

Dark Secrets Of The New Age

The winner becomes king whereas the loser becomes the despised, the processes that lead to winning are of secondary importance. For as long as they end up as the winner, they can always gloss over their reputation by rewriting history after victory. Most successful dark secret practitioners either consciously or subconsciously follow a common pattern of thought. In a rather humorous manner, this book attempts to expose this pattern of thought to the ordinary people who are unaware of it. By writing this book I hope to improve the overall transparency of society, by exposing the dark secrets to success I hope to promote progress in human civilization.

Two girls haunted by the past...and destined to relive it In *Legacy of Lies*, Megan has to stay with the uptight grandmother she wants nothing to do with. She's determined to get through the visit without any drama, but when she falls into a twisted love triangle with potentially fatal consequences, Megan may be caught up in her family's legacy in more ways than she realizes. In *Don't Tell*, Lauren knows that by returning to the town where her mother drowned seven years ago, she'll be reliving one of her most haunting memories. When she arrives, she is propelled into a series of mysterious events that mimic the days leading up to her mother's death. Maybe her mother's drowning wasn't an accident after all...and maybe Lauren is next.

This book is about Pastors all over the world how they have falling doing the duty behind the pulpit and the things I went through, did as a pastor putting on and taking off the wrong doing behind the pulpit. You will see the wrong doing with money and blessing in the church today. We will also see how a man or women of God is called from birth by God, how much they go through as a child before they ever get behind the pulpit, how manipulative people are, people are being used because of low self-esteem in the church. This book will really enlighten you how to be blessed in your life. I know you have been told that you can't judge anyone but this book will show you that you can judge, we will see the real power of God in this book, also we'll find out how to know when we are out of God will how things will happen to us in our life to help us get back in his will. This book will also show us how the power of the devil is real; the devil will make himself known unto you in your life. This book is for real and true about the knowledge of the church world today and how to recognize the true evil in the church today the lust, lies sexual sons, in the church world and how the church is hiding this behavior and people can't discern it well this book will help you open your eyes and understanding

and any questions about the church world today.

Let Sleeping Ghosts Lie Twelve years ago Kate's family left the Westbrook estate on a stormy night, just after young Ashley Westbrook drowned in an icy pond. Now Kate, alone in the world, has returned to the estate to tutor another spoiled Westbrook child, Patrick. The seven-year-old says he talks to Ashley by the pond. He does dangerous, deadly things because, he says, "Ashley dared me to." Just as Ashley once dared a shy, little Kate twelve years ago. But at seventeen Kate is not so easily intimidated by "Ashley" or hostile members of her family or the forbidding housekeeper. Then Sam, the handsome stranger to whom Kate is irresistibly drawn, reveals a tragic piece of the puzzle that connects him to Kate. Sam tells Kate to leave -- either out of concern for her or due to a festering anger, she's not sure. But Kate will not abandon Patrick to the evil that is haunting him and threatens to destroy them all.

Dark Secrets: Legacy of Lies & Don't Tell

Magic is the activation of codes of consciousness capable of collapsing time. These codes exist in all humans, in a field of energy and power called the super conscious, or the gold mind. This book is the New Spirituality, carrying the New Myth of Awakening and the Awakened. Because the Truth is this: You are wired for magic. Thriving is your natural state. And genius is in your bones. You've just been running your great godly power through a tiny, cramped, low-voltage energy management system that was never built to handle the demands of a genius giant like you. It's like trying to light up all of Los Angeles on a single generator. Hello lights off most of the time. Blindness.

Stumbling around in the deep shadows thinking something is terribly wrong with your generator. There's nothing "wrong" with it. It just needs to be replaced with a Universal Power Management System, which you already have all wired up, and connected, and in place, you just gotta be told where the switch is. And then? Magic is inevitable. And I do mean magic: What any typical human would consider "impossible," "miraculous" and totally inexplicable. You know, like the way a Neanderthal would feel about an iPhone. Because magic is not a mystery. It's a spiritual science. And I'm here to teach it to you. And why does the world need ANOTHER book on manifestation exactly? Yes, I've heard of a little, no-name piece of work called "The Secret." The one that's right up there with the BIBLE in terms of global sales and impact, and that's ALL ABOUT manifestation and features people

