Pioneer to the Past tells the intensely human, often poignantly moving story of the brilliant career of James Henry Breasted, one of the greatest Egyptologists and archaeologists America has yet produced. Breasted's greatest achievement was the founding of the Oriental Institute at the University of Chicago in 1919, through the generous support of John D. Rockefeller, Jr. The Oriental Institute embodies Breasted's vision of an inter-disciplinary research center that unites archaeology, textual studies, and art history as three complementary methodologies to provide a holistic understanding of ancient Near Eastern civilizations, and the ways that they laid the foundations for what we think of today as "Western civilization." Breasted's legacy continues to flourish today. Reprint of the Scribner's Sons 1943 Edition, with New Foreword and Photographs.

The highly anticipated sequel to Flame in the Mist - an addictive, sumptuous finale that will leave readers breathless from the bestselling author of The Wrath and the Dawn After Okami is captured in the Jukai forest, Mariko has no choice - to rescue him, she must return to Inako and face the dangers that have been waiting for her in the Heian Castle. She tricks her brother, Kenshin, and betrothed, Raiden, into thinking she was being held by the Black Clan against her will, playing the part of the dutiful bride-to-be to infiltrate the emperor's ranks and uncover the truth behind the betrayal that almost left her dead. With the wedding plans already underway, Mariko pretends to be consumed with her upcoming nuptials, all the while using her royal standing to peel back the layers of lies and deception surrounding the imperial court. But each secret she unfurls gives way to the next, ensnaring Mariko and Okami in a political scheme that threatens their honor, their love and very the safety of the empire.

"The face is characterized by a specific expressiveness and is thus an important part of composition. To be able to draw it correctly requires considerable prior knowledge. One must understand the art of measuring, the rules of perspective and the intricacies of drawing simple forms. The capturing and recreation of character attributes are special challenges requiring knowledge and use of the rules. Andr ́ s Szunyoghy's decades of experience as an artist and teacher predestines him for the compilation of a groundlaying system of rules for the learning of this art. This book provides not only beginners but also advanced artists comprehensive assistance. "

A shoemaker's apprentice who loves a prince, a princess that rides faster than the East Wind, a forest Roo that grants wishes and an ugly prince with a beautiful heart - the Rainbow Book of Fairytales contains seven exciting LGBT+ friendly and feminist stories for smart, curious and colourful children.

What can he do with his new powers -- and what are they doing to him?Before the attack, Tom Harvey was just an average teen. But a head-on collision with high technology has turned him into an actualized App. Fragments of a shattered iPhone are embedded in his brain. And they're having an extraordinary effect on his every thought.Because now Tom knows, sees, and can do more than any normal boy ever could. But with his new powers comes a choice: To avenge Lucy, the girl he loves, will he hunt down the vicious gangsters who hurt her? Will he take the law into his own electric hands and exterminate them from the South London housing projects where, by fear and violence, they rule?Not even his mental search engine can predict the shocking outcome of iBoy's actions.A WiFi, WTF thriller by YA master Kevin Brooks.

Do you want to last longer in bed? For those who want to last longer in bed and deliver more pleasure to your partner during your sexual experience, it should come as no surprise that slowing things way down is one of the simplest ways to achieve this end. Very often, we treat sex as an afterthought. If we have time, we might squeeze it into our days somewhere, or perhaps before bed, if we're not too tired. With this mentality, sex is only a rare treat, or perhaps a chore to be endured, rather than a major avenue of bonding and experiencing transcendental pleasure with your partner. The health of one's relationship is every bit as important in one's life as one's physical, mental, and emotional health. When our love lives are not in harmony, it throws everything else out of whack, too. A peaceful and loving relationship, on the other hand, can bring harmony and healing when all else has gone awry. Because our relationships are such a central part of our lives, we owe it to ourselves and our partners to treat them as a priority, rather than an afterthought. One of the great insights about life is knowing that we have time for what we make time for. Give yourself permission to slow down, knowing that you and your partner deserve the fullest and most pleasure-packed experience that is possible for you. This book covers: What is Kama Sutra What is Tantric Sex How to Prepare Your Mind and Body for Sex Tips for Beginners Tantric Massage Techniques Dirty Talk Orgasm Kama Sutra and Tantric Positions for Him Kama Sutra and Tantric Positions for Her Sex Positions During Pregnancy Best Positions for Oral Sex Sexual Positions to Get Pregnant Practical Exercises for Better Sex And much more!!!

