

Cabins Escape To Nature Hidden Places Stylish Spa

Illustrated guide to designing and building a wilderness cabin, cottage or camp.

Midcentury spaces made new: A-Frame homes from rustic to ultra-modern, mountain retreats to seaside getaways. The A-Frame home surged in popularity in the 1950s, and has captured the public's imagination with its playfully modern, steep-sloping roofline ever since. The Modern A-Frame celebrates seventeen diverse accounts of these minimalist cabins reinvented for the twenty-first century. Nostalgic escapes, heritage homes, full-time simplicity, and artists at work categorize the A-frames whose engaging stories are shared. Whether fabricated from a 1960s kit or as a new build via retro inspiration, the variety of styles and homeowners in this photo-driven collection beautifully captures the romance of a classic structure, which beckons to travelers and homebuyers today, just as it did sixty years ago. Perfect for the architectural enthusiast, midcentury-minded designer, or armchair traveler. Ben Rahn has been photographing architecture and interiors for more than twenty years. He founded A-Frame Studio in 2003 out of a desire to combine his love of design with his keen photographic eye. His work has been recognized internationally and has

The Hidden Tracks

AN INSTANT NEW YORK TIMES BESTSELLER

The twisty new thriller from the New York Times bestselling author of *The Couple Next Door* and *A Stranger in the House* A weekend retreat at a cozy mountain lodge is supposed to be the perfect getaway . . . but when the storm hits, no one is getting away It's winter in the Catskills and Mitchell's Inn, nestled deep in the woods, is the perfect setting for a relaxing--maybe even romantic--weekend away. It boasts spacious old rooms with huge woodburning fireplaces, a well-stocked wine

cellar, and opportunities for cross-country skiing, snowshoeing, or just curling up with a good murder mystery. So when the weather takes a turn for the worse, and a blizzard cuts off the electricity--and all contact with the outside world--the guests settle in and try to make the best of it. Soon, though, one of the guests turns up dead--it looks like an accident. But when a second guest dies, they start to panic. Within the snowed-in paradise, something--or someone--is picking off the guests one by one. And there's nothing they can do but hunker down and hope they can survive the storm--and one another.

Intended for anyone attempting to find their way through the large and confusingly interwoven philosophical literature on consciousness, this reader brings together most of the principal texts in philosophy (and a small set of related key works in neuropsychology) on consciousness through 1997, and includes some forthcoming articles. Its extensive coverage strikes a balance between seminal works of the past few decades and the leading edge of philosophical research on consciousness. As no other anthology currently does, *The Nature of Consciousness* provides a substantial introduction to the field, and

imposes structure on a vast and complicated literature, with sections covering stream of consciousness, theoretical issues, consciousness and representation, the function of consciousness, subjectivity and the explanatory gap, the knowledge argument, qualia, and monitoring conceptions of consciousness. Of the 49 contributions, 18 are either new or have been adapted from a previous publication. Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

Many of us dream of having a life free from rent, mortgages and utility bills and for some this dream is being achieved by living in a tiny house. Small, compact buildings offer an appealing way to live more sustainably, providing smart, energy-efficient housing at low cost; a route to escaping the financial shackles of long-term debt. Living Big in a Tiny House celebrates the diversity of tiny houses, and explores many of the innovative living solutions that tiny house-builders have developed in response to the challenges of smaller spaces. The author, Bryce Langston, has a significant international following through his YouTube channel, and devotes himself full-time to meeting tiny-house owners and discovering their stories. This book provides a fascinating look into the rapidly growing tiny-house movement, details the author's own tiny-house journey and showcases 40 innovative small-space dwellings from across the US, Canada, Japan, Australia and New Zealand. It is a must-have for anyone interested in living well with less, as well as an invaluable source of ideas for builders, designers, and aspiring tiny-house owners.

Tiny House: Live Small, Dream Big

Living Big in a Tiny House

The ultimate escapist collection of environmentally sustainable houses, cabins, and retreats, this book circles the globe to find the best eco-architecture in the most stunning and remote locations.

