A new collection of essays from Dodie Bellamy on disenfranchisement, vulgarity, American working-class life, aesthetic values, and profound embarrassment. So. Much. Information. When does one expand? Cut back? Stop researching? When is enough enough? Like Colette's aging courtesan Lea in the Chéri books, I straddle two centuries that are drifting further and further apart. --Dodie Bellamy, "Hoarding as Ecriture" This new collection of essays, selected by Dodie Bellamy after the death of Kevin Killian, her companion and husband of thirty-three years, circles around loss and abandonment large and small. Bellamy's highly focused selection comprises pieces written over three decades, in which the themes consistent within her work emerge with new force and clarity: disenfranchisement, vulgarity, American working-class life, aesthetic values, profound embarrassment. Bellamy writes with shocking, and often hilarious, candor about the experience of turning her literary archive over to the Beinecke Rare Book & Manuscript Library at Yale and about being targeted by an enraged online anti-capitalist stalker. Just as she did in her previous essay collection, When The Sick Rule The World, Bellamy examines aspects of contemporary life with deep intelligence, intimacy, ambivalence, and calm.

In "The Devil's Diaries," Monty Python meets Bridget Jones with a little more fire and a lot more brimstone. In his own words, Satan muses on key dates throughout history--reveling in his role as the mastermind behind the Fall, rock 'n' roll, Y2K, and, of course, global warming. The Dark One grumbles at the way some of his best work has been hijacked and credited elsewhere, and confesses his frustration that many of his efforts go unappreciated. Even Satan falls in love, goes on vacation, suffers from depression, and deserves a little sympathy from time to time. The book is funny as . . . well, you know. In five sections reflecting the main epochs of his reign--with such titles as "Pride Comes Before the Fall" and "The Good Old Days (The Dark Ages)"--the Devil's revelations cover everything from the Fall to--er--Revelations. Through more than 150 pages of dazzling (and, of course, diabolical) words and illustrations, we can take devilish delight in these topics and many, many more:

Old things, historic things, smelly dirty things, all the things that were considered the very opposite of "contemporary," have suddenly irrupted forcefully into architecture and art, blurring their boundaries. This book takes stock of the emerging generation behind this turn, and examines their experimental engagements with the preservation of culturally charged objects. Structured around a series of interdisciplinary dialogues among practitioners and thinkers, and illustrated with recent projects, the book provides a window into the unfolding intellectual frameworks, aesthetic modes, cultural ambitions, and political commitments that are the basis of experimental preservation.

BACKJUMPS - The Live Issue #3: Since 2003, the nationally acclaimed and unique exhibition series BackJumps - The Live Issue has had sensational impact and successes in Berlin. The Backjumps team, built around curator Adrian Nabi, successfully wrapped their third major Live event, in late 2007. While gallery owners and professionals of the culture sector were left rubbing their eyes and the conservative tabloid newspapers elevated the projects profile with cries of scandal, approximately 50,000 enthusiastic art lovers made a pilgrimage to the exhibitions and numerous Backjumps-related side events in Kreuzberg. BackJumps - Live Issue # 3, the three-dimensional Live edition of the legendary Backjumps magazine, once again brought the street art scene together to view works of numerous international artists under one roof. In addition to the actual exhibition, several workshops, panel discussions, lectures, urban walks and partner exhibitions took place. Several large scale murals were painted throughout the city under the Backjumps banner and of course, throughout the course of the events, the streets of Berlin were as alive and visual as ever. All this and much more can be found in the From Here To Fames newly published 320-page (catalogue-)book, BackJumps - Live Issue # 3, which, in keeping with former editions, strikes a bold note with its revolutionary design. The book gives the reader an allinclusive tour of the exhibition rooms, describing with brilliant images and thoughtful texts, the work of the 24 artists and projects. Additional information and numerous other works of each individual artist are also found in the extensive artist chapter of the catalogue.

With the books retrospect of Live Issues # 1 and # 2, light is shed on the Backjumps scandal, and the impact that t

"Polished, poignant... an inspiring story of true love."—Entertainment Weekly A BEST BOOK OF 2019, NPR's Book Concierge SHORTLISTED FOR THE COSTA BOOK AWARD OVER 400,000 COPIES SOLD WORLDWIDE The true story of a couple who lost everything and embarked on a transformative journey walking the South West Coast Path in England Just days after Raynor Winn learns that Moth, her husband of thirty-two years, is terminally ill, their house and farm are taken away, along with their livelihood. With nothing left and little time, they make the brave and impulsive decision to walk the 630 miles of the sea-swept South West Coast Path, from Somerset to Dorset, through Devon and Cornwall. Carrying only the essentials for survival on their backs, they live wild in the ancient, weathered landscape of cliffs, sea, and sky. Yet through every step, every encounter, and every test along the way, their walk becomes a remarkable and life-affirming journey. Powerfully written and unflinchingly honest, The Salt Path is ultimately a portrayal of home—how it can be lost, rebuilt, and rediscovered in the most unexpected ways.

