Questa raccolta dell’opera di Verga vuole essere uno stimolo a rileggere un grande narratore che non solo fu il principale esponente di uno stile letterario e di un’epoca che tanto hanno influito sulle generazioni successive, ma che maturò una lezione artistica e morale di insostituibile valore. Dai grandi romanzi, testimonianza di quel travaglio quotidiano e di quella lotta disperata per la sopravvivenza che sembrano sospingere i più deboli verso un destino ineluttabile, il destino dei Vinti; ai romanzi brevi che tratteggiano i caratteri di un’umanità sempre dolente negli affetti e nei sentimenti; alle novelle che seguono la vita quotidiana dei personaggi più vari «fra le scene della vita»; alle messe in scena teatrali come Cavalleria rusticana alle sceneggiature inedite per il cinema: il cammino letterario di Giovanni Verga testimonia tutta la sua originalità e modernità. Al contrario infatti dell’amico e mentore Capuana che rimase aderente al Naturalismo, egli se ne distacca per usarlo solo come metodo, non come modello, e approda a un linguaggio per il quale accetta il termine “Verismo” inteso solo come necessità di «far vedere vivi e reali i personaggi come li incontriamo nella vita». I suoi personaggi «vivi e reali», attraverso un cammino epico, dalla disperazione e rassegnazione di fronte alla sorte che li schiaccia, riescono infine a parlare anche il linguaggio della rivolta e della denuncia sociale. Giovanni Verga nacque nel 1840 a Catania, dove trascorse la giovinezza. Nel 1865 fu a Firenze e successivamente a Milano, dove venne a contatto con gli ambienti letterari del tardo Romanticismo. Il ritorno in Sicilia e l’incontro con la dura realtà meridionale indirizzarono dal 1875 la sua produzione più matura all’analisi oggettiva e alla resa narrativa di tale realtà. Morì a Catania nel 1922. Di Verga la Newton Compton ha pubblicato I Malavoglia, Mastro-don Gesualdo, Storia di una capinera, Tutte le novelle e Tutti i romanzi, le novelle e il teatro.

The Fifth Room

The debut graphic novel from Thai-Italian illustrator Elisa Macellari, Papaya Salad tells the story of her great-uncle Sompong who found himself in Europe on military scholarship on the eve of World War II. A gentle and resolute man in love with books and languages, in search of his place in the world, Sompong chronicles his life during the war and falling for his wife, finding humor and joy even as the world changes irrevocably around him This Winner of the 2019 Autori di Immagini Silver Medal in the Comics category tells the human story of the War, from a perspective not typically seen. "An historical and emotional journey through my family and my roots that are grown between Europe and Asia. A personal narrative that needs to be shared and hopefully arouses empathy in the reader." -- Elisa Macellari

A fascinating analysis of the ways in which everyday objects are narrated to animate or realize certain versions of the world.

Twelve stories by the modern master of science fiction represent the evolution of his writing over a period of thirty-three years

The Orange Girl

da Manzoni a Pasolini

Su Verga novelliere

A fable for children and adults: a story of life, death, and terrorism—in the grand tradition of Exuепry’s The Little Prince When we first meet 93-year-old millionaire Baron Lamberto, he has been diagnosed with 24 life-threatening ailments—one for each of the 24 banks he owns. But when he takes the advice of an Egyptian mystic and hires servants to chant his name over and over again, he seems to not only get better, but younger. Except then a terrorist group lays siege to his island villa, his team of bank managers has to be bussed in to help with the ransom negotiations, and a media spectacle breaks out . . . A hilarious and strangely moving tale that seems ripped from the headlines—although actually written during the time the Red Brigades were terrorizing Italy—Gianni Rodari’s Lamberto, Lamberto, Lamberto has become one of Italy’s most beloved fables. Never before translated into English, the novel is a reminder, as Rodari writes, that “there are things that only happen in fairytales.”

"Jean Genet's The Screens, hailed by many to be Genet's masterpiece, was staged in Paris in 1966 by the Jean-Louis Barrault-Madeleine Renaud Company. During the several months of rehearsals which Genet attended, he wrote a series of letters and notes to Roger Blin giving his views on every aspect of the staging of The Screens. His comments deal with the details of that play and that production, but also transcend them. What the book adds up to is a precise and fascinating compilation of Jean Genet's concept of the theater."--Page 4 of cover.

