

## Cleopatra La Regina Che Sfido Roma E Conquistò L

This introduction to sharks discusses anatomy, prey, origins, relationship with humans, and their seven senses

SHORTLISTED FOR THE HWA DEBUT CROWN 2018 \*\*\* A RADIO 2 BOOK CLUB PICK \*\*\* 'A perfect hammock read for those who love the Brontë sisters and Jodi Picoult in equal measure' PUBLISHERS WEEKLY Elizabeth grew up in a lighthouse, inseparable from her enigmatic twin sister Emily. Their father, the lightkeeper, kept a journal of his observations and their daily life. When those journals are discovered on a shipwrecked boat, many decades later, Elizabeth is living in a retirement home and her eyesight is failing. She enlists the help of a troubled teenager, Morgan, to read to her, and an unlikely friendship grows between the two. But as Morgan reads on, Elizabeth discovers that the past revealed is not as she remembers it, and that the journal may contain answers to unexplained events that have haunted her all her life . . .

This voyage of exploration chronicles twenty-four hours in the life of a Roman patrician, beginning at dawn on an ordinary day in the year 115 A.D., with Imperial Rome at the height of its power.

In this unconventional and accessible history, Italian best-seller Alberto Angela literally follows the money to map the reach and power of the Roman Empire. To see a map of the Roman Empire at the height of its territorial expansion is to be struck by its size, stretching from Scotland to Kuwait, from the Sahara to the North Sea. What was life like in the Empire, and how were such diverse peoples and places united under one rule? The Reach of Rome explores these questions through an ingenious lens: the path of a single coin as it changes hands and traverses the vast realms of the empire in the year 115. Admired in his native Italy for his ability to bring history to life through narrative, Alberto Angela opens up the ancient world to readers who have felt intimidated by the category or put off by dry historical tomes. By focusing on aspects of daily life so often overlooked in more academic treatments, the Reach of Rome travels back in time and shows us a world that was perhaps not very different from our own. And by following the path of a coin through the streams of commerce, we can touch every corner of that world and its people, from legionnaires and senators to prostitutes and slaves. Through lively and detailed vignettes all based on archeological and historical evidence, Angela reveals the vast Roman world and its remarkable modernity, and in so doing he reinforces the relevance of the ancient world for a new generation of readers.

Looks at the search for evidence concerning human evolution, describes what can be learned from fossils, and depicts the life of prehistoric people

Riccardo III • Romeo e Giulietta • Giulio Cesare • Macbeth • Amleto • Re Lear • Otello • Antonio e CleopatraIntroduzione di Tommaso PisantiEdizioni integraliLe malinconie e la follia (con metodo) del principe danese Amleto; l'amore contrastato e negato di Romeo Montecchi e Giulietta Capuleti; l'ambizione sferenata delle figlie di Lear; la brama di potere di Lady Macbeth che non si arresta davanti al delitto; la gelosia accicante di Otello: sono solo alcuni dei temi delle più note tragedie di Shakespeare, qui raccolte. Accanto e intorno a questa galleria di personaggi ruotano i caratteri del teatro tragico del Bardo: l'irruzione dell'elemento comico, le apparizioni di spiriti ultraterreni ancora non placati, i fools più saggi dei loro signori; l'esito letale e mortifero è quasi un'impasse dell'umana condizione. Nei secoli, i testi come le messe in scena delle tragedie shakespeariane non hanno mai smesso di suscitare nei lettori e nel pubblico commozione e ammirazione per la profondità dei temi e per la bellezza del geniale linguaggio poetico.William Shakespearenaque a Stratford on Avon nel 1564. Nel 1592 era già conosciuto come autore di teatro e fra il 1594 e il 1595 vennero rappresentati almeno quattro suoi drammi. Ormai faceva parte dell'importante compagnia del Lord Ciambellano, che godrà di ininterrotto favore a Corte, prendendo sotto Giacomo I il nome di King's Men. Ad essa Shakespeare dedicherà tutta la sua attività di drammaturgo. Morì il 23 aprile del 1616. La Newton Compton ha pubblicato: Amleto, Antonio e Cleopatra, La bisbetica domata, Come vi piace, Giulio Cesare, Il mercante di Venezia, Misura per misura, Molto rumore per nulla, Otello, Romeo e Giulietta, Sogno di una notte di mezza estate, Re Giovanni, Re Lear, Troilo e Cressida, Tutto è bene quel che finisce bene in volumi singoli; Tutto il teatro, Le grandi tragedie e Le commedie in volumi unici.

