Bully Me Once Invern Elite Prep School Book 1 Eng

As the first scholarship transfer student ever, I'm the most hated person at Rivenn Royal Academy. The only good thing is that no one knows who I really am or why I'm here, and I plan on keeping it that way. Only, the arrogant crown prince has set his eyes on me, and he's hell-bent on breaking me. He thinks he owns me. He thinks I'm his new toy. But I'll get what I came

for and save my little brother. And I won't let the devilishly handsome prince get in my way. This is the first installment in the Rivenn Royal Academy series. It is not intended for readers under eighteen years of age and ends with a cliffhanger. My entire world was turned upside down the day my mum died. I feared what my life would become when an aunt I never knew about came swooping in and threw me into the unknown. She was rich. I couldn't even afford a pack of gum. We were complete opposites,

yet I wanted a fresh start in life, and she was promising to give me that. I just had to live with her for a year, until I graduated college.

However, from the very first day it became clear that I was completely out of my depth. It was a deal I couldn't pass up, not if I wanted to stay off the streets until I could find a job to support myself. Everyone at Kingsley Academy was in a league of their own. The girls were high-class, yet as fake as Barbie dolls, and the boys were handsome

with that appealing bad boy edge. Especially Kaiden Kingsley. He was charismatic, athletic, and sexy as hell. He also hated me so much he was willing to do anything to send me back to where I came from. And I didn't even know why. He was cold, cruel and twisted in a way I could never compete with, yet I found myself gravitating towards him. Secrets, lies and deceit. Everyone reeked of it. I wanted answers--needed them. Before my mum died, I thought I knew everything

about her. It turns out, I didn't know her at all.

There's a reason she left all this behind; a reason why Kaiden and his elite group are on a mission to punish me. And I'm going to find out. **WARNING:** Strong content that may be a trigger to some readers.

And it didn't take me very long to get a woman on her back. And then I drew her name: Jules Peterson. My former best friend. My first kiss. My first love. She shattered my heart into a million pieces three years ago. She left me right when I needed her most. And as fate who have it, she had entered my life once again, at almost

the perfect time. She was a transfer, fresh meat, and she had just put a target on her back. It was my turn to make her pay. It was my turn to break her heart. Holding onto that hate, that anger, that f*cking heartbreak. It does something to you. It breaks you, and it broke me, it tainted me, just like I would do to Jules. She used to be my everything, but now she was nothing but The Bet.

I've got it bad.I'm attracted to not one but all three of my new roommates.I thought senior year would be perfect with them in my new home and new school. It would be if I didn't have to listen to the endless train of women they bring home every night.I'm stuck watching them have the time of their lives while I continue to be the good girl. That's me, Always Dependable Dee.And I'm sick of it.I should fight fire with fire, right?Wrong.One little mistake and my life is total hell. The rules of the house and the school are flipped upside down. My once best friends are now my worst enemies.And I'm stuck living with them.Hate Me Like You Do is a new adult stand alone novel

Eng

recommended for readers 18 and over. It's a tangled tale of friends to bullies to lovers to enemies romance. Basically, there's love, there's hate, and so damn much angst.

A brisk, concise, and readable overview of Irish history from the Protestant Reformation to the dawn of the twenty-first century Five centuries of Irish history are explored in this informative and accessible volume. John Gibney proceeds from the beginning of Ireland's modern period and continues through to virtually the present day, offering an integrated overview of the island nation's cultural, political, and socioeconomic history. This succinct, scholarly study covers important historical events,

Eng

including the Cromwellian conquest and settlement, the Great Famine, and the struggle for Irish independence. Gibney's book explores major themes such as Ireland's often contentious relationship with Britain, its place within the British Empire, the impact of the Protestant Reformation, the ongoing religious tensions it inspired, and the global reach of the Irish diaspora. This unique, wide-ranging work assimilates the most recent scholarship on a wide range of historical controversies, making it an essential addition to the library of any student of Irish studies. Things were never supposed to end this way. I didn't have plans to fall for the hottest guy in

*school and I certainly didn't think he would dump my ass in front of everyone either with no explanation. Nada! Weeks go by as I tend to my broken heart. Fine, I say. I'm so over him. But is he really over me? Is there something he is hiding? Something Queen B is hiding? And then the new guy shows up, making everyone's head spin on its axis. Wes Collingwood. Tall, lean and abs like a damn washboard. When sparks fly between us, heads turn and secrets become unravelled faster than I can keep track of. I honestly wanted my senior year to be drama free. Yeah, nope. That is definitely not happening!***Authors Note:**
Madison Falls High is a young

The first time I met Lily Carter, I thought she was an angel. I'm still convinced she is. She was pure. She was kind. She was Lily. Everything about her captivated me. She called to my soul. Being with her broke an unspoken rule between the Hayes' and the Carter's. But they broke it first when one of them started dating my sister. Now, all bets are off. Lily may be fragile, but she's not broken, and it's time people stopped treating her like she

Eng

is. I'm making Lily mine, and there's only one thing that can stop me: Death. And I wouldn't put it past a Carter to go to those lengths. I'm willing to pay that price. Because without her, without that piece of my soul I know she holds, I'm dead inside.

