

Cypress Point

Tis the season and the good folks of Cypress Point know how to celebrate in style. Join the (LOL)4 and other members of the community as they share the love, laughter and tears of the Christmas season, all the way through to New Year's Eve. You'll find your spirits rekindled and your heart lifted by A Cypress Point Christmas. an anthology of holiday stories. Don't miss out on the fun! Family, friends and faith come together in a collection to brighten your holiday experience. Get swept up in this emotional tale of regret and rebirth by bestselling author Diane Chamberlain. Joelle D'Angelo's best friend, Mara, is left with brain damage after she suffers

Acces PDF Cypress Point

an aneurysm giving birth to her son. Alone and grieving, Joelle turns to the only other person who understands her pain: her colleague—and Mara's husband—Liam. What starts out as comfort between friends gradually becomes something more...something undeniable. Torn by guilt and the impossibility of her feelings for Liam, Joelle sets out determined to find help for Mara, no matter how unconventional the source. Her search leads her to a mansion in Monterey, California, and into the life of a woman shrouded in mystery. Carlynn Kling Shire is a healer and, according to Joelle's parents, saved Joelle's life when she was an infant. As Joelle is guided down an unfamiliar path by a woman keeping her own shocking secrets, she discovers that while

Thomas Steinbeck has been praised by Publishers Weekly for his stylistic brilliance and “accomplished voice.” Now, his enthralling novel In the Shadow of the Cypress blends

history and suspense with literary mastery and brings vivid realism to California's rich heritage. In 1906, the Chinese in California lived in the shadows. Their alien customs, traditions, and language hid what they valued from their neighbors . . . and left them open to scorn and prejudice. Their communities were ruled—and divided—by the necessity of survival among the many would-be masters surrounding them, by struggles between powerful tongs, and by duty to their ancestors. Then, in the wake of natural disaster, fate brought to light artifacts of incredible value along the Monterey coast: an ancient Chinese jade seal and a plaque inscribed

in a trio of languages lost to all but scholars of antiquity. At first, chance placed control of those treasures in the hands of outsiders—the wayward Irishman who'd discovered them and a marine scholar who was determined to explore their secrets. The path to the truth, however, would prove to be as tangled as the roots of the ancient cypress that had guarded these treasures for so long, for there are some secrets the Chinese were not ready to share. Whether by fate, by subtle design, or by some intricate combination of the two, the artifacts disappeared again . . . before it could be proved that they must have come there ages before

Europeans ever touched the wild and beautiful California coast. Nearly a century would pass before an unconventional young American scientist unearths evidence of this great discovery and its mysterious disappearance. Taking up the challenge, he begins to assemble a new generation of explorers to resume the perilous search into the ocean's depth . . . and the shadows of history. Armed with cutting-edge, modern technology, and drawing on connections to powerful families at home and abroad, this time Americans and Chinese will follow together the path of secrets that have long proved as elusive as the ancient treasures

that held them. This striking debut novel by a masterful writer weaves together two fascinating eras into one remarkable tale. In the Shadow of the Cypress is an evocative, dramatic story that depicts California in all its multicultural variety, with a suspense that draws the reader inexorably on until the very last page.

Annual Report of the Directory

In All the Memorable Rounds, author Tripp
Bowden asserts that it is the experience that

Acces PDF Cypress Point

defines a golf course. This includes the experience from the parking lot to the pro shop, the golf course to the caddies, the first tee jitters to the eighteenth tee with all bets on the line. The experience is at the nineteenth hole, commiserating over a pint to the ones that got away, raising a glass to the ones that didn't. Bowden includes his own stories from some of the most noteworthy courses in America, while weaving in testimonies from fellow golf lovers and professionals. From Augusta National to Cypress Point, and many in between, the reader can live, love, and learn

Acces PDF Cypress Point

alongside Bowden and friends. Featured experiences include:

- Playing a round at Palmetto Golf Club and discovering the never-before-told story behind course designer Alister MacKenzie.
- Learning about Ben Hogan's private table in the grill room at Shady Oaks and learning the true secret to the Hogan swing.
- Reliving the game of golf for the first time again at a municipal golf course in Augusta, Georgia, called the Cabbage Patch, through the eyes of a nine-year-old first-time golfer.

All the Memorable Rounds goes beyond the slope ratings and dives deep into the experiences that make the

game of golf one of the oldest and most celebrated in the world.

George Plimpton chronicles his month spent on the PGA tour in *THE BOGEY MAN*, now repackaged and including a foreword by Rick Reilly and never-before-seen content from the Plimpton Archives. What happens when a weekend athlete--of average skill at best--joins the professional golf circuit? George Plimpton, one of the finest participatory sports journalists, spent a month of self-imposed torture on the tour to find out. Along the way, he meets amateurs, pros, caddies, officials, fans, and hangers-on. In *THE BOGEY*

Acces PDF Cypress Point

MAN, we find golf legends, adventurers, stroke-saving theories, superstitions, and other golfing lore, and best of all, Plimpton's thoughts and experiences--frustrating, humbling and, sometimes, thrilling--from the first tee to the last green. This intriguing classic, which remains one of the wittiest books ever written on golf, features Arnold Palmer, Dow Finsterwald, Walter Hagan, and many other golf greats and eccentrics, all doing what they do best.

Or, Why We Went Gypsying in the Sierras

A Cypress Point Christmas

Throughout the world, few golf courses are as revered as California's Cypress Point Club — not just for its breath-taking beauty but for its architectural significance. Located on the Monterey Peninsula along the white sands and steep cliffs that border the Pacific Ocean,

Acces PDF Cypress Point

the beauty of Cypress Point is the equal of its more famous neighbor Pebble Beach. Unlike Pebble, however, the history of Cypress Point has been relatively unknown. That is, until now. Alister MacKenzie's Cypress Point Club, by Geoff Shackelford, is a biography of both the creation and the creator of this legendary and elusive layout. Typical of Shackelford's work, the book is richly detailed and painstakingly assembled. Remarkable vintage photographs and insightful text not only take you back to the 1920s, they take you through the mental and physical process that went into developing each and every hole — including the spectacular 16th, arguably the most famous hole in the world.

West Golden-so easy to hate, yet so hard to resist. Don't let that pretty face of his fool you. He isn't the boy next door, or the kind you trust with your heart. He's the devil in designer jeans, with all

Acces PDF Cypress Point

the charm of a bona fide psycho. Trust me. He swears I did something to cross him before I even stepped foot inside Cypress Prep, but it's a lie. No one knows better than me that I'm all out of chances. One more misstep and I can kiss my future goodbye, which means I can't possibly be guilty of whatever he thinks I've done. West marks me with a target anyway, and as this town's football star, no one dares to go against him. His money, status, and the loyalty of his equally entitled brothers makes him seem untouchable. Only, I know better than that. This false god isn't infallible like he wants the world to believe. Whenever I stare into those devilish green eyes, I see it plain as day. The chink in his armor. His one and only weakness. Me. The King of Cypress Prep has finally met his match, and taking him down just became an inside job.***The Golden Boys are all smokin' hot, but there's only one guy for Blue Riley, which means this

Acces PDF Cypress Point

romance isn't a reverse harem. Also, full disclosure, this saga does contain strong bully themes. So, if you're not into romances where hate turns into love (well ... eventually), and if you don't like your heroes of the unapologetically alpha variety, this might not be the book for you. There is no rape or dubious consent whatsoever. However, due to adult themes and sexual situations, this one's only for the 18+ crowd. This series is sure to give you GOSSIP GIRL and ONE TREE HILL vibes, and the angst will keep you burning through the pages to find out what happens next. One-click and get lost in this series today!