In the spring of 1750 children began to disappear from the streets of Paris as they made their way to school, as they ran errands for their parents, even from the presence of their parents-- no child was safe. Astonishing rumors quickly spread ... In fact, the police had been given sweeping powers of arrest to control the problems of vagrancy; some were clearly abusing that power. An atmosphere of mounting fear and suspicion between the populace and the police erupted in a two-day series of riots which culminated in the lynching and murder of an alleged abductor. The authors use this incident to view broader issues concerning the power of rumor, the logic of mob psychology, and the exercise of authority and the maintenance of peace in Paris under the Ancien Régime.

Man of Smoke

Opere di Giovanni Verga

Constantinople

La collezione completa di novelle di Giovanni Verga, tra le quali la raccolta pubblicata nel 1880 con il titolo “Vita dei campi”. Il mondo elementare degli umili si sostituisce a quello artefatto della società oziosa e romantica dei suoi primi romanzi e lo stile diventa agile e scarno. Pur mutando tono e personaggi la passione rimane il movente principale dell’azione: l’ardore dei sensi, la gelosia e la vendetta sono le forze oscure che determinano il tragico destino dei personaggi. Vale la pena spendere due parole anche a proposito della raccolta, pubblicata nel 1883, con il titolo di “Novelle Rusticane”. Può considerarsi un’anticipazione di “Mastro don Gesualdo”, di cui condivide il motivo dominante: l’attaccamento alla “roba”. Dal pathos violento delle novelle della “Vita dei campi” si passa qui a un umorismo doloroso in cui l’impeto delle passioni è irriso dall’inflessibile durezza del destino. Nota: gli e-book editi da E-text in collaborazione con Liber Liber sono tutti privi di DRM; si possono quindi leggere su qualsiasi lettore di e-book, si possono copiare su più dispositivi e, volendo, si possono anche modificare. By the author of the Newbery Honor book Belle Prater’s Boy It is the mid-1950s, and Lyrics family’s dream is finally coming true -- they are moving from the backwoods of southwest Virginia to Flint, Michigan, where her father hopes to get an assembly-line job for a car manufacturer. Thirteen-year-old Lyric has always been close to and admired her older sister, Summer, who is pretty and popular. But in their new hometown, Summer unexpectedly and drastically changes. She becomes remote, speaks gibberish, stops taking care of her appearance, went go to high school, and then seems to have hallucinations. Lyric and her father try to cope with the devastating effects of Summers mental illness, but, sadly, there is no bringing the old Summer back. Ruth White has written a heart-wrenching novel which, despite the sad and serious subject matter, offers readers humor and hope and most of all love.

'My father died eleven years ago. I was only four then. I never thought I'd hear from him again, but now we're writing a book together' To Georg Røed, his father is no more than a shadow, a distant memory. But then one day his grandmother discovers some pages stuffed into the lining of an old red pushchair. The pages are a letter to Georg, written just before his father died, and a story, 'The Orange Girl'. But 'The Orange Girl' is no ordinary story - it is a riddle from the past and centres around an incident in his father's youth. One day he boarded a tram and was captivated by a beautiful girl standing in the aisle, clutching a huge paper bag of luscious-looking oranges. Suddenly the tram gave a jolt and he stumbled forward, sending the oranges flying in all directions. The girl simply hopped off the tram leaving Georg's father with arms full of oranges. Now, from beyond the grave, he is asking his son to help him finally solve the puzzle of her identity.

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

An in-depth study detailing how members of a small Italian community use both traditional practices and expressive forms taken from popular culture to grapple with the social changes brought about by modernity.

A cura di Sergio Campailla Edizione integrale Parte fondamentale della narrativa di Verga, le novelle segnano tutto l’arco della complessa evoluzione artistica e civile del grande scrittore siciliano. Ora come anticipazione della svolta veristica (Nedda), ora come accompagnamento e pendant dei romanzi della compiuta maturità (le raccolte di Vita dei campi e le Novelle rusticane), oppure come espressione e rielaborazione del tormentato periodo di vita milanese (i racconti di Per le vie), su su fino alla dichiarazione di fallimento del verismo (Don Candeloro e C.i) passando attraverso lo studio delle “classi alte” (I ricordi del capitano d’Arce), la novellistica raccolta in questo volume affronta le grandi tematiche sviluppate nei Malavoglia e in Mastro-don Gesualdo: la lotta incessante e disperata per la sopravvivenza, il conflitto per il bisogno e per il possesso della “roba”, il dibattersi impotente dei vinti prima di essere trascinati nel gorgo immutabile segnato dal destino. Giovanni Verga nacque nel 1840 a Catania, dove trascorse la giovinezza. Nel 1865 fu a Firenze e successivamente a Milano, dove venne a contatto con gli ambienti letterari del tardo Romanticismo. Il ritorno in Sicilia e l’incontro con la dura realtà meridionale indirizzarono dal 1875 la sua produzione più matura all’analisi oggettiva e alla resa narrativa di tale realtà. Morì a Catania nel 1922. Di Verga la Newton Compton ha pubblicato I Malavoglia, Mastro-don Gesualdo, Storia di una capinera e Tutti i romanzi, le novelle e il teatro.

