**New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.**

Giving Kids the Business exposes the ways in which corporate America is turning schools into profit centers, the curriculum into an advertising vehicle, and children into a cash crop. Learn how market-oriented school reforms take money out of your pocket and lower the quality of public education. This book sounds the alarm over

schools being used by marketers to pitch their products to our nations children. }The commercialization of public education is upon us. With much fanfare and plenty of controversy, plans to cash in on our public schools are popping up all over the country. Educator and social commentator Alex Molnar has written the first book to both document the commercial invasion of public education and explain its alarming consequences. Imagine that your son is given a Gushers fruit snack, told to burst it between his teeth, and asked by his teacher to compare the

sensation to a geothermic eruption (compliments of General Mills). Imagine your daughter being taught a lesson about self-esteem by being asked to think about good hair days and bad hair days (compliments of Revlon.) Imagine that to cap off a day of world class learning, your child's teacher shows a videotape that explains that the Valdez oil spill wasn't so bad after all (compliments of Exxon). Giving Kids the Business explains why hot-button proposals like Channel One, an advertising-riddled television program for schools; for-profit public schools run by companies such as the Edison
