

Big Hearted Farms Bible School Material

"It's All Under Control is the gift your soul has been desperately seeking—to feel how His arms of love are under you, carrying you through it all." —Ann Voskamp, New York Times bestselling author of *The Broken Way* and *The Greatest Gift*
It's time to get our control under control. Jennifer Dukes Lee never thought she struggled with control. As long as everything went exactly the way she wanted it to, she was totally flexible. But then Jennifer discovered what happens when you try to wrap your arms around everything, thinking it's all on you: You get burned out on hustle. You toss and turn more at night, and you laugh less during the day. You're so busy—caring, serving, working, and trying so hard—that you can't even hear God's voice anymore. *It's All Under Control* is a book for every woman who is hanging on tight and trying to get each day right—yet finding that life often feels out of control and chaotic. Join Jennifer on the journey of learning how to: Overcome the anxieties and worries that burden your heart Prioritize your busy life so you can make choices that align with God's best for you Find freedom through a new "Do, Delegate, or Dismiss" approach to your daily tasks Let go of what God has not asked you to do, so you can shine at what he has Discover a new way of living that will free you to be you, and finally experience the peace of knowing a God who truly has it all under control.

On the farm, everything is perfect, until Bonnie hears a strange, mournful sound. Could it be Maybelle? Then crows attack, lightning strikes, and big trouble begins with Peter. In between, Bonnie and her cousins manage to enjoy plenty of adventure and fun. When she tells a lie, however, everything is spoiled. Will things ever be the same again? *Little Farm Down the Lane* books illustrate the joys and trials of growing up on a farm in Pennsylvania during the 1940s and 1950s, while presenting Christian values in an entertaining and uplifting format. This is the second book of a projected eight-book series. As the story continues to unfold in future books, the Bedi family grows in their knowledge of God through good times and bad. (Book II will be enjoyed more fully if Book I, *Little Farm Down the Lane: A Little Family Moves In*, is read first.)

"Men of Our Times; Or, Leading Patriots of the Day" by Harriet Beecher Stowe. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

When church histories of Africa have been written, they've usually been done by Westerners. These writers have typically been missionaries or relief workers; their analyses and conclusions have reflected those perspectives. This book -- by contrast -- is written by Africans. Each writer is an African church leader or pastor, and they write about the emergence and development of the Mennonite and Brethren in Christ churches in the countries from which they come. "The story of God's work in Africa did not begin with the arrival of the missionaries, but rather -- from the African perspective -- their arrival continued, reinterpreted and re-shaped an ancient story," begins this honest collection. Themes of the churches claiming their particular expressions of faith, of achieving self-reliance, of coping with difficult governments, of discovering their gifts despite their material poverty, thread through the book.

Anabaptist Songs in African Hearts is the third edition of the first volume in the Global Mennonite History Series.

Books for All Kinds of Readers Read HowYouWant offers the widest selection of on-demand, accessible format editions on the market today. Our 7 different sizes of EasyRead are optimized by increasing the font size and spacing between the words and the letters. We partner with leading publishers around the globe. Our goal is to have accessible editions simultaneously released with publishers' new books so that all readers can have access to the books they want to read. To find more books in your format visit www.readhowyouwant.com

A missionary family is called by the Lord to work among natives in the lands of beautiful lakes and glistening snow in northern Canada (1960s). It is the true story of their joys, triumphs, discouragements, challenges, and heartbreak. It tells of the transforming power of God in these precious souls, of their love for God and the bond of love that grows with them through Jesus Christ. May it help readers to see the beauty in the lives of these people through the grace of Jesus Christ, to love them, pray for them and the work continuing in the North. To God be the glory.

Tom Anderson and Amie Potter are two wounded spirits who are haunted by the past. But, when Amie inherits her uncle's run down gas station--the one Tom helped manage for over a decade--their lives are irrevocably changed. Joining forces, Tom and Amie set out to raze the old filling station and construct a brand new hotel. Maybe along the way, they'll also build a love that will last forever. But will their shadowed pasts interfere with their future happiness?

Will Tom and Amie ever truly find a match made in heaven?

"Little Arms, Big Heart" presents the amazing life story of Nan Weaver who overcame a disability from birth and lived life to its fullest. The book is packed with inspiring stories from her life, her husband's life, and the lives of her children and grandchildren. As a strong believer she offers words of encouragement and hope to those who face difficulties throughout their lives. She writes with emotion and passion to motivate others to reach beyond their limitations and be an overcomer.

In the first comprehensive study of election law since the Supreme Court decided *Bush v. Gore*, Richard L. Hasen rethinks the Court's role in regulating elections. Drawing on the case files of the Warren, Burger, and Rehnquist courts, Hasen roots the Court's intervention in political process cases to the landmark 1962 case, *Baker v. Carr*. The case opened the courts to a variety of election law disputes, to the point that the courts now control and direct major aspects of the American electoral process. The Supreme Court does have a crucial role to play in protecting a socially constructed "core" of political equality principles, contends Hasen, but it should leave contested questions of political equality to the political process itself. Under this standard, many of the Court's most important election law cases from *Baker* to *Bush* have been wrongly decided.

National Bestseller Sometimes it's not only what we plant but where we're planted. Now raising their four-year-old daughter, Indiana, alone, after Joey's passing, Rory Feek digs deeper into the soil of his life and the unusual choices he and his wife, Joey, made together and the ones he's making now to lead his family into the future. When Rory Feek and his older daughters moved into a run-down farmhouse almost twenty years ago, he had no idea of the almost fairy-tale love story that was going to unfold on that small piece of Tennessee land . . . and the lessons he and his family would learn along the way. Now two years after Joey's passing, as Rory takes their four-year-old daughter Indiana's hand and walks forward into an unknown future, he takes readers on his incredible journey from heartbreak to hope and, ultimately, the kind of healing that comes only through faith. A raw and vulnerable look deeper into Rory's heart, *Once Upon a Farm* is filled with powerful stories of love, life, and hope and the insights that one extraordinary, ordinary man in bib overalls has gleaned along the way. As opposed to homesteading, this is instead a book on lifesteading as Rory learns to cultivate faith, love, and fatherhood on a small farm while doing everything, at times, but farming. With frequent stories of his and Joey's years together, and how those guide his life today, Rory unpacks just what it means to be open to new experiences. "This isn't a how-to book; it's more of a how we, or more accurately, how He, God, planted us on a few acres of land and grew something bigger than Joey or I could have ever imagined."

Islam, gentrification, AIDS, and multiculturalism: Where do we face these realities? A few years ago, it was in the city many city dwellers are moving to the suburbs, either by choice or because of circumstances beyond their control. A changing both the urban and suburban landscape. With this shift in mind, editors, John Fuder and Noel Castellanos, have gathered together a team of experts to help you minister effectively in both the urban and suburban context. Divided into sections, Critical Issues, Church-Planting Models, Ministering to Suburban Needs, and Para-Church Ministries, *A Heart for the Community* is a rich resource designed to help you do ministry today.
