In the quest for the truth, you need to know what you believe and why you believe it. Who Made God? offers accessible answers to over 100 commonly asked apologetic questions. Bringing together the best in evangelical apologists, this guide is standard equipment for Christians who want to understand and talk about their faith intelligently. Part one answers tough questions about the Christian faith such as: • Who made God? • How can there be three persons in one God? • What is God’s ultimate purpose in allowing evil? • Where did the universe come from? • How long are the days of creation in Genesis? • Did Jesus rise from the dead? • Are the records of Jesus’ life reliable? • Does the Bible have errors in it?Part two answers tough questions about other faiths, including Islam, Mormonism, Hinduism, Transcendental Meditation, Yoga, Reincarnation, Buddhism, and Black Islam. Relevant stories, questions for reflection and discussion, and a comprehensive list of suggested resources help you dig deeper so you can be prepared to give careful answers that explain the reasons for your faith.

It is delightful to see that there are millions of people who still yearn for the truth. Every day, most humans are trying to be better people, and seek only for sensibility and certainty in a world full of doubts. However, the vast changes that are happening in the era of the 21st century are slowly tarnishing the minds of individuals. Human’s worldly perspectives are tremendously influencing people’s views in life. Even the innocents are victims of heavily altered instructions when it comes to education, culture, spiritual beliefs and practices. By continuously doing what is not ethical, we unknowingly falling into the grave that the legions of gloom created for us. We are losing the wonderful kingdom- the realm of peace, happiness, and everlasting life- that God promised for his people. Don't let yourself go down into the pit of sin, and regretfully ask at the end, Do I have a place in heaven?

Acts 2:27 because thou wilt not leave my soul in hell, neither wilt thou suffer thine Holy One to see corruption. So, if person dies without knowing the Lord, he goes to hell and his soul is tormented until the day of judgment and when the day of judgment comes, Jesus assemble everybody together and those didn't work with him are now cast into the hell of fire. Hell fire is real, when some people stay under the Sun, and in few minutes they will start complaining about their skin, complaining they're getting dark, complaining their body is on fire, a day will come that people will come to Stay in a place for eternity, you have all opportunity today to decide where you will go, if God would allow this world to continue the way it's going, then God needs to apologize to Sodom and Gomorrah, because Sodom and Gomorrah had no Bible nor Pastor, no Bible study no prayer meeting, if they have had, they might change, they had no one to preach for them, they had no one to instruct them. There is news I read about a master who discovered his PA was defrauding him and he gave him some time to pay back the money but the PA went ahead later to butcher his boss' body till he died, I always say (wicked people don't change, immediately you notice them, cast them out). If the world continues to go like this, God has to apologize to Sodom and GomorrahRead This Book and Be Blessed

Best-selling author Andrew Wommack shares his personal story of when he was young and strapped financially. God taught him how to have abundance in the area of finances. Andrew discusses the influence of money in our lives and how it is very real. He teaches that Jesus taught more about managing resources than He did on prayer or even faith. He exposes the manipulation that sometimes goes on with Christian ministers and how you can be immune from it. Andrew Wommack's message is clear that even though there are abuses in the body of Christ regarding money, that you can still benefit from the truths in God's Word about finances. He believes that by fixing your heart that you deal with the root cause of financial situations and then money will take care of itself. Once your heart is right, using wisdom in how you spend your money comes naturally.

*This book investigates the ways in which soft power is used by African countries to help drive global influence. Selecting four of the countries most associated with soft power across the continent, this book delves into the currencies of soft power across the region: from South Africa's progressive constitution and expanding multinational corporations, to Nigeria's Nollywood film industry and Technical Aid Corps (TAC) scheme, Kenya's sport diplomacy, fashion and tourism industries, and finally Egypt's Pan-Arabism and its reputation as the cradle of civilization. The book asks how soft power is wielded by these countries and what constraints and contradictions they encounter. Understandings of soft power have typically been driven by Western scholars, but throughout this book, Oluvasun Tella aims to Africanise our understanding of soft power, drawing on prominent African philosophies, including Nigeria's Omolúwábí, South Africa's Ubuntu, Kenya's Harambee, and Egypt's Pharaonism. This book will be of interest to researchers from across political science, international relations, cultural studies, foreign policy and African Studies. *Anyone Can Be Saved* articulates a biblical-theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States. Ten scholars, pastors, and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture, the Baptist Faith and Message, and a variety of biblical, theological, and philosophical writings. Although many books address the doctrine of salvation, these authors consciously set aside the Calvinist-Arminian presuppositions that have framed this discussion in western theology for centuries. The contributors are unified in their conviction that any person who hears the gospel can be saved, a view that was found among earlier Baptists as well as other Christian groups today. This book is not meant to be the final word on Southern Baptist soteriology, but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation.