Tutte le novelle

Shamanism is commonly understood through reference to spirits and souls. However, these terms were introduced by Christian missionaries as part of the colonial effort of conversion. So, rather than trying to comprehend shamanism through medieval European concepts, this book examines it through ideas that started developing in the West after encountering Amerindian shamans. Microbes and Other Shamanic Beings develops three major arguments: First, since their earliest accounts Amerindian shamanic notions have had more in common with current microbial ecology than with Christian religious beliefs. Second, the human senses allow the unaided perception of the microbial world; for example, entoptic vision allows one to see microscopic objects flowing through the retina and shamans employ techniques that enhance precisely these kinds of perception. Lastly, the theory that some diseases are produced by living agents acquired through contagion was proposed right after Contact in relation to syphilis, an important subject of pre-Contact Amerindian medicine and mythology, which was treasured and translated by European physicians. Despite these early translations, the West took four centuries to rediscover germs and bring microbiology into mainstream science. Giraldo Herrera reclaims this knowledge and lays the fundamentals for an ethnomicrobiology. It will appeal to anyone curious about shamanism and willing to take it seriously and to those enquiring about the microbiome, our relations with microbes and the long history behind them.

Who Put That Hair in My Toothbrush? Sibling rivalry at its finest! Whether it's on the hockey ice, at school, or at home, Greg and Megin just can't seem to get along. She calls him Grosso, he calls her Megamouth. They battle with donuts, cockroaches, and hair. Will it take a tragedy for them to realize how much they actually care for each other?

Questo volume comprende integralmente le prime, più celebri raccolte di Giovanni Verga, dagli esperimenti iniziali alle novelle siciliane (Vita dei campi e Novelle rusticane) e milanesi (Per le vie). Ogni racconto si regge sull’invenzione di situazioni e personaggi memorabili, scolpiti con uno stile teso e incisivo, in grado di cogliere la problematica sociale dell’ambiente contadino e cittadino, così come il fondo tragico della condizione umana. L’esauriente apparato di note mira, non solo a correggere il testo delle necessarie esplicazioni storico-linguistiche, ma a porre in luce i passaggi cruciali dell’operazione narrativa, a suggerire le interpretazioni dei significati fondamentali.

Microbes and Other Shamanic Beings

My Name is Mina

Edizione nazionale delle opere di Giovanni Verga

Garzanti - Gli Elefanti

La Quinta Camera

Elizabeth Stavelay sits in the Bodleian Library, her hands trembling as she holds a fragment of parchment, the key to a story untold for four hundred years ... Constantinople 1599: the English merchant Paul Pindar must deliver an extraordinary gift to the Sultan. Grieving for his lost love, drowned in a shipwreck, he hears rumours of a new golden-haired slave in the Sultan's harem. Could this be his Celia?

There's an empty notebook lying on the table in the moonlight. It's been there for an age. I keep on saying that I'll write a journal. So I'll start right here, right now. I open the book and write the very first words: My name is Mina and I love the night. Then what shall I write? I can't just write that this happened then this happened then this happened to boring infinitum. I'll let my journal grow just like the mind does, just like a tree or a beast does, just like life does. Why should a book tell a tale in a dull straight line? And so Mina writes and writes in her notebook, and here is her journal, Mina's life in Mina's own words: her stories and dreams, experiences and thoughts, her scribblings and nonsense, poems and songs. Her vivid account of her vivid life. In this stunning book, David Almond revisits Mina before she has met Michael, before she has met Skellig. Shortlisted for the 2012 Carnegie Medal.

Andreas Huyssen explores the history and theory of metropolitan miniatures–short prose pieces about urban life written for European newspapers. His fine-grained readings open vistas into German critical theory and the visual arts, revealing the miniature to be one of the few genuinely innovative modes of spatialized writing created by modernism.
