**Welcome back to Virgin River with the books that started it all... Reverend Noah Kincaid moved to Virgin River to reopen an abandoned church he bought on eBay. Like Noah, the place is a little empty inside, but all it may need is some loving care... The young widower arrives ready to roll up his sleeves and build a place of worship and welcome, but he needs some help. And the Lord works in mysterious ways. With her tight shirts and short skirts, pastor's assistant is not a phrase that springs to mind when Noah meets brassy, beautiful Alicia Baldwin. The former exotic dancer needs a respectable job so she can regain custody of her children. And Noah can't help but admire her spunk and motherly determination. Noah and Alicia are an unlikely team to revitalize a church, much less build a future. The couple has so many differences, but in Virgin River anything is possible, and happiness is never out of the question.**

**From New York Times Bestseller, Vi Keeland, comes a sexy new standalone novel. The first time I met Chase Parker, I didn't exactly make a good impression. I was hiding in the bathroom hallway of a restaurant, leaving a message for my best friend to save me from my awful date. He overheard and told me I was a bitch, then proceeded to offer me some dating advice. So I told him to mind his own damn business—his own tall, gorgeous, full-of-himself damn business—and went back to my miserable date. When he walked by my table, he smirked, and I watched his arrogant, sexy ass walk back to his date. I couldn't help but sneak hidden glances at the condescending jerk on the other side of the room. Of course, he caught me on more than one occasion, and winked. When the gorgeous stranger and**

his equally hot date suddenly appeared at our table, I thought he was going to rat me out. But instead, he pretended we knew each other and joined us—telling elaborate, embarrassing stories about our fake childhood. My date suddenly went from boring to bizarrely exciting. When it was over and we parted ways, I thought about him more than I would ever admit, even though I knew I'd never see him again. I mean, what were the chances I'd run into him again in a city with eight million people? Then again... What were the chances a month later he'd wind up being my new sexy boss? The sport she loves is out of reach. The boy she loves wants someone else. What now? She expected to start Harkness College as a varsity ice hockey player. But a serious accident means that Corey Callahan will start school in a wheelchair instead. Across the hall, in the other handicapped-accessible dorm room, lives the too-delicious-to-be real Adam Hartley, another would-be hockey star with his leg broken in two places. He's way out of Corey's league. Also, he's taken. Nevertheless, an unlikely alliance blooms between Corey and Hartley in the "gimp ghetto" of McHerrin Hall. Over tequila, perilously balanced dining hall trays, and video games, the two cope with disappointments that nobody else understands. They're just friends, of course, until one night when things fall apart. Or fall together. All Corey knows is that she's falling. Hard. But will Hartley set aside his trophy girl to

world of cartel crime. But nothing could've prepared me for Cristiano de la Rosa, his brother's poison, or the Calavera cartel. This is still a story about a love strong enough to topple households, unite enemies, and divide brothers. Resilient enough to bring down those who would try to destroy it . . . and selfless enough to make the ultimate sacrifice. But I was warned, and so were you. Death's day always comes. This time, it will find what was once a caterpillar is now a butterfly—and hell hath no fury like the White Monarch.

The New York Times Bestselling author of the On Dublin Street series and Play On returns to the world of the arts in this intense and emotional standalone romance about love, sacrifice, and surviving both. Once upon a time Skylar Finch was the lead singer of a hugely successful American pop-rock band. But fame made her miserable. When years of living a lie suddenly ended in tragedy, Skylar fell off the map. Eighteen months later she's sleeping in a tent in a cemetery in Glasgow, making just enough money to eat by busking on

the streets. She manages to avoid recognition, but not the attention of one of Glasgow's ambitious A&R executives. Killian O'Dea works at Skyscraper Records, Scotland's most successful record label. Raised by his uncle and owner of the label, Killian's upbringing would have been devoid of affection entirely if it wasn't for his loving sister. Killian is unflinchingly determined to bring the label more success than ever, and the young homeless woman who busks on Buchanan Street is going to help him do that. Her music speaks to him in a way he refuses to over-analyze. All he knows is that if it can touch his dark soul, it'll set everyone else's alight. Skylar makes it clear that she doesn't want to sign with him. But when she experiences the dangerous reality of a woman sleeping rough, Skylar has no one else but Killian to turn to. An undeniable connection forms between them. But Skylar doesn't want the career Killian is trying to forge for her, and when her past comes back to haunt her Killian will be faced with a decision that could ruin him. *I fell for Connor Drake. I didn't want to; I fought against it, but I fell in love with him anyway. With his words. With his poetry. With him. The gentleness and beauty of his soul that speaks directly to mine. He writes as if he can feel my heart, hear its cadence and compose the exact right lyrics to accompany every beat and flow. I'm in love with Connor...so why do I feel an inexplicable pull to his best friend, Weston? Grouchy, sullen, brooding Weston Turner, who could cut you down with a look. Fiercely intelligent with a razor sharp wit and acid tongue, he's the exact opposite of Connor in every way, and yet there's electricity in the air between us. The thorny barbs Weston wraps around himself can't keep me away. But the more time I spend with these men, the more tangled and confused my emotions become. When they both sign up for the Army Reserves during a time of increasing strife in the Middle East, I fear I'll never unravel my own heart that sometimes feels as if it will tear straight down the middle...for both of them. \*\*\*\*\* Bring Down the Stars is an emotional, angst-filled novel of unrequited love by bestselling author, Emma Scott, and is inspired by the classic tale, Cyrano de Bergerac.
