The debut cookbook from the Saveur blog award-winning Internet expert on making eating cheap dependably delicious As a college grad during the recent great recession, Beth Moncel found herself, like so many others, broke. Unwilling to sacrifice eating healthy and well—and armed with a degree in nutritional science—Beth began tracking her costs with obsessive precision, and soon cut her grocery bill in half. Eager to share her tips and recipes, she launched her blog, Budget Bytes. Soon the blog received millions of readers clamoring for more. Beth's eagerly awaited cookbook proves cutting back on cost does not mean cutting back on taste. Budget Bytes has more than 100 simple, healthy, and delicious recipes, including Greek Steak Tacos, Coconut Chicken Curry, Chorizo Sweet Potato Enchilada, and Teriyaki Salmon with Sriracha Mayonnaise, to name a few. It also contains expert principles for saving in the kitchen—including how to combine inexpensive ingredients with expensive to ensure that you can still have that steak you're craving, and information to help anyone get acquainted

Go from Beginner to Pro with 60 Recipes and Essential Techniques

Read Book Children S Cookbook Delicious Step By Step Recipe

We created this book for children, but we recommend it for adults as well. It's for those who don't like to read boring bricks of text but prefer to get right down to business, learning skills as they go. You won't find a book easier to use than this one. Not only does it have illustrated recipes for delicious dishes with concise, detailed descriptions, but it also has important information about the basics of baking that we've simplified and illustrated. The recipes have been tested by many people. We've chosen the best ones. Recipes that have received the highest ratings. Meticulously tested and proven. Only popular and very tasty dishes. The dishes are varied, taken from different cuisines. Sweet and savory, festive, and healthy, vegan and even meat. You'll find both familiar classics and exotic new recipes. Most of them are sweet and sure to please children. Different baking techniques are used to teach and develop your child's key kitchen skills. Simple, but not primitive. Easy to make. Recipes are broken down into 3 categories of difficulty, but even the most difficult ones are manageable for a child. Most recipes require 3 to 10 ingredients. Don't require gourmet ingredients. Chances are you already have everything you need, or you can find it at the nearest supermarket, regardless of the country you live in. In addition, there are substitution options for many of the ingredients. Most recipes require only the most basic cooking utensils. And even for those, there are substitution options: no microwave -- make a water bath; no mixer -- use a whisk. Not just recipes. The book will teach your kids the basics of baking. It's as easy as 1 - 2 - 3. Your child

Read Book Children S Cookbook Delicious Step By Step Recipe

will not be confused. The book contains illustrated instructions on every necessary step: from washing their hands before they start to cleaning up after themselves afterward. A clearly illustrated safety manual that your child won't skip. It's clear and simple enough to grasp after one read-through. The book introduces key baking terminology in a simple, visual way. It's better to show with a picture what "knead" or "grease" means than to explain in words. Not only can a child cook the chosen dish easily, he or she will find an interesting fact about it at the end of the recipe. This book can serve you for a lifetime! Even a 4-year-old child can understand the book, because it illustrates in detail absolutely every action, ingredients, and even tools. Children will love the fun illustration style and the cute, friendly kitten character. Simple, short, but comprehensive comments on the steps will be easily understood by an older child. Even adults will enjoy using this book. The recipes here are versatile, and the information is instantly readable. These recipes aren't just for once. They are suitable for many different situations, from Christmas or birthdays to an everyday breakfast or picnic. You'll want to cook them again and again! The book is very easy to navigate. The ingredient quantities are given in both metric and imperial systems at a glance. It has the Cooking Time Index and the Occasion Index. Steps which might require adult supervision are marked with a special red icon. Each recipe has a notes page where you can rate the recipe, make adjustments, and write in personalized options. This large, bright, and beautiful 467-page book makes a great gift. There is a bonus coloring page

included absolutely free for kids of all ages to enjoy. Pick up your copy today and get your kids excited about baking!

Jenny Chandler, author of *Cool Kids Cook*, teaches the cooks of the future how to eat well, how to look after themselves and think about the planet at the same time. Including over 50 easy and adaptable recipes and special feature spreads on the environment, simple ways to be more eco-friendly and even a few fun crafting projects, this will be a book to really engage the next generation of foodies in a positive way. There is a massive rise in interest in veganism, vegetarian cooking and reducing meat consumption and, whilst this book will not be purely plant-based, the world of vegetables, grains, pulses, nuts and seeds will be at its core, with the odd tip about using sustainable meat and fish. There are many 'green' cookbooks on the market for adults, but a lack of anything inspiring for children. It 's undeniable that, with rising levels of obesity and all the related health issues, we need to get kids eating more veg; there can be no better way to get children eating more greens than letting them take the reins in the kitchen. Where Jenny 's earlier book, *Cool Kids Cook*, focused on classic family recipes and basic techniques, *Green Kids Cook* is about learning to cook and eat in the most environmentally sound and sustainable way we can, and having fun with it too - with recipes for Breakfasts, Snacks, Soups & Salads, Mains and Sweets, this is an inspirational and empowering cookbook for kids everywhere.

A great way to get kids cooking - delicious bakes to