One of Italy’s most revered cultural figures reconstructs the extraordinary life of the legendary Cleopatra at the height of her power in this epic story of passion, intrigue, betrayal, and war. Our world today would not be the same without Cleopatra. While she is one of the most famous figures in history, the legendary Egyptian queen remains, in many ways, an enigma. In this mesmerizing history, Alberto Angela offers a fresh and dynamic portrait of this extraordinary ruler, revealing a strikingly modern woman born in an ancient era and skilled in the art of diplomacy and war, who would conquer the heart of a general—Marc Antony—and Rome itself. Cleopatra focuses on a twenty-year period that marked a sweeping change in Roman history, beginning with the assassination of Julius Caesar that led to the end of the Republic, and ending with the suicides of Antony and Cleopatra and the birth of the Augustan Empire. Angela brings the people, stories, customs, and traditions of this fascinating period alive as he transports us to the chaotic streets of the capital of the ancient world, the exotic port of Alexandria in Egypt, and to the bloody battlefields where an empire was won and lost. Meticulously researched and rich with vivid detail, this sweeping history, reminiscent of the works of Simon Schama, Mary Beard’s SPQR, and Tom Holland’s Rubicon, recreates this remarkable era and the woman at its turbulent center. Translated from the Italian by Katherine Gregor “[Cleopatra] combines scholarship with novelistic detail and character depth...[Alberto Angela] effectively draws on previous scholarship, wading through legend and myth to get at the truth of what actually occurred... a character-rich historical biography.” -- Kirkus

*"Storie di vite straordinarie", è un libro di Storia, raccontata però attraverso la vita e le opere di nove personaggi straordinari, che hanno lasciato tracce indelebili lungo il cammino del genere umano, conquistando l'immortalità. Tra gli otto personaggi positivi, che si sono distinti nei diversi campi e discipline, contribuendo al progresso culturale e sociale dell'umanità, c'è nê anche uno negativo, che le ha incito una grossa ferita: Adolf Hitler. Lui ha il solo merito di rappresentare per le generazioni future l'esempio negativo da non seguire. Si parla di Filosofia con Socrate, di Politica e di Amore con Cleopatra, di Religione con Francesco d'Assisi, di Letteratura con Dante, del genio di Leonardo, della grande Musica con Beethoven, dell'Esplorazione con Amundsen, di Scienza con Einstein. Tutti personaggi della nostra Europa, che rimane la culla della cultura mondiale.*

*Gifted with a mind that continues to impress the elders in his village, Ichmad Hamid struggles with the knowledge that he can do nothing to save his friends and family. Living on Occupied land, his entire village operates in constant fear of losing their homes, jobs and belongings. But more importantly, they fear losing each other. On Ichmad's twelfth birthday, that fear becomes reality. With his father imprisoned, his family's home and possessions confiscated, and his siblings quickly succumbing to hatred in the face of conflict, Ichmad begins an inspiring journey using his intellect to save his poor and dying family. In doing so he reclaims a love for others that was lost through a childhood rife with violence, and discovers a new hope for the future.*

*The Son She Loved. The Betrayal She Faced. The Legend She Became. The stunning conclusion to the Eleanor of Aquitaine trilogy Imprisoned by her husband. Separated from her children. If King Henry II thought these things would push his queen into submission, he was wrong. Eleanor of Aquitaine refused to give into his tyranny. Freed by his death, she became dowager Queen of England. But the competition for land and power that Henry bred among his sons had grown into a dangerous rivalry that Eleanor must skillfully control. Eleanor would need every ounce of courage and fortitude as she crossed the Alps in winter to bring her son Richard his bride, ransom him from imprisonment and deal with his brother John's treachery. Her indomitable spirit would be tested to its limits as she attempted to keep the peace between her warring sons, fend off enemies, and negotiate a magnificent future for a chosen granddaughter.*

*Here are ten of the greatest and best-loved Greek legends retold with warmth and humour for young children and illustrated with bright, friendly artwork. Meet Theseus and the Minotaur, Odysseus, Pandora, King Midas and a whole cast of larger-than-life characters in a series of extraordinary adventures. The perfect introduction to Greek Myths.*

Niccolò Piccinni (1728[1800] wrote Il regno della luna for the Regio DucaI Theatro in Milan in 1770, and a revised version[2]preserved in the only extant source[3]was performed seven times in Dresden between 1773 and 1775. The work showcases the subversion of drama giocoso conventions through which Piccinni presented characters that are at once realistic and sympathetic. Noteworthy musical elements include the high proportion of ensembles in relation to arias, the frequent use of accompanied recitative, and the prominent role of the chorus. The unknown librettist may have been Giuseppe Parini, whose Enlightenment views are echoed in the opera[4]s unconventional themes. The libretto engages strongly with eighteenth-century Italian discourse regarding the social and political position of women, the non-European Other, and the societal costs and benefits of militarism and commerce. Involving actual travel to the Moon, the work also exemplifies early science fiction. Presented here in its first modern edition, Il regno della Luna stands as a testament to the most forward-looking ideas of its time, both musically and ideologically.