An enthralling debut perfect for fans of Children of Blood and Bone set in an ancient North African-inspired fantasy world where two sisters must fight to the death to win the crown. Sixteen-year-old Eva is a princess, born with the magick of blood and marrow--a dark and terrible magick that hasn't been seen for generations in the vibrant but fractured country of Myre. Its last known practitioner was Queen Raina, who toppled the native khimaer royalty and massacred thousands, including her own sister, eight generations ago, thus beginning the Rival Heir tradition. Living in Raina's long and dark shadow, Eva must now face her older sister, Isa, in a battle to the death if she hopes to ascend to the Ivory Throne--because in the Queendom of Myre only the strongest, most ruthless rulers survive. When Eva is attacked by an assassin just weeks before the battle with her sister, she discovers there is more to the attempt on her life than meets the eye--and it isn't just her sister who wants to see her dead. As tensions escalate, Eva is forced to turn to a fey instructor of mythic proportions and a mysterious and handsome khimaer prince for help in growing her magick into something to fear. Because despite the love she still has for

her sister, Eva will have to choose: Isa's death or her own. A River of Royal Blood is an enthralling debut set in a lush, ancient North African inspired fantasy world that subtly but powerfully challenges our notions of power, history, and identity.

Two or Three Things I Forgot to Tell You is renowned author Joyce Carol Oates's newest novel for teens. Laurie Halse Anderson, bestselling author of Wintergirls and Speak, said that "the painful honesty of this book will crack open your heart." Senior year, their last year together, Merissa and Nadia need their best friend Tink more than they ever did before. They have secrets they can share with no one but her, toxic secrets that threaten to unravel their friendship—and themselves. Tink had a secret, too, a big one, but no one knows what it was. And now she's gone. . . . In a starred review, Kirkus Reviews described Joyce Carol Oates as "a master at portraying the inner lives of teens." In Two or Three Things I Forgot to Tell You, she's created a powerful portrayal of a friendship strong enough to transcend death.

Michel van Pelt explains for the first time the principle of space tethers: what they are and how they can be used in space. He introduces non-technical space enthusiasts to the various possibilities and feasibility of space tethers including the technological challenges and potential benefits. He illustrates how, because of their inherent simplicity, space tethers have the potential to make space travel much cheaper, while ongoing advances in tether material technology may make even seemingly far-fetched ideas a reality in the not too distant future.

This Whitehall Paper is an examination of China's relations over its western borders, looking at the interplay between China's relations with South and Central Asia, and its relations with other great adjacent powers. Based on a two-year research project that included travel and workshops in South and Central Asia, this Paper examines Beijing's changing impact and relationship with its near neighbourhood. Conceived prior to the announcement of Xi Jinping's 'Belt and Road Initiative' research for this report was undertaken in the shadow of the September 2013 announcement and the 'Belt and Road' ultimately proved to be the driving framework under which this report was drafted. The report sketches out the roots of the initiative, and how it is being felt on the ground, exploring in detail how it is being received in China's immediate neighbourhood where its impact is most significant for China.

Equal parts heartbreaking, funny, and life-affirming, this is a story about love after the most profound loss, for fans of Jesse Andrews, Rainbow Rowell, and Jennifer Niven. "Required reading." --John Corey Whaley, winner of the Printz Award Seventeen-year-old Tess Fowler has dropped out of high school, tossed her laptop in a freezing lake, then jumped in after it fully clothed. Why?

