

## Collins Complete Writing Guide

Money. Impact. Freedom. If you want to become a successful non-fiction author, this book explains all you need to know about writing and publishing a book your readers love. My name is Bryan Collins, I'm an author from Ireland, and I've published a number of popular non-fiction books. In this detailed, yet practical writing book, I explain all you need to know about writing your non-fiction book, step-by-step. In this book for non-fiction writers, you'll discover: Why successful non-fiction authors spend lots of time researching their book before writing it The secret behind outlining a non-fiction book that's worth publishing (and which is easy to write) How to take charge of the editing process, before it takes charge of you What you need to know about book covers, book titles and self-publishing What to do when you finish writing your book (it's not what you think) "" Interview with the Author Q. Why did you write this book? A. Over the past few years, learning how to write non-fiction books changed my life. I discovered it's natural to wonder if you're not good enough and what to do about it. I learnt how aspiring writers create great books and then transform themselves into successful authors. Once I put their writing techniques into practice, I connected with readers, and I started earning an income from my writing. And isn't that the dream for most authors? So, I set out to share what I discovered about book writing with other aspiring authors. Now, this book isn't everyone. It's not going to help you write fiction or poetry, but it will help you write your non-fiction book. It will help you become a published non-fiction author. Download a sample or buy now and write the non-fiction book you always dreamed about!

A comprehensive and fully illustrated guide, this book is the definitive photographic reference guide for anyone interested in butterflies and moths found in Britain and Ireland. The only guide you'll ever need to help you write better letters, whether for business or pleasure.

Collins Easy Learning Complete English is an easy-to-use guide on how to write accurate, clear and effective English. With clear, concise explanations, this book covers all of the most important points for spelling, grammar, punctuation and writing, and is a valuable reference tool for all learners and users of English. Collins Easy Learning Complete English is divided into three sections: spelling, grammar and punctuation, and writing. The first section is a uniquely helpful guide to English grammar and punctuation, with each grammatical and punctuation point clearly described in a user-friendly format that combines explanations with examples from modern English. The second section describes the patterns and rules you need to understand and predict how words are spelt in English, and provides practical advice on learning words that are difficult to spell. The third section is a useful guide to good written style, covering areas such as sentence structure, punctuation and page layout, with corpus examples that show how English is really used today. Together, these sections provide all of the advice and information learners and users of English need to write accurately and confidently, making Easy Learning Complete English an indispensable tool for work, school and home study.

Why Some Companies Make the Leap...And Others Don't

The Power of Creativity (Book 2)

Collins Complete Guide to British Trees: A Photographic Guide to every common species

This text consists of 14 units, each illustrating the language used in a particular situation. The topic-based units cover the language learners need in everyday situations, but also language for more formal situations, such as a seminar or business meeting

The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the verybeginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results, and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

Featuring all flowering plants, including trees, grasses, and ferns, this brand-new field guide to the flowers of Britain and northern Europe is the most complete illustrated, single-volume guide ever published. Leading botanical artists have been specially commissioned to ensure accurate, detailed illustrations. Species are described and illustrated on the same page, with up-to-date authoritative text aiding identification. Plants are arranged by family, with their key features highlighted for quick and easy reference. The text offers a complete account of more than 1,900 wild flowers of Britain and Ireland, along with a summary of their European distribution. Collins Flower Guide is an indispensable guide for all those with an interest in the countryside, whether amateur or expert.

Do you want to just sell books or be a life-changing author? As an author, you are the Chief Executive Officer for the entity that you have created, your book. Just as corporate CEOs are responsible for making sure that the products and services offered by their companies maximize profits, the author is responsible for the same. As an author, you are in charge. You determine how successfully your book will be. Unfortunately, most authors do not have the resources that corporate CEOs have. However, that does not relieve you, as the author, of this responsibility. You must make your book successful.You can be an author that sells a few books at vendor events or you can be a Chief Executive Author (CEA) who touches and changes lives through the powerful messages you deliver in your books and other products. Being a CEA is about having passion and getting your life-changing message to the world. But it's more than just getting the message out there. It's about equipping and empowering your reader to be able to manifest the changes they so desperately desire. You are not just an information pusher. You are an implementor and you help your readers implement changes in their lives. You are truly a life-changer.