Anyone who has ever filled in a form in triplicate, taken an aptitude test, or been rebuffed by a form letter will appreciate the urban folklore found in this collection. Urban people as a folk are bound together by their unhappy experiences in battling "the system," whether that system is the machinery of government or the office where one works. The wonderfully expressive materials in this book—chain letters, memoranda, notices, and cartoons—touch upon every major controversy of urban America: racism, sex, politics, automation, alienation, welfare, the women's movement, military mentality, and office bureaucracy. The humor of the materials pinpoints the ills and frustrations of modern society and becomes, in turn, an escape from them.

Winner of the Cannes Lions Bronze Award for Design 2013! In today's caffeine-charged, jet-fuelled, celebrity-a-minute world, who actually has the time to learn a thing or two? C'mon, let's face it, life's too bloody short. What you need is instant knowledge. Told in ingenious, award-winning pictograms that are witty, provocative and to the point, Life in Five Seconds takes over 200 important events, inventions, great lives, wonders of the natural world and cultural icons that you really need to know about, and then - hey presto! - cuts away all the useless details. The result is a hilarious visual snapshot that puts all of life into context. You'll laugh out loud as you identify everything from Satan to Santa Claus; Beethoven to Banksy; the Great Wall of China to the Berlin Wall; Elvis, Ikea, videogames and everything in-between. This is the perfect book for anyone with a sense of humour... and a short attention span.

In a follow-up to the popular The New Paris, Lindsey Tramuta explores the impact that the women of Paris have had on the rapidly evolving culture of their city The New Parisienne focuses on one of the city's most prominent features, its women. Lifting the veil on the mythologized Parisian woman—white, lithe, ever fashionable—Lindsey Tramuta demystifies this oversimplified archetype and recasts the women of Paris as they truly are, in all their complexity. Featuring 50 activists, creators, educators, visionaries, and disruptors—like Leïla Slimani, Lauren Bastide, and Mayor Anne Hidalgo—the book reveals Paris as a blossoming cultural center of feminine power. Both the featured women and Tramuta herself offer up favorite destinations and women-owned businesses, including beloved shops, artistic venues, bistros, and more. The New Parisienne showcases “Parisianness” in all its multiplicity, highlighting those who are bucking tradition, making names for themselves, and transforming the city.

"Fantastic... Stefanie's practical, informative, inspiring and highly-accessible approach to addressing psychological phenomena makes this book a hit" -- Vex King, bestselling author of Good Vibes, Good Life "I adored this book! Both mind-expanding and easy to digest, it is extremely helpful to me as a person, partner, mother and writer and my life is definitely better -- brighter, more enjoyable, less dominated by fear -- for having read it" -- Cathy Rentzenbrink, author of The Last Act of Love The breakthrough million-copy international bestseller about how to find happiness by befriending your inner child Everyone longs to be accepted and loved. Ideally, during childhood, we develop the self-confidence and sense of trust that will help us through life as adults. But the traumas that we experience in childhood also unconsciously shape and determine our entire approach to life as adults. In The Child In You, bestselling author and psychologist Stefanie Stahl shares her proven approach for working with - and befriending - our inner child. Powerful, imaginative and practical - with clever exercises, from the three positions of perception to over-writing old memories - she shows how by renouncing our 'shadow child' and embracing our 'sun child,' we can learn to resolve conflicts, form better relationships, and find the answer to (almost) any problem. "I thoroughly recommend The Child In You, which will help anyone who wants to improve their mental wellbeing. We should all know our inner child, and Stefanie Stahl shows how we can get to do so, exploring this concept with warmth and accessibility" -- Julia Samuel, author of Grief Works and This Too Shall Pass

It's 1989 and, whenever he isn't hanging out in the local bars, Herr Lehmann lives entirely free of responsibility in the bohemian Berlin district of Kreuzberg. Through years of judicious sidestepping and heroic indolence, this barman has successfully avoided the demands of parents, landlords, neighbours and women. But suddenly one unforeseen incident after another seems to threaten his idyllic and rather peaceable existence. He has an encounter with a decidedly unfriendly dog, his parents threaten to descend on Berlin from the provinces, and he meets a dangerously attractive woman who throws his emotional life into confusion. Berlin Blues is a richly entertaining evocation of life in the city and a classic of modern-day decadence.