Because Jonah was the boy she knew only through texts and emails but understood to his very core. Jonah was the only boy she'd

told she loved and the only boy to say it back. And Jonah was the boy whose suicide she never saw coming. Jonah's death has sent Tess pinwheeling into grief and confusion. But even though he's gone, Tess still writes to him. She wants answers to the yawning chasm of questions that's become her life. At the same time, she's trying to find solace in her father's alternative funeral business. Who knew that arranging last rites for prized pets could be so life-affirming? But love, loss, and life are so much more complicated than Tess ever thought . . . especially after she receives a message that turns her already inside-out world totally upside down. As funny as it is heartbreaking and completely unputdownable, *Things I'm Seeing Without You* shows us what it means to love someone, to lose someone, to wade through the beautiful/strange agony of the aftermath, and somehow love again. "Sometimes hilarious, always affecting." --VOYA "Nails the messiness of grief." --SLJ "Compelling . . . a draw for fans of Nicola Yoon."

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

"A delectable mixture of ice cream and romance." —Publishers Weekly (starred review) "For fans of Jenny Han." —School Library Journal "A rare, enjoyable portrait of a woman-run business." —Kirkus Reviews From the author of The Last Boy and Girl in the World and The List comes a bold and sweet summer read about first love, feminism, and ice cream. Summer in Sand Lake isn't complete without a trip to Meade Creamery—the local ice cream stand founded in 1944 by Molly Meade who started making ice cream to cheer up her lovesick girlfriends while all the boys were away at war. Since then, the stand has been owned and managed exclusively by local girls, who inevitably become the best of friends. Seventeen-year-old Amelia and her best friend Cate have worked at the stand every summer for the past three years, and Amelia is "Head Girl" at the stand this summer. When Molly passes away before Amelia even has her first day in charge, Amelia isn't sure that stand can go on. That is, until Molly's grandnephew Grady arrives and asks Amelia to stay on to help continue the business...but Grady's got some changes in mind...

Do you want to know all the types of sex positions? There are two main types of sexual positions that the average couple uses in the bedroom. While other sex position books like Kama Sutra and similar texts will give you several types of positions, the various others are most often positions that are not easily accomplished by the average person. In other words, they are virtually useless to everyday couples who just want to have sex and don't want to have to learn different foot positioning's and balancing acts just to have it. The two types of sex enjoyed by average couples include: sensual sex and spicy sex. Sensual sex is a more emotional experience, whereas spicy sex is a more physical experience. Despite each of them speaking to a unique, intimate preference, most individuals enjoy a mixture of both. Communicating with your partner to find out what they are comfortable with is the best way to ensure that you both enjoy the experience and that it brings you two closer together in the long run. This book covers: Foreplay for Couples & Kamasutra Increasing Intimacy for Couples Erotic Games and Naughty Challenges Sex Positions to Get Pregnant & Sex Positions for Pregnant Couples Dirty Talk Role-Play for Couples Orgasms for Couples Post-Sex Positions for Couples And much more!!!

Laos, 1978: Dr. Siri Paiboun, a 72-year-old medical doctor, has unwillingly been appointed the national coroner of the new socialist Laos. His lab is underfunded, his boss is incompetent, and his support staff is quirky, to say the least. But Siri's sense of humor gets him through his often frustrating days. When the body of the wife of a prominent politician comes through his morgue, Siri has reason to suspect the woman has been murdered. To get to the truth, Siri and his team face government secrets, spying neighbors, victim hauntings, Hmong shamans, botched romances, and other deadly dangers. Somehow, Siri must figure out a way to balance the will of the party and the will of the dead. The first English-language biography of Astrid Lindgren provides a moving and revealing portrait of the beloved Scandinavian literary icon whose adventures of Pippi Longstocking have influenced generations of young readers all over the world. Lindgren's sometimes turbulent life as an unwed teenage mother, outspoken advocate for the rights of women and children, and celebrated editor and author is chronicled in fascinating detail by Jens Andersen, one of Denmark's most popular biographers. Based on extensive research and access to primary sources and letters, this highly readable account describes Lindgren's battles with depression and her personal struggles through war, poverty, motherhood, and fame. Andersen examines the writer's oeuvre as well to uncover the secrets to the books' universal appeal and why they have resonated so strongly with young readers for more than seventy years.
