding with a comprehensive summary and a large number of exercises.

'All animals are equal, but some animals are more equal than others.' Drunken Mr Jones of Manor Farm has neglected his livestock for too long. In a burst of insurgent fervour they rise up and he is deposed, with the pigs taking charge of the newly named Animal Farm. Everything runs smoothly, productivity soars, and all animals are well-fed and happy. But the further away the memory of the revolution, the more distant seem its ideals, and when Boxer the workhorse is betrayed, the horrifying extent of the pigs' corruption is revealed. Orwell's 'fairy story', a scathing satire of Soviet communism, is as potent now as it was in 1945. Animal Farm is one of literature's most electrifying examinations of power and corruption. George Orwell, born Eric Arthur Blair (1903 - 1950) was a teacher, novelist and journalist. He also served his country, including in the Home Guard during the Second World War. He later became the literary editor of the Tribune and wrote for the Observer and Manchester Evening News. The author of nine books, Orwell is best known for the allegorical Animal Farm (1945) and dystopian satire Nineteen Eighty-Four (1949). They have gone on to become two of the most influential books of the twentieth century. 'A wise, compassionate, and illuminating fable.' New York Times 'There are no replacements for George Orwell, just as there are no replacements for a Bernard Shaw or a Mark Twain...he pricked, provoked and badgered lazy minds, delighted those who enjoyed watching an original intelligence at work.' Time 'A book for everyone and Everyman, its brightness undimmed after fifty years.' Ruth Rendell 'Timeless, even transcendent.' Christopher Hitchens 'Absolutely first rate.' New Yorker

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format

as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Though left uncompleted, "Kubla Khan" is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet's imagination through his whimsical description of Xanadu, the capital city of Kublai Khan's empire. Samuel Coleridge penned "Kubla Khan" after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler's capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

The book has a wide coverage and studies all the famous writers of English literature in the field of poetry, fiction, essay etc. The writers covered, among others, include Geoffrey Chaucer, William Shakespeare, Samuel John Milton, John Dryden, Alexander Pope, Samuel Johnson, William Wordsworth and Alfred Tennyson. A special feature of the book is that studies writers and their contributions not in isolation but in the context of surroundings and various elements of civilisation of the age of the writer. Thus it suggests a vital relationship between English literature and English life. The book is written in a simple and lucid style. It will be found of great interest by the students of English Literature, researchers and the general readers.

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. Swami and Friends introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

This book is useful for IGNOU BCA & MCA students. A perusal of past questions papers gives an idea of the type of questions asked, the paper pattern and so on, it is for this benefit, we provide these IGNOU MCS-011: Problem Solving and Programming Notes.
