

## Corto Tome 25 Fable De Venise

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.

Chosen by Louis Vuitton to be one of only a handful of artists to illustrate their new Travel Book series, Taniguchi naturally made a story of it! After his mother's death aged 78, the author discovers a beautifully lacquered box which contains what appear to be old photos and hand-drawn postcards of Venice. One photo of Piazza San Marco particularly catches his eye. It is of a Japanese couple feeding a multitude of pigeons in the square dressed in what looked like 1930's styled clothes. Who were they? What relevance did they have for his mother? Armed with the contents of the lacquered box he travels to Venice to track down the places and events displayed in the images and to discover the identity of the young couple in the old photograph. With very few but well chosen words and his artist's eye for detail, Taniguchi portrays 'La Serenissima' of today in a most deserving light.

Both compounds and multi-word expressions are complex lexical units, made up of at least two constituents. The most basic difference is that the former are morphological objects and the latter result from syntactic processes. However, the exact demarcation between compounds and multi-word expressions differs greatly from language to language and is often a matter of debate in and across languages. Similarly debated is whether and how these two different kinds of units complement or compete with each other. The volume presents an overview of compounds and multi-word expressions in a variety of European languages. Central questions that are discussed for each language concern the formal distinction between compounds and multi-word expressions, their formation and their status in lexicon and grammar. The volume contains chapters on German, English, Dutch, French, Italian, Spanish, Greek, Russian, Polish, Finnish, and Hungarian as well as a contrastive overview with a focus on German. It brings together insights from word-formation theory, phraseology and theory of grammar and aims to contribute to the understanding of the lexicon, both from a language-specific and cross-linguistic perspective.

***It's tough being a vampire when you're more giggles and glitter than beastly and bitter. But will Dracula Boy dare to follow his heart and live life in technicolour? Full of spooks and sparkles, Dracula Spectacular is a heart-warming story about learning to be brave, kind and above all, proud to be yourself. A sensational picture book, written in bouncy rhyme by Lucy Rowland and illustrated with wit and warmth by Ben Mantle, the creative duo behind Little Red Reading Hood. Perfect for bedtime reading!***

***Celebrate this milestone in the history of graphic novels, winner of the world's first-ever "Best Graphic Novel" award, taking the prize in 1976 at the Angoulême Festival. Originally serialized beginning in 1967, this book is universally acknowledged as Hugo Pratt's masterpiece, in which he introduces Corto Maltese to the world. Corto is but one of a strong ensemble cast of characters whose lives permeate the entire 12-book series. It is here that we also meet the young and beautiful Pandora, her brother Cain, the mysterious criminal mastermind Monk, the grim and ferocious Rasputin, Lieutenant Slutter of the German Navy, and the natives Skull and Tarao. The Ballad of the Salty Sea is also hailed as the first example of the literary comic strip. Pratt was inspired by Conrad, Stevenson, and London, but even more directly by Henry de Vere Stacpool's Blue Lagoon, from which the author got the idea of a small island in the Pacific which he named "Escondida." The action begins in November 1913 in the South Seas as feelings of the Great War were already looming but the romantic ideals of the nineteenth century were still alive. The pace of the narrative and the drawings are very modern and Pratt permeates the adventure with an extraordinary atmosphere of the great outdoors. The story captures the imagination of the reader from the opening pages with a tight, compelling storyline that can be interpreted on different levels. This EuroComics edition features new translations from Pratt's original Italian scripts by Dean Mullaney, the Eisner and Harvey Award-winning editor of the Library of American Comics, and Simone Castaldi, Associate Professor of Romance Languages and Literatures at Hofstra, and the author of Drawn and Dangerous: Italian Comics of the 1970s and 1980s (University Press of Mississippi).***

Set in the years 1921-22, the action leaps from Turkey, to Azerbaijan, and to the Caspian Sea, tracing the path of the legendary Silk Road, as Corto hunts for the fabled treasure of Alexander the Great.

