

Clifford S Birthday Party 50th Anniversary Edition

The essential, “richly researched”* biography of Harriet Tubman, revealing a complex woman who “led a remarkable life, one that her race, her sex, and her origins make all the more extraordinary” (*The New York Times Book Review). Harriet Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who loved, suffered, and sacrificed. Praise for Bound for the Promised Land “[Bound for the Promised Land] appropriately reads like fiction, for Tubman’s exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman’s determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others.”—The Seattle Times “Essential for those interested in Tubman and her causes . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect.”—The Plain Dealer “Larson has captured Harriet Tubman’s clandestine nature . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced.”—The New York Sun

The Panchatantra is a collection of ancient Indian fables. Many-a-times, the central characters are animals and birds, who show their most identifying characteristics in the various stories, and impart valuable life-lessons and morals. In this book, read a fine selection of six stories from the treasury of Panchatantra Tales. Read about the three little fish friends, one wise, one smart and one foolish; about silly monkeys who thought they could light a fire with red berries and more!

There's nothing fabulous about 50 for L.A. film critic Jeremy Lerner, who loses his marriage, his job, and the use of his right arm just days after the birthday party he begged his now ex-wife not to throw him. But fate is a sly devil. Jeremy's string of calamities leads to a game-changing emotional and creative rebirth after he meets the intoxicating Annabelle, a beguiling widow who comes to his rescue—and Jeremy to hers. If only their baggage didn't match quite so well. With the added support of his wise and spirited mom, Joyce, his capricious and big-hearted son, Matty, and Matty's steadfast new boyfriend, Gabe, Jeremy begins to change in ways that surprise, inspire, and galvanize him. All of this while his career makes a head-spinning leap. The thing is, can it last? The Last Birthday Party combines wry observation with an everyday wistfulness for a warm, propulsive, humanly funny tale of second chances set against the alluring nuttiness of Hollywood.

The iconic masterpiece of India that introduced the world to “a glittering novelist—one with startling imaginative and intellectual resources, a master of perpetual storytelling” (The New Yorker) WINNER OF THE BEST OF THE BOOKERS • SOON TO BE A NETFLIX ORIGINAL SERIES Selected by the Modern Library as one of the 100 best novels of all time • The fortieth anniversary edition, featuring a new introduction by the author Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other “midnight's children,” all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. Forty years after its publication, *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

Recognized by 2020 Independent Press Awards as Distinguished Favorite in Literary Fiction. Clifford's Spiral is a quirkily comic literary novel. Its sardonic tone recalls the wry wisdom of Kurt Vonnegut, and its preoccupation with male centeredness is reminiscent of Philip Roth. Stroke survivor Clifford Klovis tries to piece together the colorful fragments of his memories. He fusses over his lifelong curiosities about astrophysics and metaphysics, Christian faith and New Age philosophy, and why the spiral shape appears in bathtub drains and at the centers of galaxies. He has imaginary conversations and arguments with wives and lovers, as well as with Hypatia of Alexandria, René Descartes, his old mentor Reverend Thurston, and Stephen Hawking. Clifford's best teacher turns out to be his paraplegic son Jeremy, who has found his father's old letters and journals. Jeremy also wonders: Who was Clifford Olmstead Klovis?

Clifford's Halloween

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

Midnight's Children

Rocking horses, wild horses, fishing boats, hot boats, cars, trucks, cycles, and planes-Robert Buenger has been involuntarily launched by them all. And he seldom, if ever, pulled over for an ambulance. He was generally riding inside. For some reason, if a rock fell off a cliff and hit someone, it was Buenger. If someone ran into the back of a semitruck or had a fireworks display blow up in his face, it was Buenger. If a guy broke his wrist riding a longhorn steer on the last cattle drive to St. Louis-that was Buenger too. A spirited quest for adventure brought on a goodly share of these exploits. AN OLD KID FROM WYOMING chronicles the often extraordinary events in the lifetime of a homesteader's grandson and the critters and all-too-human personalities along the trail-some historical, some hysterical, a few sad, all true (or mostly true). Here are stories of growing up, hunting, fishing, building, cowboying, and adventuring in the Rocky Mountain West, from Cheyenne to Las Vegas and back again. In the tradition of James Herriot and Ben K. Green, AN OLD KID FROM WYOMING serves up stories to be savored one at a time or all at once-stories for everyone interested in the era of the "Greatest Generation" from the perspective of a life lived in another little house on the prairie.

A deeply resonant memoir for anyone who has loved and lost, from acclaimed poet and Pulitzer Prize finalist Elizabeth Alexander. In The Light of the World, Elizabeth Alexander finds herself at an existential crossroads after the sudden death of her husband. Channeling her poetic sensibilities into a rich, lucid prose, Alexander tells a love story that is, itself, a story of loss. As she reflects on the beauty of her married life, the trauma resulting from her husband's death, and the solace found in caring for her two teenage sons, Alexander universalizes a very personal quest for meaning and acceptance in the wake of loss. The Light of the World is at once an endlessly compelling memoir and a deeply felt meditation on the blessings of love, family, art, and community. It is also a lyrical celebration of a life well-lived and a paean to the priceless gift of human companionship. For those who have loved and lost, or for anyone who cares what matters most, The Light of the World is required reading.

The Big Surprise

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