Having less is the secret to living more. Whether you've been dreaming about a treehouse in the wilderness of Montana, or a remote eco-cabin in Patagonia or Australia; driving a campervan on the open roads of Quebec, or floating on a houseboat in Sweden – find escape, inspiration and a window into a freer, simpler, happier kind of life. In this visual manifesto for the tiny house lifestyle, discover over 250 awe-inspiring images of the world's most creative small homes, alongside the stories, ideas and advice of those living in them. Curated by the founder of the #1 @tinyhouse Instagram feed. Sometimes you have to think small to live BIG.

Colin McAllister and Justin Ryan--Scottish interior designers, TV hosts, and property speculators--are cabin aficionados who divide their time between homes in Canada and their beloved Scotland. iEscapology: Modern Cabins, Cottages and Retreats is a stunning book of modern-day retreats--bucolic weekend escapes by the sea, remote getaways in the woods, and rustic mountain hideouts--to inspire peaceful and quiet living. The authors genuinely believe that cabin time has a remarkably positive impact on our health, wellbeing and our happiness. Whether it's a rustic cottage nestled deep within a Nordic forest, a robust mountain lodge in Montana, a breathtaking treehouse in Canada, or a steel-

Download Ebook Cabins Escape To Nature Hidden Places Stylish Spa

walled, one-room "hotel" in Denmark, these retreats share one vital aspect in common: they proffer the chance to escape and to and live in harmony with nature, far from the madding crowd. Part style bible and lifestyle manual, the book features a beautiful collection of classic and contemporary cottages and cabins, each accompanied by an informative design profile and beautifully photographed images. And of course, the book is also packed with practical building and design advice that fans of Colin and Justin have grown to love. You'll find relevant information about different types of dwelling styles, builds, sustainability/off-grid living, tiny homes, renovation on a budget, room zonings, décor and everything in between.

From #1 New York Times bestselling author Nora Roberts, *Under Currents* is a novel about the power of family to harm—and to heal. For both Zane and Darby, their small town roots hold a terrible secret. Now, decades later, they've come together to build a new life. But will the past set them free or pull them under? Zane Bigelow grew up in a beautiful, perfectly kept house in North Carolina's Blue Ridge Mountains. Strangers and even Zane's own aunt across the lake see his parents as a successful surgeon and his stylish wife, making appearances at their children's ballet recitals and baseball games. Only Zane and his sister know the truth, until one brutal night finally reveals cracks in the facade, and Zane escapes for college without a thought of looking back... Years later, Zane returns to his hometown determined to reconnect with the place and people that mean so much to him, despite the painful memories. As he resumes life in the colorful town, he meets a gifted landscape artist named Darby, who is on the run from ghosts of her own. Together they will have to teach each

CabinsHidden Places, Stylish Spaces
It is the best known book about American

Download Ebook Cabins Escape To Nature Hidden Places Stylish Spa

slavery, and was so incendiary upon its first publication in 1852 that it actually ignited the social flames that led to Civil War less than a decade later. What began as a series of sketches for the Cincinnati abolitionist newspaper The National Era scandalized the North, was banned in the South, and ultimately became the bestselling novel of the 19th century. Today, controversy over this melodramatic tale of the dignified slave Tom, the brutal plantation owner Simon Legree, and Stowe's other vividly drawn characters continues, as modern scholars debate the work's newly appreciated feminist undertones and others decry it as the source of enduring stereotypes about African Americans. As one of the most influential books in U.S. history, it deserves to be read by all students of literature and of the American story. American abolitionist and author HARRIET BEECHER STOWE (1811-1896) was born in Connecticut, daughter of a Congregationalist minister and sister to abolitionist theologian Henry Ward Beecher. She wrote more than two dozen books, both fiction and nonfiction.

Off the Grid

The cabin has become our third place, our hideaway where we can recharge our spirits and reconnect with ourselves, away from the restraints of society and the stress of the everyday. This book presents the best new cabin architecture and design. We all need to be somewhere else, just for a little while. The cabin is that somewhere else. They allow us to get into a different state of mind, one where we can just have a good time. Four walls and a roof and a weekend--these getaways free us from the distracting and unessential, and put us back in touch with nature and our own inner peace. In cabins, we can savor solitude or share experiences with friends among mountains, rivers, woods, and wildlife. The Hinterland explores architecture and design approaches to creating the refuges that refresh and revitalize amidst the beauty of nature.