In 1923 Buenos Aires, while searching for a missing friend, Corto finds himself locked in a dangerous, yet elegant, game of cat and mouse. His investigation brings him up against an organized crime syndicate known as the "Warsavia," crooked police officials, small-time crooks, investigative journalists, a worldwide prostitution ring, and--manipulating the events from above--the far-reaching arm of the Argentine oligarchy. Guiding his way through this labyrinth of deceit and intrigue is an old acquaintance from a long ago Patagonian escapade: the legendary outlaw Butch Cassidy, who, with the Sundance Kid, headed the notorious Wild Bunch and has been presumed dead for two decades! Just as Fable of Venice was Pratt's homage to his hometown, Tango is a nod to Buenos Aires, where the cartoonist lived during his earliest creative successes in the late 1940s and 1950s. The atmosphere of the story is steeped in the sensual music of the tango, whose melodies almost seem to emerge from the artwork, with close-ups of the dance steps framed by Pratt with extraordinary effectiveness. The first English-language translation of Hugo Pratt's graphic novel set in Argentina.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

Tr é sors de la bande dessin é e

The fateful meeting of Freud and Horace Frink, and the ensuing scandal that nearly destroyed psychoanalysis In 1909, while on a fundraising lecture tour in America, Sigmund Freud met Horace Frink, an early disciple of his theories of psychoanalysis, whose traumatic childhood and complicated personal life later cast a shadow over Freud's professional life, almost close to destroying his reputation. This little-known and ultimately tragic true story of two divorces, three deaths, and a ménage à quatre, as well as the questionable involvement in it, is the subject of a groundbreaking collaboration between artist and animator Lionel Richer and the prizewinning philosopher, biographer, and novelist. In all, what better medium can there be than the graphic novel to place the American dream on the couch of European psychoanalysis?

Hugo Pratt, hailed as the "inventor of the literary comic strip," offers an provocative story whose protagonist is a seemingly wanton murderer, driven by a religious obsession for the absolute. First English language edition. Set in Canada around 1920 this provocative story deals with complex moral choices. Jesuit Joe, the protagonist, is of French-Canadian origin and is engaged in an obsessive religious search for the absolute, as he moves through the snowy wastelands of the region. He wears the red jacket of the Canadian Mounted Police, found in a hut--which gives rise to a series of misunderstandings when he is mistaken for a member of the Canadian Mounted Police. His actions highlight his unusual, disturbing and complex personality. He kills with terrible ease and shows an unmatched cruelty and ferocity, yet his mood suddenly shifts and he performs unexpected acts of compassion. All the while, he is tracked by his nemesis, Sergeant Fox, whose mission is to capture Jesuit Joe and bring him to justice. This is the first English language edition of a classic, and includes an incomplete second story of Jesuit Joe, plus Pratt's storyboards drawn for the movie version.

Corto Maltese est à Venise, sur la piste d'une précieuse émeraude magique, " la Clavicule de Salomon ". Dans cette ville mystérieuse, à l'ombre des vieux palais, Corto rencontre de fainéants de Petit Pied d'argent dont le fils, Böeke, est amoureux d'Hipazia, la philosophe que tous respectent pour sa beauté et son savoir ; Stevani, la chemise noire et franc-maçon. Corto n'a qu'une seule piste, une lettre énigmatique que lui a adressée le Baron Corvo avant sa mort. Mais il n'est pas le seul à s'intéresser à ce joyau...

and Other Stories

*Features five of the author's best early stories: title selection plus "The Phantom Rickshaw," "Wee Willie Winkie," "Without Benefit of Clergy" and "The Strange Ride of Morrowbie Jukes."*

*In this final entry of Hugo Pratt's epic series, the master graphic novelist returns to the theme he first explored in the initial episode--the search for the lost continent of Mu, the mythical Atlantis. A premonition hovers over the entire dreamlike story, as if fate had decided in advance that this would be Corto Maltese's last adventure. The feeling is underscored by the return of most of the major characters seen throughout the long-running saga, like actors giving their final curtain call: Gold Mouth, Morgana, Tristan Bantam, Levi Colombia, Professor Steiner, "the Monk," Cain Groovesnore, Soledad, and (of course) Rasputin...each with their own reason to find the mythical realm. Thus, the circle closes. This EuroComics edition features new translations from Pratt's original Italian scripts by Dean Mullaney, the Eisner and Harvey Award-winning editor of the Library of American Comics, and Simone Castaldi, Associate Professor of Romance Languages and Literatures at Hofstra, and the author of Drawn and Dangerous: Italian Comics of the 1970s and 1980s (University Press of Mississippi).*