WAY MORE POPULAR AND WELL-KNOWN than I, who are considered the world's EXPERTS on this very subject. So HOW EXACTLY do I expect to hold a candle to THAT? I'm so glad you asked. So just to kinda summarize your position (which is completely understandable by the way)...You're saying there are these spiritual giants roaming the land of manifestation.....and who am I to go up against them. Do I have that right? Cool. So lemme tell you this story, maybe you've heard it. About David and Goliath? Where Goliath was the giant? Who was terrorizing the Israelites? And every day he'd lumber his huge, terrifying self out onto the battlefield and dare someone to face him in single combat. But hello. He was a fucking giant. And they were all "just humans." So even Saul, the KING of Israel, was like, hmmm. No thanks. So this went on for forty days. Then one day a little shepherd boy named David, who was bringing food to his brothers, heard about all this hullabaloo, and was like, Jesus Christ (well, not yet. This is still Old Testament times, but you get the point). I'll do it. Saul offered David his armor, and David was like, Hey, thanks, Saul, King of Israel who's supposed to be doing this but isn't because you're too scared. I'm cool. I have my SLINGSHOT. And he went out into the field, swung that fucker around, hit Goliath right in the center of his forehead (so, ummm, in this THIRD EYE), and down that great and terrifying giant went. And then a little later, that no-name shepherd boy became King. The subtitle of this book isn't called "Magic and the Takeover of Consciousness" for nothin'. I know what I'm up against. And I know exactly where to aim my shot. And I know that when you see that beautiful philosopher's stone of the truth of consciousness travel its most arresting arc through the air of spiritual intelligence and hit the giants of manifestation right in their third eye, (which is totally blind), your third eye will FLY OPEN and that will be the end of that. Because the truth there's a dirty secret no one's talking about in the world of spiritual transformation, self help and the way manifestation is being taught: None of it really works all that well and even the inner circle of spiritual gurus can't manifest on demand. I'm here to change that for you.

This is not a guide that will tell you step-by-step HOW to survive. This is a reality check that will tell you that everything you have expected and planned for is probably wrong. Selco is a household name in prepping and survival circles. He survived the Balkan War in a city with no power, no running water, and no supplies. For a year, he and his family fought every single day for bare subsistence. Over the years since the war, Selco has written nearly a quarter of a million words of memories, articles, and advice. This book is a collection of his darkest moments. The first thing you must do when disaster strikes is to adapt

quickly to the "new rules" that apply when the SHTF. And to do that, you need to know what it's like so you won't be shocked...frozen...paralyzed by the atrocities taking place right in front of you. This book is Selco's version of tough love. There's nothing watered down about it. It is a collection of stories, memories, and articles he has documented over the past decade. He has revisited those horrible days to give us the reality check we must have. It's a glimpse into the day-to-day events of the SHTF. It is smelly. It is dirty. It's dark and brutal. It's REAL. It is all the stuff that Selco rarely talks about because the memories are so ugly. **WARNING:** This book contains graphic content. It truly gives you the terrifying reality of the SHTF and you need to know these things. in order to survive if you ever find yourself in the chaos and mayhem of an apocalyptic situation. It is not a cheery, optimistic overview of the SHTF. It's dark, brutal, and shocking. It is the real, gritty truth about what it's like to live in a world where everyone has become something other than an ordinary human. Where death and fear are constantly near. Where evil comes out to play. Don't say we didn't warn you. **PLEASE NOTE:** This book is written by a person from Bosnia. English is not Selco's first language. The book is lightly edited for clarity but these stories are his and should be told in his own words.

He's a bad boy in danger. The same man I should stay miles away from. I've got no intention of falling in love with Bastian. But he's taking my heart... piece by piece every single day. I want to trust him. I want to tell him how I feel. But there's no way our reality will allow that. Bastian is wild. I know because I work for his older brother. Little did I know that I would be dragged into his life. But then he showed up at my doorstep with a knife wound. My jaw dropped to the floor. My heart began to palpitate. And I only had one choice... to take him in. Something tells me that he's out to harm me... If I can't trust him with my heart, can I at least trust him with my life?

A blistering, timely and gripping novel set at Cambridge University, centring around an all-male dining club for the privileged and wealthy. Hans Stichler's uncomplicated German childhood ends abruptly when his aunt invites him to study at Cambridge, where she teaches. She will ensure his application is accepted, but in return he must help her investigate an elite university society, the Pitt Club, which has existed for centuries, its long legacy of tradition and privilege largely unquestioned. But there are secrets in the club's history, as well as in its present, and Hans soon finds himself in the inner sanctum of an increasingly dangerous institution, forced to grapple with the notion that sometimes one must do wrong to do right.