*This book contains the refereed proceedings of the 11th International Conference on Agile Software Development, XP 2010, held in Trondheim, Norway, in June 2010. In order to better evaluate the submitted papers and to highlight the applicational aspects of agile software practices, there were two different program committees, one for research papers and one for experience reports. Regarding the research papers, 11 out of 39 submissions were accepted as full papers; and as far as the experience reports were concerned, the respective number was 15 out of 50 submissions. In addition to these papers, this volume also includes the short research papers, the abstracts of the posters, the position papers of the PhD symposium, and the abstracts of the panel on “Collaboration in an Agile World”.*

*Una ragazzina curiosa, una nonna un po' bizzarra, un orologio magico per viaggiare nel tempo e incontrare i grandi della storia da piccoli: benvenuti nel mondo di Maisie!*

*Reconstructs the history of Earth within the context of a single calendar year, from the formation of Earth in January to the appearance of humans in December*

The Queen who Challenged Rome and Conquered Eternity

Il regno della Luna, Part 2

Il Drama

I for Isobel

Storie di vite straordinarie

In this final novel in the Roman series, McCullough turns her attention to the legendary romance of Antony and Cleopatra.

An enthralling tale of passion, ambition and betrayal!The mesmerizing story of Queen Cleopatra in her own words - by bestselling novelist Margaret George, author of The Autobiography of Henry VIII and Mary Queen of Scotland and the Isles. Told in the first person - from the young queen's earliest memories of her father's tenuous rule to her own reign over one of the most glittering kingdoms in the world - this is an enthralling saga of ambition and power. It is also a tale of passion that begins when the twenty-one-year-old Cleopatra, desperate to return from exile, seeks out the one man who can help her: Julius Caesar. And it does not end until, having survived the assassination of Caesar and the defeat of the second man she loves, Marc Antony, she plots her own death . . . PRAISE FOR MARGARET GEORGE 'The author's impeccable research brings a long-age civilization thoroughly to life, and her portraits of Cleopatra, Caesar and Antony are wonderful. A spellbinding book' Barbara Taylor Bradford

Information on the rarity of each type, including estimates of their value when first published in 2000, are presented in a separate table. The numerous, though less precisely understood, local coinages of the Imperial period are listed in an extensive appendix.

Venice at the end of the 1500s is an unforgiving city. The Doge rules with an iron fist and the Holy Office harbors suspicions about everything and everyone. Even the walls have eyes. The Republic of Venice watches and listens, then passes judgment swiftly and definitively. In a city where everyone is assumed guilty of something, a young stonemason by the name of Michele has been accused of a crime he didn't commit. Afraid for his life, he flees the city aboard a galley carrying gold coin, leaving behind his young wife, Bianca. Banished from his home, Michele embarks on a series of extraordinary adventures as the ship he travels on stops in every port and on every island of the Mediterranean. In order to survive this once naive and immature boy must first become a man, one possessed of cunning, courage and fortitude. Bianca remains alive in the cruel and treacherous Venice. She faces challenges that are, if anything, even more difficult than those of Michele, and will encounter all the terrors and mysteries that the labyrinthine city holds in its blind alleys and narrow passageways. And she, like Michele, will discover in herself a tenacious and indestructible will to survive. Land and sea, East and West, the arrogance of power and the indestructible pride of the poor and dispossessed. Two lives and one all embracing love. As richly imagined as Orhan Pamuk's The White Castle, The Eyes of Venice is a grand and gripping tale of love and adventure that will also appeal to fans of the historical novels of Umberto Eco and Susan Dunant.

Sentinel (The Fifth Covenant Novel)

**Why are we still interested in Cleopatra? She has that eternally attractive combination of sexual allure, political power - even divine status - and personal wealth. She had by any standards an eventful life and an unforgettable death. She very nearly tipped the balance of power at a crucial moment in history: had she and Antony succeeded in maintaining their empire in the east, our cultural life might be very different today. In this concise, readable, well-illustrated book, Susan Walker and Sally-Ann Ashton look at the historical Cleopatra, at images of Cleopatra as a Greek queen and as ruler of Egypt, at contemporary perceptions of her and at how we see her today. We see how Roman propaganda depicted her as a threatening woman with non-Roman qualities of excessive behaviour and emotional manipulation, a view that has come down through Shakespeare's Antony and Cleopatra and forms the basis of our understanding of her over two thousand years later.**

