In the first novel in the Breathless trilogy, a man is about to have his fantasies come true with a woman who was once forbidden fruit, and is now ripe for the picking... When Gabe Hamilton saw Mia Crestwell walk into the ballroom for his hotel's grand opening, he knew he was going to hell for what he had planned. After all, Mia is his best friend's little sister.

Except she's not so little anymore. And Gabe has waited a long time to act on his desires. Gabe has starred in Mia's fantasies more than once. So what if he's fourteen years older? Mia knows he's way out of her league, but her attraction has only grown stronger with time. She's an adult now, and there's no reason not to act on her most secret

desires. As Gabe pulls her into his provocative world, she realizes there's a lot she doesn't know about him or how exacting his demands can be. Their relationship is intense and obsessive, but as they cross the line from secret sexual odyssey to something deeper, their affair runs the risk of being exposed—and vulnerable to a betrayal far more intimate than either expected.

The Dirty Duet

Crossfire

Can love and friendship blossom on a rooftop? The residents in Brisbane's Riverview apartment block barely know each other. They have no idea of the loneliness, the lost hopes and dreams, being experienced behind their neighbours' closed doors. Vera, now widowed, is trying her hardest to create a new life for herself in an unfamiliar city environment. Unlucky-in-love Maddie has been hurt too many times by untrustworthy men, yet refuses to give up on romance. Ned, a reclusive scientist, has an unusual interest in bees and worm farms. And Syrian refugee Tariq has all but given up hope of ever seeing his beloved family again. When a couple of gardening enthusiasts from one of the apartments suggest they all create a communal garden on their

rooftop, no one is interested. Not at first, anyway. But as the residents come together over their budding plants and produce, their lives become interconnected in ways they could never have imagined. From award-winning novelist Barbara Hannay, *The Garden of Hopes and Dreams* is a timely and uplifting story about the importance of community and the healing power of connection.

'Cara Bastone is one of the most talented writers in the romance genre today. With her signature blend of heart, humor, and honesty, Cara's books remind you that the best stories begin and end with hope'

'The thing I love most about Cara Bastone's books is her ability to find the romance in ordinary lives, the swoon in simple places...just normal folks falling in love. I ADORE it' 5\* reader review .....

..... Paint your toes. Pick up the wrong coffee and bagel order. Drive from Brooklyn to Jersey in traffic so slow you want to tear your hair out. It's amazing all the useless things I can accomplish while on hold for three hours with customer service. Three hours when I should be getting the *Date-in-a-Box* website ready to launch at the big business expo in a few days. Except my shiny new website is glitching, and my inner rage-monster is ready to scorch some earth...when he

finally picks up. Not the robot voice I expected but a real live human named Cal. He's surprisingly helpful and really knows his stuff, even if he's a little awkward...in an adorable way. And suddenly I'm flirting with him? And I think he's flirting back. And suddenly it's been hours, and we're still on the phone talking and ordering each other takeout while he troubleshoots my website. And suddenly we're exchanging numbers and sending texts and DMs every day, leaving voice mails (who even does that anymore?!). And suddenly I'm wondering if it's possible for two people to fall in love at first talk. Because I'm falling...hard. ....

..... Readers are loving Call Me Maybe! 'An adorable and thoroughly enjoyable read...I didn't want it to end' 'This is a short, sweet romance that I really enjoyed. Both Cal and Vera were great characters and I loved how this book starts with their conversation which was so much fun to read!...I was rooting for them so much' 'I love the concept of this book ...I felt it captured it perfectly in ebook form. I've never read anything like it and for that I loved it!' 'A short fun read. I loved both of the main characters...Looking forward to reading more from this author'

A young widow encounters the man who fueled her dreams for years in this erotic Regency romance by the #1 New York Times bestselling author. Seven years ago, on the eve of her wedding, Lady Jessica Sheffield witnessed a scandalous scene: the young

rakehell Alistair Caulfield giving himself to a very pleased—and paying—lady. Shocked yet titillated, Jessica nevertheless walked down the aisle. Throughout her serene yet unremarkable marriage Alistair lived in her illicit fantasies. But now fate has left her a childless widow. Meanwhile, Alistair ran far from his disreputable life—and the beautiful debutant he could not have. Now a successful shipping merchant, he has little in common with the man Jessica once knew. But when she steps aboard his ship for a transatlantic passage, seven years' worth of denied pleasures are held in check by nothing more than a few layers of silk. And as they set sail, they finally surrender to overpowering waves of passion. "The book that inspired Bared to You."—Sylvia Day

SAMPLE EXCERPT: “ What was the inspiration behind the creation of this book? ” Although many people have expressed how much Bared to You resembles Fifty Shades of Grey, Day said in interviews that her real inspiration for writing this book is her own novel, Seven Years to Sin. It is a historical novel also dealing with a couple recovering from difficult, abusive pasts. In Seven Years to Sin, the main characters were brought together by their histories. But Day wondered how it would be like if the past of two people very attracted to each other push them apart. What if their trauma inhibits them from connecting with the person they are in love with? Can an abuse survivor be able to have a functional and healthy romantic relationship with another abuse survivor? Day wanted to explore that. This premise, the desire to answer these questions at least in the context of a story, resulted in the plotline that will encompass the three books in the Crossfire series. - - - - Don't miss out! It's highly recommended. if you're a real literature junkie or a diehard fan of the novel (I am both) it's really a must read.