Behind the Dark Vinci Code? This is fascinating, unflinching expose about the most secretive institution in the world. Overall, reforms are taking place, but they're highly dependent on the Church leadership, their behavior, their trust to changing mindsets and systems."

Dark Secrets to Success

Our Dark Secret

Dark Secrets of Hidden Magic

Number 15 in series

The Deep End of Fear

The idea for this book began over four decades ago when Edward Teller began teaching physics appreciation courses at the University of Chicago. Then, as now, Dr. Teller believes that illiteracy in science is an increasingly great danger to American society, not only for our children but also for our growing adult population. On one hand, the future of every individual on this globe is closely related to science and its applications. Fear of the results of science, which has become prevalent in much of the Western World, leads to mistaken decisions in important political affairs. But this book speaks of no fears and of no decisions—only of the factors that can prevent one of them and indirectly guide the others. From the perspective of this book, a second point is even more significant. The first quarter of this century has seen the most wonderful and philosophically most important transformation in our thinking. The intellectual and aesthetic values of the points of view of Einstein and Bohr cannot be overestimated. Nor should they be hidden at the bottom of tons of mathematical rubble. Our young people must be exposed to science both because it is useful and because it is fun. Both of these qualities should be taken at a truly high value.

Psychic...or psychotic? Anna knows her family is crazy. But when she goes to visit her aunt and uncle for the summer and learns that her uncle's charred body has been found, her life reaches a new level of insanity. Her erratic aunt's "psychic" abilities are exaggerated by her grief, and have become borderline violent. Alone in an unfamiliar town, Anna struggles to pick up the pieces and establish any sense of normalcy. She desperately wants to trust Zack, the cute boy next door, but even he might know more about the incident than he is letting on. But when Anna starts feeling an inexplicable pull to the site of her uncle's murder, she begins to believe that her family's supernatural gifts are real after all. Torn between loyalty and suspicion, Anna is certain of only one thing: she must discover who killed her uncle or she could be next....

Something is haunting Megan... She had seen Scarborough House only in her dreams. Now Megan was here, visiting the grandmother she'd never met, and her newfound cousin Matt, tall and handsome by far, who wanted her to disappear. Grandmother was so cold, so distant. Why did she finally reach out to Megan after all these years? And why was Matt so determined to call her his "almost" cousin? For all her prophetic dreams, nothing could have prepared Megan for Matt's astonishment when he first saw her...or the reaction of perfect strangers who looked at her with fascination -- and fear... Megan thought she knew who she was. Until she came to Grandmother's house. Until she met Matt, who angered and attracted her as no boy had ever done before. Then she began having dreams again, of a life she never lived, a love she never knew...a secret that threatened to drive her to the grave.

A veteran White House reporter reveals our 37th president was even more sinister and haunted than we knew. Richard Nixon left the White House in 1974 as our most disgraced president, but the American people never knew the full extent of his demons, deceptions, paranoia, prejudices, hatreds, and chicanery. Calling on his work in covering Nixon, scores of interviews with members of Congress, White House staffers, and others close to our nation's thirty-seventh president, and invaluable, newly declassified documents and recordings, veteran journalist Don Fulsom sheds new light on "Tricky Dick." The author's revelations include: - That

the future president sabotaged the 1968 peace talks for political gain - By the time Nixon became president in 1969, he had linked to the mob for more than two decades and, as president, had a close connection with New Orleans boss Carlos Marcello, the most powerful Mafioso in the nation - The president had a drinking problem and top aides referred to him as "Our Drunk" - Nixon had a misogynist streak and was abusive toward first lady Pat Nixon - The intimate and possibly homosexual nature of Nixon's relationship with confidante Charles "Bebe" Rebozo, a banker with mob ties - Testimony alleging that the president had ordered the killing of White House reporter Jack Anderson Fulsom's examination of these and other startling aspects of Nixon's personal and political dimensions paint an unflinching portrait of a leader who was once the most powerful man in the world. Nixon's Darkest Secrets provides a chilling final chapter in literature on our most troubled president.