Do you want to become a successful author?Write great books, build your authority and earn more money. In this MASSIVE series, you'll get three books that will help you with all types of writing for one low price. You'll get practical writing prompts, learn what productivity for authors looks like, and discover how to become a great non-fiction author. Yes, You Can Write! (Book 1) If you're struggling with not have anything to write about, it's time to use a writing prompt. In this practical writing book, I've gathered 101 of the best writing prompts just for you. Use them for journal writing, fiction, blogging and even your next book.

The Savvy Writer's Guide to Productivity (Book 2) You'll discover proven productivity strategies you can use to get the words out and finish writing an article, a story, a book and more. Say goodbye to writer's block!

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, Reading Like a Writer will inspire readers to return to literature with a fresh eye and an eager heart to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading./div

The essential guide to writing English, this book will help you to develop your written communication skills and to use language to express yourself clearly and correctly. Can the art of good writing be taught? Despite what you might feel, the answer is yes – you can be taught. Everyone is capable of enhancing their powers of written communication simply by learning and practising the basic principles of clear, concise and coherent writing: planning, preparation, and revision.

"[Manda] Collins is a delight" (Elizabeth Hoyt) In this fun and flirty historical rom-com, where an intrepid female reporter matches wits with a serious, sexy detective -- perfect for fans of Tessa Dare, Julia Quinn, and Netflix's Enola Holmes! England, 1865: Newspaper columnist Lady Katherine Bascomb finds herself the subject of speculation when her latest article leads to an arrest in the murders plaguing London. The English believe women ought not to write about such vulgar things as crime, and a particularly atrocious notoriety, Katherine heads to the country-only to witness a murder upon her arrival. Detective Inspector Andrew Eversham is appalled when Lady Katherine entangles herself in one of his cases-again. Her sensationalist reporting already nearly got him kicked off the police force, and he'll be damned if he permits her to meddle a second time. Yet, her questions are awfully insightful, and he can't deny his attraction to both her beauty and brains. As the clues point to a dangerous criminal, the two soon realize their best bet is to take the case poses to their hearts.

Unlock the secrets of Britain's natural world with this essential wildlife guide. Ever wanted to know if it's a great tit or a blue tit, a rabbit or a hare, a cowslip or an oxlip? Covering all common animals and plants found in the British Isles, Collins British Wildlife tells you everything you need to know about the things you see in British gardens, parks, or countryside—and how to tell the difference between them. The key to enjoying the natural world is being able to put a name to the animal or plant that you see outdoors. This essential volume of every bookshelf. With more than 3,500 stunning photographs, and written by one of the UK's leading naturalists, this is a book that will unlock the secrets of the extraordinary natural world around you.

Writing a novel is tough. There's always so much to second-guess, over-analyze, and revise for clarity. Overthinking My Novel plays out a handful of these scenarios to humorous effect, letting you peer inside an author's mind as the creative process meets the meat grinder of self-doubt.

**International Bestseller!** "Dazzingly wonderful . . . a perfectly constructed work of fiction, with audacious twists . . . Collins plays her own game here with perfect skill." — *The Times (UK)* An intricate and utterly spellbinding literary epic brimming with enchantment, mystery, and dark secrets from the highly acclaimed author of the #1 international bestseller *The Binding*. If your life was based on a lie, would you risk it all to tell the truth? At Montverre, an ancient and elite academy hidden high in the mountains, society's best and brightest are trained for excellence in the grand jeu—the great game—an arcane and mysterious competition that combines music, art, math, poetry, and philosophy. Leo Martin once excelled at Montverre but lost his passion for scholarly pursuits after a violent tragedy. He turned to politics instead and became a rising star in the ruling party, until a small act of conscience cost him his career. Now he has been exiled back to Montverre, his fate uncertain. But this rarified world of learning Leo once loved is not the same place he remembers. Once the exclusive bastion of men, Montverre's most prestigious post is now held by a woman: Claire Dryden, also known as the Magister Ludl, the head of the great game. At first, Leo feels an odd attraction to the magister—a mysterious, eerily familiar connection—though he's sure they've never met before. As the legendary Midsummer Game approaches—the climax of the academy's year—long-buried secrets rise to the surface and centuries-old traditions are shockingly overturned. A highly imaginative and intricately crafted literary epic, *The Betrayers* confirms Bridget Collins as one of the most inventive and exquisite new voices in speculative fiction.