Cabin fever occurs at sea, on land, in the air, in space. Principally, it occurs in our minds. This book examines 'cabin fever' in the wake of the coronavirus pandemic and the greatest confinement of people to their homes in history. It provides a timely account of the threat of cabin fever during lockdown.

If you dream of living in a tiny house, or creating a getaway in the backwoods or your backyard, you'll love this gorgeous collection of creative and inspiring ideas for tiny houses, cabins, forts, studios, and other microshelters. Created by a wide array of builders and designers around the United States and beyond, these 59 unique and innovative structures show you the limits of what is possible. Each is displayed in full-color photographs accompanied by commentary by the author. In addition, Diedricksen includes six sets of

building plans by leading designers to help you get started on a microshelter of your own. You'll also find guidelines on building with recycled and salvaged materials, plus techniques for making your small space comfortable and easy to inhabit.

Many people dream of escaping modern life, but most will never act on it. This is the remarkable true story of a man who lived alone in the woods of Maine for 27 years, making this dream a reality—not out of anger at the world, but simply because he preferred to live on his own. A New York Times bestseller In 1986, a shy and intelligent twenty-year-old named Christopher Knight left his home in Massachusetts, drove to Maine, and disappeared into the forest. He would not have a conversation with another human being until nearly three decades later, when he was arrested for stealing food. Living in a tent even through brutal winters, he had survived by his wits and courage, developing ingenious ways to store edibles and water, and to avoid freezing to death. He broke into nearby cottages for food, clothing, reading material, and other provisions, taking only what he needed but terrifying a community never able to solve the mysterious burglaries. Based on extensive interviews with Knight himself, this is a vividly detailed account of his secluded life—why did he leave? what did he learn?—as well as the challenges he has faced since returning to the world. It is a gripping story of survival that asks fundamental questions about solitude, community, and what makes a good life, and a deeply moving portrait of a man who was determined to live his own way, and succeeded.

to the specific needs and particular tastes of individual clients, these idyllic getaway homes and country hideaways incorporate practical, innovative, and stunning solutions for a variety of design needs.

150 Best Cottage and Cabin Ideas embodies the diversity of current trends in house design and provides an inspirational source of ideas—whether you’re looking to design and build a new home or renovate and redecorate an existing structure.

The Sunday Times Top Ten Bestseller, longlisted for the Orwell Prize for Political Fiction 2021 'Superb' -

The Times 'Sharp, searching . . . utterly of the moment' - Hilary Mantel 'So accomplished' -

Guardian It is the summer solstice, but in a faded Scottish cabin park the rain is unrelenting. Twelve people on holiday with their families look on as the skies remain resolutely grey. A woman goes running up the Ben as if fleeing; a teenage boy chanches the dark waters of the loch in his kayak; a retired couple head out despite the downpour, driving too fast on the familiar bends. But there are newcomers too, and one particular family, a mother and daughter with the wrong clothes and the wrong manners, start to draw the attention of the others. Who are they? Where are they from? Should they be here at all? As darkness finally falls, something is unravelling . . .

From the acclaimed author of Ghost Wall, Sarah Moss' Summerwater is a devastating story told over twenty-four hours in the Scottish highlands, and a

Are you yearning for a simpler existence? Find the rural escape of your dreams in this beautiful book from the creators of the wildly popular tumblr Cabin Porn. Created by a group of friends who preserve 55 acres of hidden forest in Upstate New York, Cabin Porn began as a scrapbook to collect inspiration for their building projects. As the collection grew, the site attracted a following, which is now a huge and obsessive audience. The site features photos of the most remarkable handmade homes in the backcountry of America and all over the world. It has had over 10 million unique visitors, with 350,000 followers on Tumblr. Now Zach Klein, the creator of the site (and a co-founder of Vimeo) goes further into the most alluring images from the site and new getaways, including more interior photography and how-to advice for setting up a quiet place somewhere. With their idyllic settings, unique architecture and cozy interiors, the Cabin Porn photographs are an invitation to slow down, take a deep breath, and feel the beauty and serenity that nature and simple construction can create.

