

Carole King Sheet Music

As seen on public television stations nationwide, a revolutionary new approach to playing non-classical music on the piano. Have you ever wished you could play the piano Well, now you can! Scott "The Piano Guy" Houston teaches you to play the way the pros play, in a style enormously simpler than traditional classical piano and with an absolute minimum of note-reading. By focusing on playing the melody with the right hand (one note at a time) and simple chords with the left hand, Houston gives you the tools you need for a lifetime of musical enjoyment. Best of all, your tour guide to this adventure forces you to have fun along the way! (Piano/Vocal/Guitar Artist Songbook). 19 songs from one of the first MTV megastars: Fire and Ice * Heartbreaker * Hell Is for Children * Hit Me with Your Best Shot * Invincible * Love Is a Battlefield * Sex As a Weapon * Shadows of the Night * We Belong * You Better Run * and more.

Read the New York Times Bestselling memoir that is "revealing, humble, and cool-aunt chatty" about the incredible life that inspired the hit Broadway musical Beautiful (Rolling Stone). Carole King takes us from her early beginnings in Brooklyn, to her remarkable success as one of the world's most acclaimed songwriting and performing talents of all time. A Natural Woman chronicles King's extraordinary life, drawing readers into her musical world, including her phenomenally successful #1 album Tapestry, and into her journey as a performer, mother, wife and present-day activist. Deeply personal, King's long-awaited memoir offers readers a front-row seat to the woman behind the legend. The book will include dozens of photos from King's childhood, her own family, and behind-the-scenes images from her performances.

A Memoir

Carole King's Tapestry is both an anthemic embodiment of second-wave feminism and an apotheosis of the Laurel Canyon singer-songwriter sound and scene. And these two elements of the album's historic significance are closely related insofar as the professional autonomy of the singer-songwriter is an expression of the freedom and independence women of King's generation sought as the turbulent sixties came to a close. Aligning King's own development from girl to woman with the larger shift in the music industry from teen-oriented singles by girl groups to albums by adult-oriented singer-songwriters, this volume situates Tapestry both within King's original vision as the third in a trilogy (preceded by Now That Everything's Been Said and Writer) and as a watershed in musical and cultural history, challenging the male dominance of the music and entertainment industries and laying the groundwork for female dominated genres such as women's music and Riot Grrrl punk.

The classic collection of candid interviews with the greatest songwriters of our time, including Bob Dylan, Brian Wilson, Patti Smith, Paul Simon, Tom Petty, and dozens more This expanded fourth edition of Songwriters on Songwriting includes ten new interviews—with Alanis Morissette, Lenny Kravitz, Lou Reed, and others. In these pages, sixty-two of the greatest songwriters of our time go straight to the source of the magic of songwriting by offering their thoughts, feelings, and opinions on their art.

Representing almost every genre of popular music, from blues to pop to rock, here are the figures that have shaped American music as we know it.

A collection of Joni Mitchell's finest songs, arranged for piano, voice and guitar.

(Keyboard Recorded Versions). This terrific collection features 20 of Elton John's best songs: Bennie and the Jets * Candle in the Wind * Crocodile Rock * Daniel * Don't Go Breaking My Heart * Goodbye Yellow Brick Road * Honky Cat * Rocket Man * Tiny Dancer * and more.

This collection of easy piano arrangements from the musical includes 14 songs: Beautiful * I Feel the Earth Move * It's Too Late * (You Make Me Feel Like) a Natural Woman * So Far Away * Take Good Care of My Baby * You've Got a Friend * and more.*

A groundbreaking and irresistible biography of three of America's most important musical artists—Carole King, Joni Mitchell, and Carly Simon—charts their lives as women at a magical moment in time. Carole King, Joni Mitchell, and Carly Simon remain among the most enduring and important women in popular music. Each woman is distinct. Carole King is the product of outer-borough, middle-class New York City; Joni Mitchell is a granddaughter of Canadian farmers; and Carly Simon is a child of the Manhattan intellectual upper crust. They collectively represent, in their lives and their songs, a great swath of American girls who came of age in the late 1960s. Their stories trace the arc of the now mythic sixties generation—female version—but in a bracingly specific and deeply recalled way, far from cliché. The history of the women of that generation has never been written—until now, through their resonant lives and emblematic songs. Filled with the voices of many dozens of these women's intimates, who are speaking in these pages for the first time, this alternating biography reads like a novel—except it's all true, and the heroines are famous and beloved. Sheila Weller captures the character of each woman and gives a balanced portrayal enriched by a wealth of new information. Girls Like Us is an epic treatment of midcentury women who dared to break tradition and become what none had been before them—confessors in song, rock superstars, and adventurers of heart and soul.

Includes chord symbols and guitar chord diagrams.