The Short Story of Absolutely Everything

Places emphasis on developments in the social theory of environmental issues, the environment, and the environmental crisis. This also emphasises on the increasingly questionable possibility of shared knowledge at a time of increasing fragmentation of common frameworks, distraction from key issues, and dilution of the idea of objectivity.

This book traces the rise and fall of the joust in Iberia, between the late fourteenth and late sixteenth centuries, when it was supplanted by the more innocuous cane game and the spectacle of the bull-run. It focuses on three jousting treatises written by practising champions at the time: Ponc de Menaguerra's Lo Cavaller ("The Knight", 1493); Juan Quijada de Reayo's Doctrina del arte de la cavallería ("Doctrine of the Art of Chivalry, 1548); and Luiz Zapata's Del Justador ('Of the Jouster', c.1589-93). It presents editions, with the first English translation, of these important texts, together with introductions and analytical study; there are also chapters on the arms and armour of the joust. It is richly illustrated with nearly 200 colour and black and white illustrations, many never previously published, which illuminate the sometimes complex technical terminology used by these authors, and provide further evidence of how weapons and armour were actually used. Noel Fallows is Professor of Spanish and Associate Dean, University of Georgia.

A close-to-ideal blend of suburb and city, speedy construction of towers of Babylon, the sparkling proportion of glass and steel buildings' facade at night showcase the wisdom of humans. They also witness the footsteps, sweats and tears of architects and engineers. Unfortunately, these signatures of human civilizations are swathed in towering figures of construction accidents. Fretting about these on sites, different countries adopt different measures on sites. This book firstly sketches the construction accidents on sites, followed by a review on safety measures in some of the developing countries such as Bermuda, Egypt, Kuwait and China; as well as developed countries, for example, the United States, France and Singapore. It also highlights the enormous compensation costs with the courts' experiences in the United Kingdom and Hong Kong.

A glamorous prep school girl goes missing after a love affair with a teacher in this "immensely satisfying" thriller from France's #1 bestselling novelist (Harlan Coben). Twenty-five years ago, on a campus paralyzed by a snowstorm, beautiful 19-year-old Vinca Rockwell ran away with her philosophy teacher after they began a secret affair. For Vinca, "love is everything or nothing." She is never seen again. The once inseparable Manon, Thomas and Maxime -- Vinca's best friends -- have not spoken since graduation. Twenty-five years earlier, under terrible circumstances, the three of them committed a murder and buried the body in the gymnasium wall, the same wall that is about to be demolished to make way for an ultramodern new building. Now, the three friends are about to meet again at their reunion. Will decades of lies unravel to reveal what really happened on that deadly winter night? Taut, suspenseful, and addictive, The Reunion will grip you until its haunting final page.

Dana sits in a courtroom with her legs shackled as a long list of charges is read out, many of them dangerous. But the panic that grips her is not because she has been caught. She knows there has been a terrible mistake - she didn't commit any of these crimes. As Dana and her lover Bridger set out to clear her name and find the person who is living a blameless life of criminal excess at her expense, they begin to test the life they have built together to its limits.

With an introduction by the Man Booker Prize-winning author of A Brief History of Seven Killings, Marlon James 'Oreo's satire on racial identity reads like a story for our times . . . Could Oreo be this year's Stoner? Observer 'A rollicking little masterpiece . . . one of the most delightful, hilarious, intelligent novels I've stumbled across in recent years' Paul Auster Oreo has been raised by her maternal grandparents in Philadelphia. Her black mother tours with a theatrical troupe, and her Jewish deadbeat dad disappeared when she was an infant, leaving behind a mysterious note. Oreo's quest is to find her father, and discover the secret of her birth. What ensues in Fran Ross's opus is a playful, modernized parody of the classical odyssey of Theseus with a feminist twist, immersed in seventies pop culture, and mixing standard English, black vernacular, and Yiddish with wisecracking aplomb. Oreo, our young hero, navigates the labyrinth of sound studios and brothels and subway tunnels in Manhattan, seeking to claim her birthright while unwittingly experiencing and triggering a mythic journey of self-discovery like no other. The incredible diversity in American cooking was a real revelation to me. So although I went looking for "quintessential American food," my conclusion is that there is no such thing; instead there's a huge wealth of seriously exciting dishes. Many of us outside of America may think we already know all there is to know about it from movies or the occasional holiday, but the truth is that this doesn't even scratch the surface. In many ways, the country is still a bit of a mystery to us. This trip was my chance to explore the ingredients, food culture, and traditions within this incredible country. I felt that I knew cities like New York and Los Angeles pretty well, but this time I ventured beyond the neighborhoods I was familiar with and into areas better known for their immigrant communities. I was rewarded with some of the most incredible food I've ever tasted. The story was the same when I moved beyond the big cities. Whether it was Creole cooking in Louisiana or soul food in Georgia, the Mexican influences in Arizona or the hearty cowboy cuisine of Big Sky Country, every place I went had its unique treasures. I came back with more recipes than I knew what to do with, and although it was tough, I managed to narrow this book down to 120 of my absolute favorites. These are my takes on some of the best food I came across, as well as a few things I made up along the way. I hope you enjoy them, and maybe even discover new and inspiring sides to America you've never seen before. Enjoy!