The Dark Secret In The Church

From the author of The Missing Girl, Jenny Quintana's gripping novel, Our Dark Secret, tells the story of two girls, two deaths and two decades of silence . . . The crazy girls, they called them - or at least, Elizabeth liked to think they did. As a teenager in the late 1970s, she was clever, overweight and a perfect victim for the bullies. Then Rachel and her family arrived in town and, for Elizabeth, it was as if a light had been switched on. She was drawn to the bright and beautiful Rachel like a moth to a flame. Rachel had her own reasons for wanting Elizabeth as a friend, and although their relationship was far from equal, Elizabeth would do anything for Rachel. Then the first body was discovered. Twenty years on, Elizabeth wants nothing more than to keep the secrets of her teenage years where they belong: in the past. But another body has been found, and she can't keep running from what happened. Can she?

The Dark Family Secrets

Some secrets change the world The good news: I have a new life in a crazy city full of actual magic. Wild, right? The bad news: I still don't have a guild, which means I'm halfway to being an outlaw. My days here are numbered. When an enchanted book reveals dark secrets from Guild City's past, a dangerous threat rises. Worse, it has stained my friend Mac with a deadly curse. It's up to me to save her-and maybe even the city itself-but the only person who knows about the city's hidden past is the Devil of Darkvale, my Cursed Mate. The immortal vampire could be my downfall. But if I want any chance of saving Mac and the city I love, I must go to him for answers.

Dive into darkness with this dark romance suspense series. Brace Yourself... Some Are Worse Than Him! Many years ago, the world's wealthiest individuals separated themselves from the rest of society to secretly enhance the genetic makeup of their future offspring. There were some unintended consequences. Their descendants have strengths and abilities that far surpass those of ordinary humans. With each generation, they grow more powerful, the males more so than the females. To maintain their secret world of indulgence and self-gratification, these enigmatic ruling elites launch The Recruitment Program, an arrangement that gives accepted citizens the 'opportunity' to service them. Admitted applicants know only this: Once signed, the contract is binding - Opting out is not possible They will be paid for services rendered They will not be permanently damaged Their memory is erased before they return home Dark Secrets is a fast-paced adult dark romance novel set in a futuristic world where the ruling class is undergoing preparations to dominate the citizens. They have no inhibitions & ordinary females are their playthings. For mature audiences only - this book includes steamy hot content!

'If there has been a better mystery suspense story written in this decade, I can't think of it'
STEPHEN KING _____ Apologies for the general email, but I desperately need your help. My goddaughter, Coco Jackson, disappeared from her family's holiday home in Bournemouth on the night of Sunday/Monday August 29/30th, the bank holiday weekend just gone. Coco is three years old. When identical twin Coco goes missing during a family celebration, there is a media frenzy. Her parents are rich and influential, as are the friends they were with at their holiday home by the sea. But what really happened to Coco? Over two intense weekends - the first when Coco goes missing and the second twelve years later at the funeral of her father - the darkest of secrets will gradually be revealed... Taut, emotive and utterly compelling, THE DARKEST SECRET is an unputdownable 'ripped from the headlines' novel that you will want to talk about with everyone you know. _____

Don't Tell

The Brutal Truth about Violence, Death, and Mayhem You Must Know to Survive

The Back Door of Midnight

Mind control is a tool that one can use for good or evil purposes. It all depends on the type of mind control that is involved and the intent of the individual who wants to apply it. It also depends on whether the target or subject of mind control will benefit from it or is harmed. Nonetheless, mind control is a very intriguing and fascinating topic. The majority of us use some form of mind control such as persuasion or manipulation in our everyday lives to get what we want from others and to achieve our goals. Some of us even have used the mind control technique of self hypnosis on ourselves for self improvement in the areas of weight loss, reducing stress levels, or eradicating bad habits such as smoking from our lives. Mind control is a vast subject that has many components and factors to it and to get the proper understanding of it and the many techniques that are involved, it must be examined and explored in great detail. In his book entitled Banned Mind Control Techniques Unleashed author Daniel Smith covers in detail Mind Control and its associated techniques that are literally hidden away from the general public. You will learn about the dark secrets of hypnosis, manipulation, deception, persuasion, brainwashing and human psychology. After reading this book you will have a deeper understanding of mind control and its core principles. You will also have the information that you need to use mind control on others or stop others from using mind control on you!