**As the mortal world slowly slips into chaos, Alexandria Andros must overcome a devastating defeat that has left her shaken and in doubt that the war against the gods will ever come to an end. There are many obstacles standing between Alex and her happily-ever-after with Aiden St. Delphi, and now Alex and Aiden face their greatest challenge yet: they must trust a deadly foe as they travel deep into the Underworld to release one of the most dangerous gods of all time. In the shattering, action-packed climax to the series, Alex must make a terrible choice: the destruction of everything and everyone she holds dear... or the end of her own life.**

**Captain Calli Chase races against time to thwart a plot that leaves the fate of humanity hanging in the balance in this new thriller from international bestselling author Patricia Cornwell. In the aftermath of a NASA rocket launch gone terribly wrong, Captain Calli Chase comes face-to-face with her missing twin sister—as well as the startling truth of who they really are. Now, a top secret program put in motion years ago has spun out of control, and only Calli can redirect its course. Aided by cutting-edge technologies, the NASA investigator and scientist turned Space Force pilot sets out on a frantic search for the missing link between the sabotaged rocket launch and her predetermined destiny...a search that someone else seems very interested in stopping. From NASA to the Chase family farm, to the White House to distant orbits of space, Calli plays a high-stakes game of hide-and-seek with a cunning and ruthless adversary. One wrong move will unleash cataclysmic consequences reaching far beyond the boundaries of Earth. This heart-pounding Captain Chase thriller from Patricia Cornwell will leave readers desperate for more.**

*One of Italy's best-known writers takes a Grand Tour through her cities, history, and literature in search of the true character of this contradictory nation. There is Michelangelo, but also the mafia. Pavarotti, but also Berlusconi. The debonair Milanese, but also the infamous captain of the Costa Concordia cruise ship. This is Italy, admired and reviled, a country that has guarded her secrets and confounded outsiders. Now, when this "Italian paradox" is more evident than ever, cultural authority Corrado Vivanti poses the puzzling questions: how did it get this way? How can this peninsula be simultaneously the home of geniuses and criminals, the cradle of beauty and the butt of jokes? An instant #1 bestseller in Italy, Vivanti's latest sets out to rediscover the story-different from the history-of this country. Beginning with how Italy is seen from the outside and from the inside, he weaves a geo-historical narrative, pulling through principal cities and rereading the classics and the biographies of the people that have, far better or worse, made Italians who they are. From the gloomy atmosphere of Cagliostro's Palermo to the elegant court of Maria Luigia in Parma, from the ghetto of Venice to the heroic Neapolitan uprising against the Nazis, Vivanti sheds light on the Italian character, explaining it to outsiders and to Italians themselves. The result is a "novel of a nation," whose protagonists are both the figures we know from history and literature and characters long hidden between the cracks of historical narrative and memory.*

*A portrait of the artist as a troubled young woman, I for Isobel is an autobiographical classic from Amy Witting, one of Australia's literary treasures. A sophisticated coming-of-age story structured around five perfectly formed chapters which bring to life significant moments of Isobel's life with a fierce, unforgettable clarity. Despite being initially rejected by several publishers, I for Isobel eventually found a home and went on to be shortlisted for the Miles Franklin Award in 1990 and became part of the Australian secondary school syllabi. 'A beautifully but unobtrusively honed style, a marvellous ear for dialogue, a generous understanding of the complex waywardness of men and women.' Andrew Kiemer Australian Curriculum teaching notes available on release Reminiscent of Elizabeth Harrower and Olga Masters This edition comes with a new introduction by Charlotte Wood, author of Animal People*

*It was a holiday to die for. FBI agent John O'Hara receives a call from a man desperate for his help. His son and daughter-in-law have been found murdered on their honeymoon in the Caribbean. The grieving father wants justice, and will pay O'Hara handsomely to hunt down the killer. Federal agents aren't allowed to moonlight, but O'Hara is on suspension and battling some serious demons. He takes on the case. But as O'Hara delves deeper and the body count rises, a past he thought was dead and buried comes back to haunt him...*

*"Questo libro, pubblicato originariamente nel 1914, è un racconto unico della vita di Cleopatra. L'autore, uno storico ben istruito del suo tempo, offre uno sguardo più reale della regina se possiamo liberarci dall'influenza di qualsiasi periodo e ignorare quell'aspetto della moralità che si è sviluppato in noi a contatto con l'epoca in cui noi viviamo. Bene e male sono qualità relative definite in gran parte dall'opinione pubblica, e bisogna sempre ricordare che certe cose considerate buone e cattive oggi possono avere l'accettazione e la denuncia di ieri e di domani. L'autore non ha la pretesa di scusarsi per la tanto denigrata regina, ma descrive in modo equo gli eventi della sua vita travagliata. Le azioni di Cleopatra assumeranno, senza alcuna particolare difesa, un carattere che non è più brutto di quello di ogni altro attore nello strano dramma che circonda la sua vita."*

