InsidersChoice To CFA 2011 Level I Certification The purpose of The
Candidate's guide is to supply you the information and practice required
to pass the CFA Level I exam. It is the first in a series of three exams, in
addition to industry experience, needed to obtain the CFA designation.
Once you have passed the CFA Level I exam, you are considered to have
mastered the basics and the general breadth, but not the depth, of the
information necessary to function as an analyst in today's global

economy. The Candidate's Guide Tutorials provides two main sections for each Study Session: 1. Book / eBook CFA Curriculum, including Concept Checks 2. Self Help and Interactive Exam Study Aid Software You begin your studies with the CFA Curriculum on Page 1. Continue your studies page-by-page; the learning outcome statements (LOS) have been re-ordered, where necessary, to make learning more intuitive than in the CFA Institute's Study Guide. Our concise writing style minimizes learning time, and there are numerous Examples to help you master every LOS. Study Guide command words are boldface in the LOS title; the examiners expect that your knowledge reflects the command word. It is suggested that you first read the Learning Outcome Statements to get familiar with the section, and answer the Assessment questions provided within the program to determine your weakest topics. Each Specific Study Session question database consists of 40+ multiple choice questions with a level of difficulty and design similar to that of the CFA examination itself. Allow 60 minutes to complete each Adaptive Exam (90 seconds per question). Adaptive Exam questions are unique to The Candidate's Guide Tutorials, so if you have also purchased other Level I Mock Exam (Morning or Afternoon Sessions) rest assured that our

Adaptive Exam questions will not be repeated there. Concept Checks complete each Reading Assignment and they consist of questions to reinforce your knowledge. Answers to Concept Check questions are the end of each Study Session. Included with this title is download software designed to help you study for the CFA Level 1 exam by presenting simulated exams and study sessions using the question and answer format. Drawing questions from a 3000+ question database, the Financial Exam Quizzer software exam engine gives you the capability of a Study Session, a testing environment, and Flash Card environment with the look and feel of the actual CFA exam. In order to

pass you must be properly prepared. You should also know that if you need to take the exam a second time, you can expect a completely different selection of questions. testing software that accompanies this book offers you four helpful testing formats: " 1) Adaptive Exams generate questions in 1-hour sessions to help you identify your strengths and weaknesses in each exam category. You save hours by then focusing your available study time on bringing your weakest knowledge areas up to a passing level. We recommend that you start by taking three adaptive exams and reading your scores. Our software keeps track of how you perform and develops a Historical Analysis, which visually shows you exactly how you are scoring in each exam category. 2) Study Sessions help strengthen your weakest knowledge areas by generating up to 240 questions per exam category until you can answer each correctly. We go beyond simple answers by giving you thorough explanations that are linked to a page number reference to the relevant CFA Institute assigned reading and to specific chapters in an accompanying eBook. 3) Simulated Exams are timed 6-hour exams with a 1.5-hour break and comprised of 240 questions about all of the exam categories-just like the real CFA exam. You may review each question that you answered, identify a learning resource, link to a specific chapter in an accompanying eBook for further explanation. 4) Flash Card Drills present questions to answer mentally

and then allow you to click F4 to display the correct answer. Since you can never have too many practice questions, you'll also want to get the companion Volume 2 for an additional set of 450 questions.