A serial killer stalks Harlem's Strivers' Row... On a sweltering Harlem summer night, ex-cop Mali Anderson steps out to celebrate her friend Claudine's divorce from a handsome, cheating deadbeat who couldn't keep his fists out of her face. But Claudine doesn't show up for their dinner. Instead, she is found brutally murdered in her elegant home just off Strivers' Row, and Mali has no doubt Claudine's ex did it. Despite his threats, she can't keep out of the investigation. Especially when another woman meets the same savage, bizarre fate.... The two murders are just the start of a trail that leads street-smart Mali through the trash-talking and wise philosophizing of barbershops, beauty parlors, and bars...and toward a cunning killer whose homegrown hatred is zeroing in on Mali herself.

The end time is fast approaching learning everything that interferes with it, and the way the anti-Christ deceives humans is a must for everyone to know, most especially Christians. This book reveals about the truth behind the secrets of the Illuminati and how they are working double time to achieve their goal, to form the One World Government. This is a must, not just for Christians, but for a lot of people to read about the truth behind the dark secrets of the Illuminati and how they share their views and goals with the Bilderberg group. It is essential for humans to learn about the blueprint that the Illuminati, has formulated and how determined they are in making this happen. Who would think that the 3 World Wars were not naturally formulated? We have exposed everything for everyone to know how things are going from day 1 of the Illuminati up to this day and age. The New World Order, the Bilderberg group and how these elitists are planning to come up with a one world government is the idea that these groups share with one another and how they work to reach their goals. In this "flawless," fast-paced crime thriller, Scandinavia's hottest new writing duo, Michael Hjorth and Hans Rosenfeldt, present the first book in the Sebastian Bergman series (Politiken). It all begins with a call to the police. A sixteen-year-old boy, Roger Eriksson, has gone missing in the town of V ä ster å s. A search is organized and a group of young scouts makes an awful discovery in a marsh: Roger is dead. Meanwhile, Sebastian Bergman, psychologist, criminal profiler and one of Sweden's top experts on serial killers, is in V ä ster å s to settle his mother's estate following her death. Sebastian has withdrawn from police work after the death of his wife and daughter in the 2004 tsunami. When the Crime Investigation Department asks Sebastian for his help in Roger's case, his arrogant manner at first alienates the rest of the team. Pushing forward, though, they begin to make disturbing discoveries about the private school Roger attended . . .

The Inside Story of America's Most Troubled President

The Dark Secret

Kissed by an Angel; The Power of Love; Soulmates

He'd do anything to protect his wife. But what if that meant making the biggest mistake of all? James Casper is one of the good guys. A DEA agent. A loyal husband. With his sights set on the man at the top of the city's opioid crisis, James is about to make the biggest bust of his career. Then his beloved wife Rosie does something terrible, and James must choose: report it--or help her. He knows how this works, and he tells himself he's smart enough to get away with murder. But James's worst enemy knows what they have done--and he won't hesitate to use it to manipulate him. James is dragged into a dark and dangerous world. As events spiral and loyalties are tested, he realizes there's only one way out. And that is to be even more ruthless than the people he's working for. Whatever happens, no matter how far he falls, at least he'll still have Rosie. Won't he?

A love beyond life...a danger beyond doubt. In a romantic and suspenseful collection of the New York Times bestselling trilogy, love's unbreakable bonds are put to the test. When her boyfriend, Tristan, died, Ivy thought she'd lost everything, even her faith in angels. But now she's discovered that he's her guardian angel—his presence so strong that she can feel the touch of his hand, the beat of his heart. Ivy needs Tristan now more than ever because he knows she's in terrible danger. Only Ivy's guardian angel can save her now that his killer is after her. But if Tristan rescues Ivy, his mission on earth will be finished, and he must leave her behind forever. Will saving Ivy mean losing her just when he's finally reached her again?

On August 18, 1951, in Barbados, my mother, Clara Carter, gave birth to me, Doris Carter, and my twin sister, Dorothy. Dorothy, who was head of records of the United States was the family secret. My mother gave Dorothy away when she was born so I never knew her, but she always knew about me. In my early thirties, I moved to Montreal, Canada, where I won the lottery for five hundred thousand dollars. My sister, Dorothy Allen, who was living in New York City at the time found out about my winnings and made her way out to Montreal, Canada. After going through hell and back with my estranged husband to get the ticket from him, I couldn't even cash in the lotto ticket. I was told that according to their records, I had died on the seventh of April, and they had the death certificate to prove it. Turns out that my twin sister, Dorothy, and my ex-sister-in-law, Angela Smith, along with a lawyer by the name of Albert Gomberg committed a federal crime and filed the certificate, and a doctor from Montreal General Hospital signed off on it. Question, what would you do in my position? When your back is against the wall and you don't know who you can trust, not even your own lover? Follow me through all the crazy twists, turns, and evil ways family can betray

you.