******Soul of my Soul is a spin off series from the The Next Generation Carter Brother series and begins with Lily Carter and Jaxon Hayes. You don't need to read the Next Generation series to read this one, although I would advise it if you like to get to know the characters more.***

Trent, Charlie, and my twin, Drew, rule the hallways of Rydeville High with arrogance and an iron fist. I execute my role perfectly, hating every second, but they never let me forget my place in this world. Everyone obeys the rules. They have for generations. Because our families have always been in control. Until Cam, Sawyer, and Jackson show up. Throwing their new money around. Challenging the status quo. Setting hearts racing with their gorgeous faces, hot bodies, and bad boy attitudes. Battle lines are drawn. Sides are taken. And I'm trapped in the middle, because I made a mistake one fateful night when I gave my V-card to a stranger in a

Lost Boys of Neverly Prep #1

A shattering chronicle of the life and death of the Cathar movement -- one of Western civilization's great tragedies. At the beginning of the 13th century, the Cathars, a group of heretical Christians, thrived across what is now southern France, but was then a patchwork of city states and principalities beholden to neither king nor bishop. The Cathars held revolutionary beliefs that threatened the authority of the Catholic Church as well as the legitimacy of feudal law: they thought the idea of Hell, indeed the entire metaphysic constructed by the Church, to be a sham; they rejected all sacraments, including marriage; they thought private

Invern Elite Prep School Book 1
Eng

property an absurd notion and that all things worldly were corrupt; they gave women religious status equal to men. Though they lived peacefully, the Cathars growing influence enraged a Catholic Church that was flexing its muscle after decades of weakness, and its powerful Pope, Innocent III. The Church recruited the forces of France, eager to expand her territory to the south, and systematically attacked the Cathars in crusades between 1209 and 1229. By the time the wars were over, the map of Europe had been rearranged, and the Inquisition -- unleashed. Full of colourful and passionate personalities, *The Perfect Heresy* sheds new light on

Eng

the 13th century and on the timelessness of religious intolerance.

The 1960s were a colorful, tumultuous age that transformed American society. Ever since the decade ended, Americans have debated the changes that it unleashed. While most liberals argue that the era's effects were mainly positive and long overdue, conservatives perceive the 1960s as a disastrous time that has left ruinous legacies for us. Stuck in the Sixties analyzes conservatives' views about the 1960s era and its legacies by examining their discourse about such sixties figures and movements as John F. Kennedy, Martin Luther King, Jr.,

Eng

the civil-rights movement, the Warren Court, the Great Society, the Vietnam War, the anti war movement, the New Left , and the counterculture. The book reveals that, for a generation, a focus on attacking and reversing the legacies of the 1960s has been essential to the conservative Republican agenda.

He was more than my bully, he was what living nightmares were made of... "I dare you..." It started as a childish game played between two friends, that ended in heartbreak. I knew him once. A long time ago you may have even called us friends. That was before I moved away, before my mother married his father, before my entire life fell

apart. I lost everything, my friends, my popularity, my future. This was supposed to be my fresh start... my last chance at new... but it wasn't it was real life hell. Vance Preston used to be a poor boy with a soft smile and kind eyes. He used to be my friend. Now he's God's gift to women (his words not mine), disgustingly handsome, and filthy rich. He can do whatever he wants, say whatever he wants, and hurt whomever he wants. No one can stop him, and no one dares too. He might as well be god. And his newest target: me. He dares me to defy him. He dares me to fight back. He promises he won't stop...not until he hurts me, not until he breaks me. But I'm not afraid,

in a desperate attempt to forget her, but nothing eases the horrid ache in my chest. Rejection isn't anything new for me, but it hasn't gotten any easier. Until she reappears in my life. Like an out-of-control tornado. Storming in, all fierce and angry, ready to steamroll everything in her path. Rachel is trouble with a capital T bundled in a gorgeous, sexy, Irish package. She pushes all the wrong buttons, and I can't decide if I want to yell at her or kiss her. I should steer clear. But I've never been very good at taking my own advice. Especially when it comes to girls I can't have and shouldn't want. Rachel I need to escape. To put as much distance between me and that monster so I

can start living my life. Yet, even the vast Atlantic Ocean isn't enough to sever the connection. To allow me to forget how he's ruined me. His hold is more than just physical. He has a vise grip on my head and my heart, and I can't breathe, can't think, can't function. So, I do everything to blot it out. Until he reappears in my life. Brad McConaughey. So hot. So infuriating. So in love with my best friend. Every word out of Brad's mouth makes me want to throat punch him or kick him in the nuts. But he makes me feel, and I hate him for it. A part of me might actually love him for it. I should keep my distance, but like destructive magnets, we are drawn

medals, my looks, and filling out a swimsuit with my...eh-hem—bulky equipment. Let's just say there's a reason my nickname is "the Bulge." But beyond the fame, sponsors, and glory, there's more to me than people know, including one hell of a mess I've gotten mixed up in. Life-or-death stuff, so bring in the professionals. Just don't give me a chick bodyguard. Especially a young hot one who distracts me at every turn and hates my guts... MY NAME IS ABI CARTER, and I hate Mitch Hofer. Yeah, he might be the sexiest champion swimmer in the world, but I'd give this guy a gold medal for being a first-class jerk. Unfortunately, my boss has given me a choice—guard Mitch or get another job. And I really need the money. I can be professional, but if

Mitch says “chicks can’t be bodyguards” one more time, I just might strangle him myself. Still, something about the way Mitch keeps looking at me makes me think there’s more to his story. It’s almost as if he’s trying to drive me away. But why?

I never thought I'd end up like this, with my finger on the trigger. But here I am. Can Cole and I survive? There's only one way to find out... This is the third and final installment in the Invern Elite Prep School series.
