

Dark Tournament Vinci O Muori Volume 1

A scarred, mortal witch. A dragon-shifter with a terrifying reputation. Constance Rinehart has a tortured past. Her mother died in the hands of a ruthless man, and she grew up with a closed heart. After recent bandit raids, Everbrook is starving for food, forcing Constance to sacrifice herself in the Offering--an event where young maidens are mated to dragon gods. When she is paired with the most brutal man in the world, her worst fears come true. Rayse Everstone, lord of the largest dragon shifter clan ever, has been searching for his mate for the last five-hundred years. He is at odds with his clan and feared by the humans. When his mate rejects him, and tensions amongst his kind rise, he faces the threat of having all he has built collapse... and even the loss of his own life. *OBSIDIAN WINGS* is the first novel in a four-book fantasy romance series. The *SOUL OF A DRAGON* series explores the world of Gaia, where dragons roam and magic is rampant. All four books have been written and edited before being published together. This series contains scenes of abuse, sexual content, and violence, which makes it unsuitable for the light-hearted.

In the epic conclusion to the *Falling Kingdoms* series, sworn enemies must become allies as they fight to save Mytica. Jonas continues to willfully defy his destiny, but the consequences of plotting his own course are drastic. As the fight

for Mytica rages on, he must decide just how much more he's willing to sacrifice. Lucia knows there's something special about her daughter and she'll do anything to protect her, even if that means facing Kyan alone. Amara is called back home to Kraeshia. Grandma Cortas has her own plans for Mytica's future. She promises Amara power, revenge, and dominance if she agrees to be part of her scheme. Magnus and Cleo's love will be put to the ultimate test. Dark magic is causing widespread destruction throughout the kingdom. Enemies across the sea are advancing. And unrest is stirring throughout the land. Is their love strong enough to withstand the outside forces tearing them apart?

Rumor Mora fears two things: hellhounds too strong for him to kill, and failure. Jude Welton has two dreams: for humans to stop killing monsters, and for his strange abilities to vanish. But in no reality should a boy raised to love monsters fall for a boy raised to kill them. Nyx Llorca keeps two secrets: the moon speaks to her, and she's in love with her best friend, Dahlia. Braeden Tennant wants two things: to get out from his mother's shadow, and to unlearn his colony's darkest secret. To save everyone they love, they'll both have to commit treason. During one twenty-seven-hour night, these four runaways must stop the war between the colonies and the monsters from becoming a war of extinction, or the things they fear most will be all that's left.

"It's like a cross between Jurassic Park and Game of Thrones." —George R. R.

Martin A world made by the Eight Creators on which to play out their games of passion and power, Paradise is a sprawling, diverse, often brutal place. Men and women live on Paradise as do dogs, cats, ferrets, goats, and horses. But dinosaurs predominate: wildlife, monsters, beasts of burden—and of war. Colossal plant-eaters like Brachiosaurus; terrifying meat-eaters like Allosaurus, and the most feared of all, Tyrannosaurus rex. Giant lizards swim warm seas. Birds (some with teeth) share the sky with flying reptiles that range in size from bat-sized insectivores to majestic and deadly Dragons. Thus we are plunged into Victor Milán's splendidly weird world of The Dinosaur Lords, a place that for all purposes mirrors 14th century Europe with its dynastic rivalries, religious wars, and byzantine politics...except the weapons of choice are dinosaurs. Where vast armies of dinosaur-mounted knights engage in battle. During the course of one of these epic battles, the enigmatic mercenary Dinosaur Lord Karyl Bogomirsky is defeated through betrayal and left for dead. He wakes, naked, wounded, partially amnesiac—and hunted. And embarks upon a journey that will shake his world. Heroines save the day in this empowering collection of folktales from around the world, perfect for fans of Good Night Stories for Rebel Girls. Curses to be broken. Riddles to be solved. Kings' favor to be won. These are the standard stories we've heard in folktales and fables for as long as we can remember--challenges faced and overcome by princes and knights in shining armor. In Folktales for Fearless Girls, though, we see a different set of heroes charge across the page. In fact, we see heroines. Wily women and clever girls, valiant queens and brave villagers--these are the people to save the day in this collection of folktales from around the world and across the ages. Long before J.K. Rowling brought us Hermione Granger, well before Katniss Everdeen entered the arena, these fierce protagonists were the role models for strong girls through the ages. Here we read the story of Jimena, who dresses like a man

to go fight in a war; of Min, whose cleverness leads her family to riches; and of Nabiha, who outsmarts thieves and wins the respect of the king. With stories from China, Russia, Persia, India, Armenia, the UK, Spain, France, Southern Africa, Egypt, and Germany, this is a collection of tales that showcases the original literary feminists. With beautiful full-color art throughout to accompany these empowering tales, this an essential book for all girls! Praise for Folktales for Fearless Girls: "Women of the world are celebrated through joyous illustration and triumphant tales." --Shelf Awareness

Legacy of Ash is an unmissable fantasy debut--an epic tale of intrigue and revolution, soldiers and assassins, ancient magic and the eternal clash of empires. A shadow has fallen over the Tressian Republic. Ruling families -- once protectors of justice and democracy -- now plot against one another with sharp words and sharper knives. Blinded by ambition, they remain heedless of the threat posed by the invading armies of the Hadari Empire. Yet as Tressia falls, heroes rise. Viktor Akadra is the Republic's champion. A warrior without equal, he hides a secret that would see him burned as a heretic. Josiri Trelan is

Viktor's sworn enemy. A political prisoner, he dreams of reigniting his mother's failed rebellion. And yet Calenne Trelan, Josiri's sister, seeks only to break free of their tarnished legacy; to escape the expectation and prejudice that haunts the family name. As war spreads across the Republic, these three must set aside their differences in order to save their home. Yet decades of bad blood are not easily set aside. And victory -- if it comes at all -- will demand a darker price than any of them could have imagined.

For five years, the Gateway has been closed and Hidden and mortals kept apart. For five years, Connie has believed her older sister dead. And for five years, Lissy has been the Swan King's captive. But every day the Swan King's power grows stronger and his thirst for vengeance greater. If Lissy is to keep the people she loves safe, she must risk everything by facing up to her birthright and fulfilling her hidden destiny.

So when she is plucked from her menial labor and selected to replace the last Tutor-in-training, who was executed, Raisa knows that betraying any hint of her past could mean death. Keeping her secret guarded is hard enough, but the romance that's been blossoming between her and Prince Mati isn't helping matters. Then Raisa is approached by the Resistance—an underground rebel army—to help liberate the city's slaves. She wants to free her people, but that would mean aiding a war against Mati. As Raisa struggles with what to do, she discovers a secret that the Qilarites have been hiding for centuries—one that, if uncovered, could bring the kingdom to its knees.