Nixon's Darkest Secrets

The Dark Secrets Behind the Pulpit

No Time to Die

Learn the Dark Secrets of Hypnosis, Manipulation, Deception, Persuasion, Brainwashing and Human Psychology

The Club

On a sabbatical from his Stanford teaching position, Professor David Levinson finally has time to write the sci-fi novel he's been thinking about for years. The phenomena of past life memories and near-death experiences are too controversial to include in his formal psychiatric research, while fiction is the perfect outlet for his esoteric ideas. Hoping that a change of pace will provide the inspiration he needs, David accepts a friend's invitation to an old Scottish castle. Except, what he finds there is more fantastical than his most outlandish theories. The castle is home to a clan of immortals, their leader is a stunning demigoddess, and even more shockingly, it might be precisely where he belongs.

What really happened to Mother? Lauren has come home seven years after her famous mother's mysterious drowning. They said it was an accident, but the tabloids screamed murder. Her father, a senator, hadn't protected her. Aunt Jule was her only refuge, the beloved godmother she's returning to see. Lauren stops at Wisteria's annual street festival and meets Nick, a tease, a flirt, and a childhood playmate. The day is almost perfect -- until she realizes she's being watched. Arriving at Aunt Jule's, Lauren is shocked at the decay of the riverfront home. Aunt Jule seems angry and defensive, even as she fusses over Lauren at her daughter Holly's expense. Nora, Jule's other daughter, is silent and spooky, and stares at Lauren with frightening intensity. Meanwhile, Nick has acted as if he wants to be more than Lauren's friend. So why is he suddenly glued to Holly and almost hostile to Lauren? How can she trust him -- especially now that a series of nasty "accidents" makes Lauren realize that somebody wants her dead? This time, there's no place to run.

Colby Jansen has been raising her step-siblings, Ginny and Paul, single-handedly since her beloved stepfather, Armando Chevez, died. She's also been working herself into the ground to keep the family ranch running, but now she's got a real fight on her hands. Members of the Chevez family, along with two of the powerful De La Cruz brothers, for whom Colby's family has worked for centuries, arrive at her door, intending to take custody of the children and dispose of the ranch. For ancient Carpathian Rafael De La Cruz, the world has become dark, and he is in danger of turning vampire. But when he meets Colby, he knows immediately that she is the one who could save him. Colby finds the handsome Rafael threatening but, against her better judgement, she is also irresistibly drawn to him. They quickly find that they are an equal match in terms of fiery temperament and stubbornness, but when an ancient and powerful vampire begins stalking Colby and her

family, she and Rafael combine forces to combat a deadly evil...
Lost in the struggle to find happiness again after losing her family and moving to a new country, Ara befriends the oddly alluring David Knight. Torn between the love of a childhood friend and the deep connection that's forming with David, she will be asked to make a decision about their relationship before she's even ready to admit her feelings. But a cruel stranger enters her life on the night of the town masquerade and forces her hand, taking away what little innocence Ara had left.

Dark Secrets Resurgence

The Dark Secrets of the Illuminati the Truth Revealed

The Dark Secrets of SHTF Survival

Hush, Hush

Legal and Social Controls over Reputation, Propriety, and Privacy

Two girls haunted by the past... and destined to relive it. Legacy of Lies (Book #1)

When Megan arrives at her grandmother's house she immediately feels that there is something curiously familiar about the place. She's been there in her dreams, or rather her nightmares, but still cannot place what exactly it is that gives her the creeps. All Megan wants to do is get through the visit without any drama, but as the house starts to reveal its secrets and the past comes to light, Megan finds herself caught up in a twisted love triangle with potentially fatal consequences. Don't Tell (Book #2) Lauren knows that by returning to the town where her mother "accidentally" drowned seven years ago, she'll be reliving one of her most haunting memories. When she arrives, she is propelled into a series of mysterious events that mimic the days leading up to her mother's death. Could it be that her mother's drowning wasn't an accident after all? And as the past unravels around her Lauren begins to wonder whether she might be next... For fans of YA paranormal romance & supernatural suspense.
