entertainment, and royalty. In this 1900 work, a smaller companion to his now-classic Language of the Hand, Cheiro introduces us to the paranormal realm he most often utilized: palm reading, also known as cheiromancy (from which he borrowed his stage name). From what the size and shape of the thumb says about a person's character—as much as those of the nose do!—to interpreting the lines of the palm, here is everything you need to

So it's your call: Can trust him to accurately assess your character based solely on the month of your birth? In this book, first published in 1912, he "reveals": . which birth month is known for producing people who are "excellent in diplomacy," who "dazzle their listeners

Palmistry for All

This book is about understanding equations of relationships with the help of Vedic Astrology. One cannot ignore the importance of relationships in life and always desires to be loved and respected by others. The book gives an approach for making relationships better if one understands the potential of planets in the birth chart. By understanding

the weak and strong points in the chart one can mould himself accordingly and move in the right direction to get the desired result and improve his relationships and living.. In each chapter - the converse charts are taken to describe the events however it advisable that no prediction should be made by studying the charts on the surface only. All factors should be taken into consideration while predicting an event and the reading should be done by scientific approach only. A special chapter in the beginning is given for

the reader to make him understand the terminology and its role in understanding the chart which will then enable him to understand and improve his relations via Vedic Astrology easily. Though the calculative part has been explicitly ignored to make reading easy, the combinations, the in depth analysis and use of simple tools, the use of converse charts and their analysis will stimulate the mind for deep study and make it interesting for all. Each chapter is supported with suitable examples. All cases taken are

genuine and supported by real incidents. The book is a result of some authentic research done by the author over the years.

Understanding Relations - The Vedic Astrology Way

The Life and Times of Jaipal Singh Munda' is a biography of the legendary leader, hockey genius—who as the Captain, led India Hockey Team to Gold at Amsterdam Summer Olympics, 1928, a voice of the voiceless Adivasis, a Member of the Constituent Assembly and a brain to Fifth Schedule and Sixth Schedule of the Constitution, an excellent orator and man who conceived to rescue 'Jharkhand' from the womb of history. An M.A. (Economics) from Oxford and an Oxford Hockey Blue, Jaipal quit

coveted ICS career to lead Indian team at Olympics—only Olympics in history where the Gold medalist team did not concede a single goal to rivals in the entire tournament.

Legendary Major Dhyan Chand was a member of this team. Though married into the family of Indian National Congress President W.C.

Bonnerjee, Jaipal dared to go against his own in-laws and formed 'Jharkhand Party' in order to lead his 'Adivasi' people to statehood by literally becoming a thorn in the Congress politics.

Jaipal was the President of Oxford Indian Majlis, a debating society. As the Principal of Rajkumar College, Raipur, Jaipal organised a football

match in Calcutta, at which the school commoners played football with the royal princes of India.