The Orchard Book of First Greek Myths

A Novel of Eleanor of Aquitaine

The Autumn Throne

The Eyes of Venice

A Journey Through the Lands of the Ancient Empire, Following a Coin

The History and Coinage of the Roman Emperors 49-27 BC

A long-awaited memoir from the larger-than-life, multifaceted lead vocalist of Iron Maiden, one of the most successful, influential and enduring rock bands ever. Pioneers of Britain's nascent Rock & Metal scene back in the late 1970s, Iron Maiden smashed its way to the top, thanks in no small part to the high-octane performances, operatic singing style, and stage presence of its second, but twice-longest-serving, lead singer, Bruce Dickinson. As Iron Maiden's front man—first from 1981 to 1993, and then from 1999 to the present—Dickinson has been, and remains, a man of legend. But OTT front man is just one of the many hats Bruce wears. In addition to being one of the world's most storied and well-respected singers and songwriters, he is an airline captain, aviation entrepreneur, motivational speaker, beer brewer, novelist, radio presenter, and film scriptwriter. He has also competed as a world-class level fencer. Often credited as a genuine polymath Bruce, in his own words (and handwritten script in the first instance), sets forth many personal observations guaranteed to inspire curious souls and hard-core fans alike. Dickinson turns his unbridled creativity, passion, and anarchic humour to reveal some fascinating stories from his life, including his thirty years with Maiden, his solo career, his childhood within the eccentric British school system, his early bands, fatherhood and family, and his recent battle with cancer. Bold, honest, intelligent and very funny, his memoir is an up-close look inside the life, heart, and mind of one of the most unique and interesting men in the world; a true icon of rock.

In the first volume of a four-volume novel set in ancient Egypt, a desert wanderer blocks a plot to steal a gemstone with supposed magical powers.

'Powerful, harrowing, and ultimately uplifting.' Andrew Taylor 'A brave, moving and important book.' Katherine Clements 'Vivid [and] utterly inspiring.' Telegraph \_\_\_\_\_"You do not leave a sick child alone to face the dark and you do not leave a child at a time like this.' Warsaw, 1940. The Jewish ghetto is under the Nazis' brutal control. Hundreds of thousands of men, women and children slowly starve within the walls. But while all around is darkness, one man brings hope, caring for the ever-increasing number of destitute orphans in the face of unimaginable conditions. And, tom apart as the noose tightens around the ghetto, how will one young couple's love survive the terrible tests of wartime? Half a million people lived in the Warsaw ghetto. Less than one percent survived to tell their story. This novel is based on the true accounts of Misha and Sophia, and on the life of one of Poland's greatest men, Dr Janusz Korczak.

EDIZIONE ESCLUSIVA CON DEDICA DELL'AUTORE Il mondo di oggi non sarebbe lo stesso senza Cleopatra, una donna di potere, intelligente e abile che appartiene all'immaginario collettivo universale, ma la cui figura storica è ancora per molti aspetti avvolta nel mistero e non priva di risvolti enigmatici. Alberto Angela ha deciso di ricostruire le vicende della regina che in un certo senso ha conquistato Roma, rintracciando fonti storiche e accompagnandoci per mano, con il suo stile inimitabile, tra le caotiche strade della capitale del mondo antico, l'ésocopo porto di Alessandria d'Egitto e i sanguinosi campi di battaglia, alla scoperta di persone, storie, usi e costumi. Solo un autore come lui è in grado di farci rivivere in prima persona il ventennio che ha segnato un cambio epocale nella storia romana, dall'uccisione di Giulio Cesare, che decreta la fine della Repubblica, alla morte di Antonio e Cleopatra (la cui tomba non è ancora stata ritrovata) fino alla nascita dell'Impero con Augusto al potere. Un viaggio nel tempo in bilico tra Occidente e Oriente, per riscoprire con uno sguardo nuovo un periodo storico affascinante e convulso, ricco di intrighi e guerre che hanno segnato il nostro presente e contribuito a rendere il mondo il luogo che oggi tutti noi conosciamo.

Cicerone - Columbus

Cleopatra. La regina che sfidò Roma e conquistò l'eternità

An Autobiography

*Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered into English by the outstanding translator William Weaver, offers an irresistible introduction to this great writer's work*