DIVPerhaps the world's most distinctive tree, ginkgo has remained stubbornly unchanged for more than two hundred million years. A living link to the age of dinosaurs, it survived the great ice ages as a relic in China, but it earned its reprieve when

Download Ebook Cabins Escape To Nature Hidden Places Stylish Spa

people first found it useful about a thousand years ago. Today ginkgo is beloved for the elegance of its leaves, prized for its edible nuts, and revered for its longevity. This engaging book tells the full and fascinating story of a tree that people saved from extinction—a story that offers hope for other botanical biographies that are still being written./divDIV /divDIVInspired by the historic ginkgo that has thrived in London's Kew Gardens since the 1760s, renowned botanist Peter Crane explores the evolutionary history of the species from its mysterious origin through its proliferation, drastic decline, and ultimate resurgence. Crane also highlights the cultural and social significance of the ginkgo: its medicinal and nutritional uses, its power as a source of artistic and religious inspiration, and its importance as one of the world's most popular street trees. Readers of this extraordinarily interesting book will be drawn to the nearest ginkgo, where they can experience firsthand the timeless beauty of the oldest tree on Earth./div

An awe-inspiring collection of contemporary homes designed to foster a connection with the essential elements of landscape Living in Nature showcases a selection of architect-designed houses that have something fundamental in common: a special relationship with the natural world. The Stranger in the Woods

"Bearskin is visceral, raw, and compelling—filled with sights, smells, and sounds truly observed. It's a powerful debut and an absolute showcase of exceptional prose. There are very few first novels when I feel compelled to circle brilliant passages, but James McLaughlin's writing had me doing just that." —C.J. Box, #1 NYT bestselling author of *The Disappeared Rice Moore* is just beginning to think his troubles are behind him. He's found a job protecting a remote forest preserve in Virginian Appalachia where his main responsibilities include tracking wildlife and refurbishing cabins. It's hard work, and totally solitary—perfect to hide away from the Mexican drug cartels he betrayed back in Arizona. But when Rice finds the carcass of a bear killed on the grounds, the quiet solitude he's so desperately sought is suddenly at risk. More bears are killed on

Download Ebook Cabins Escape To Nature Hidden Places Stylish Spa

the preserve and Rice's obsession with catching the poachers escalates, leading to hostile altercations with the locals and attention from both the law and Rice's employers. Partnering with his predecessor, a scientist who hopes to continue her research on the preserve, Rice puts into motion a plan that could expose the poachers but risks revealing his own whereabouts to the dangerous people he was running from in the first place. James McLaughlin expertly brings the beauty and danger of Appalachia to life. The result is an elemental, slow burn of a novel—one that will haunt you long after you turn the final page.

The riveting novel from the #1 New York Times bestselling author of *The Liar*. "She stood in the deep, dark woods, breath shallow and cold prickling over her skin despite the hot, heavy air. She took a step back, then two, as the urge to run fell over her." Naomi Bowes lost her innocence the night she followed her father into the woods. In freeing the girl trapped in the root cellar, Naomi revealed the horrible extent of her father's crimes and made him infamous. No matter how close she gets to happiness, she can't outrun the sins of Thomas David Bowes. Now a successful photographer living under the name Naomi Carson, she has found a place that calls to her, a rambling old house in need of repair, thousands of miles away from everything she's ever known. Naomi wants to embrace the solitude, but the kindly residents of Sunrise

Download Ebook Cabins Escape To Nature Hidden Places Stylish Spa

Cove keep forcing her to open up—especially the determined Xander Keaton. Naomi can feel her defenses failing, and knows that the connection her new life offers is something she's always secretly craved. But the sins of her father can become an obsession, and, as she's learned time and again, her past is never more than a nightmare away.

Offers descriptions of resorts and inns throughout the United States and Canada which combine lodging in natural surroundings with modern amenities.
