16-year-old Clary Fray is an ordinary teenager, who likes hanging out in Brooklyn with her friends. But everything changes the night she witnesses a murder, committed by a group of teens armed with medieval weaponry.

A very special anthology that's a must for all fans of the Shadowhunter novels! Featuring characters from Cassandra Clare's international best-selling novels from the Shadowhunters world including The Mortal Instruments, The Infernal Devices and The Dark Artifices, this anthology showcases beautifully illustrated portraits from Cassandra Jean – creator of The Shadowhunter Tarot – alongside never-before-known details from Cassandra Clare about all your favourite characters.

Clary continues trying to make sense of her swiftly changing life as she becomes further involved with the Shadowhunters and their pursuit of demons and discovers some terrifying truths about her parents and others close to her.

"Darkness has descended on the Shadowhunter world. Chaos and destruction overwhelm the Nephilim as Clary, Jace, Simon, and their friends band together to fight the greatest evil they have ever faced: Clary's own brother. Nothing in this world can defeat Sebastian--but if they journey to the realm of demons, they just might have a chance.."--

Look out of the window. See a bird. Enjoy it.

Congratulations. You are now a bad birdwatcher. Anyone who has ever gazed up at the sky or stared out of the window knows something about birds. In this funny, inspiring, eye-opening book, Simon Barnes paints a riveting picture of how bird-watching has framed his life and can help us all to a better understanding of our place on this planet. How to be a bad birdwatcher shows why birdwatching is not the preserve of twitchers, but one of the simplest, cheapest and most rewarding pastimes around.

The second installment of the graphic novel adaptation of Cassandra Clare's bestselling The Mortal Instruments! As mysterious murders threaten the new peace between Shadowhunters and Downworlders, only Simon, the Daylighter vampire, can help bring both groups together.

One of Jane Austen's most charming youthful "novels"-in-miniature—presented in

a deluxe illustrated edition that will delight all Austen fans Most people think Jane Austen wrote only six novels. Fortunately for us, she wrote several others, though very short ones, while still a young girl. Austen was only twelve or thirteen when she wrote The Beautifull Cassandra, an irreverent and humorous little masterpiece. Weighing in at 465 occasionally misspelled words, it is a complete and perfect novel-in-miniature, made up of a dedication to her older sister Cassandra and twelve chapters, each consisting of a sentence or two. Narrating the slightly criminal adventures of the sixteen-year-old title character, The Beautifull Cassandra gives us Austen’s most irrepressible heroine, who, after stealing a hat, leaves her mother’s shop to flounce around London, eating ice cream (without paying), taking coach rides (without paying), and encountering handsome young ladies and gentlemen (without speaking)—all to return home hours later with whispered joy: “This is a day well spent.” This charming edition features elegant and edgy watercolor drawings by Leon Steinmetz and is edited by leading Austen scholar Claudia L. Johnson. In her illuminating afterword, Johnson calls The Beautifull Cassandra “among the most brilliant and polished” of Austen’s youthful writings—a precocious work written for the amusement of her family but already anticipating her mature irony, sense of the absurd, gift for parody, and, above all, stylistic mastery. The result is a marvelous edition of a literary treasure that is sure to delight.

The first installment of Cassandra Clare's bestselling urban fantasy series, The Mortal Instruments, is adapted into a graphic novel series! Hanging out with her

best friend, Simon, is just about the most exciting thing in Clary's life...that is, until she realizes there are people only she can see. But when her mother disappears and a monster attacks her, Clary has to embrace a world that she never even knew existed--a world full of vampires, werewolves, demons, and those who fight for the humans, Shadowhunters...

The third installment of the graphic novel adaptation of Cassandra Clare's bestselling The Mortal Instruments! With the truth about her family brought to light, Clary just wants to find a way to return to as normal a life as possible. But with Downworlders being killed around the city and Jace in serious trouble, it might be time for her to stand up and grab the power she never even knew she had inside her... The suspense keeps building! What will happen to these beloved characters, brought to life by Cassandra Jean's lush artwork and beautiful color illustrations? Includes a brand-new, exclusive scene written by Cassandra Clare!

she has loved since childhood. She has a new life in London with her best friend Lucie Herondale and James's charming companions, the Merry Thieves. She is about to be reunited with her beloved father. And she bears the sword Cortana, a legendary hero's blade. But the truth is far grimmer. James and Cordelia's marriage is a lie, arranged to save Cordelia's reputation. James is in love with the mysterious Grace Blackthorn whose brother, Jesse, died years ago in a terrible accident. Cortana burns Cordelia's hand when she touches it, while her father has grown bitter and angry. And a serial murderer is targeting the Shadowhunters of London, killing under cover of darkness, then vanishing without a trace. Together with the Merry Thieves, Cordelia, James, and Lucie must follow the trail of the knife-wielding killer through the city's most dangerous streets. All the while, each is keeping a shocking secret: Lucie, that she plans to raise Jesse from the dead; Cordelia, that she has sworn a dangerous oath of loyalty to a mysterious power; and James, that he is being drawn further each night into the dark web of his grandfather, the arch-demon Belial. And that he himself may be the killer they seek.

Is love worth betraying everything? Plunge into the second adventure in the internationally bestselling Mortal Instruments series and “prepare to be hooked” (Entertainment Weekly). Clary Fray just wishes that her life would go back to normal. But what's normal when you're a demon-slaying Shadowhunter, your mother is in a magically induced coma, and you can suddenly see Downworlders like werewolves, vampires, and faeries? If Clary left the world of the Shadowhunters behind, it would mean more time with her best friend, Simon, who's becoming more than a friend. But the Shadowhunting world isn't ready to let her go -- especially her handsome, infuriating, newfound brother, Jace. And Clary's only chance to help her mother is to track down rogue Shadowhunter Valentine, who is probably insane, certainly evil--and also her father. To complicate matters, someone in New York City is murdering Downworlder children. Is Valentine behind the killings--and if he is, what is he trying to do? When the second of the Mortal Instruments, the Soul-Sword, is stolen, the terrifying Inquisitor arrives to investigate and zooms right in on Jace. How can Clary stop Valentine if Jace is willing to betray everything he believes in to help their father? In this