This volume tests the claim that, as combinations of Civil and Common Law influences, the mixed systems of contract law in Scotland and South Africa have anticipated the content of the Principles of European Contract Law (PECL) concluded and published in 2003 by the unofficial Commission on European Contract Law. Going further, it rigorously explores what the implications of a Europe-wide contract law would be. The current official moves towards a European contract law within the European Union make the critiques of PECL in this volume especially urgent and significant. With a European contract law nearer to reality than ever before, mere policy critiques are no longer enough. This book provides the essential technical and substantive assessments of PECL from the perspective of Scots and South African contract lawyers, and is offered to the European debate without prejudice as to the deeper policy questions. At the same time, this volume will inform Scots and South African lawyers about the substance of international developments in the field, and suggest ways to develop their still vigorous and vital national laws to remain in step with the needs of the present day.

Nothing to Hide. Young Men from Slovakia

Publishing for the centenary of her birth, Patricia Highsmith’s diaries “offer the most complete picture ever published” of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of “our greatest modernist writers” (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith’s personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted Strangers on a Train. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing The Price of Salt (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable The Talented Mr. Ripley (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, Patricia Highsmith: Her Diaries and Notebooks is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary prominence.

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child’s social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- treatment options
- what parents can do
- what schools can do
- dealing with anxious high achievers
- how to help children on the autism spectrum with school refusal

“ It is late October, and the temperature is already –40 degrees . . . My thoughts are filled with frozen rivers that may or may not hold my weight; empty, forgotten valleys haunted by emaciated ghosts; and packs of ravenous, merciless wolves.” Having left his job as a high-school geography teacher, Rob Lilwall arrived in Siberia equipped only with a bike and a healthy dose of fear. Cycling Home from Siberia recounts his epic three-and-a-half-year, 30,000-mile journey back to England via the foreboding jungles of Papua New Guinea, an Australian cyclone, and Afghanistan’s war-torn Hindu Kush. A gripping story of endurance and adventure, this is also a spiritual journey, providing poignant insight into life on the road in some of the world’s toughest corners.

Vollgeherzt: Kein Griff Ins Klo

In this pulse-pounding new Midnight Breed vampire romance novel from New York Times and #1 international bestselling author Lara Adrian, passion explodes between a daywalking member of the Order and a fiery female warrior whose shadowy past will test the bonds of both duty and desire. As the son of a formidable Breed warrior, Aric Chase has been devoted to the Order all his life. With his training completed, all he needs is one successful mission before he can join the fight to destroy the Order’s chief nemesis, Opus Nostrum. His rare ability to daywalk lands Aric an assignment in Montreal, where he learns he’s to be teamed with another new recruit, a beautiful, but tough-as-nails Breedmate named Kaya Laurent. Independent and driven, Kaya wants nothing more than to become a full-fledged member of the Order. Having grown up in squalor and neglect on the streets of Montreal, she longs for the close-knit family she’s found during her training to be a warrior. Eager to prove herself, she is thrilled to be given the chance at a key operation—even if she must share the mission with an arrogant, far-too-seductive Breed male who’s practically Order royalty. Their unwanted partnership soon erupts into a desire neither of them can resist. But when Kaya’s past reaches out from the shadows to call her back, she must decide between protecting a dark alliance that could shatter her dreams of joining the team and a truth that could not only forfeit Aric’s faith in her, but bring the enemy right to the Order’s door.

In 1960, photographer William Claxton and noted German musicologist Joachim Berendt traveled the United States hot on the trail of jazz music. The result of their collaboration was an amazing collection of photographs and recordings of legendary artists as well as unknown street musicians. The book Jazzlife, the original fruit of their labors, has become a collector’s item that is highly treasured among jazz and photography fans. In 2003, TASCHEN began reassembling this important collection of material ? along with many never-before-seen color images from those trips. They are brought together in this updated volume, which includes a foreword by Claxton tracing his travels with Berendt and his love affair with jazz music in general. Utilizing the benefits of today’s digital technology, a restored audio CD from Joachim Berendt’s original recordings has been produced and is included in this package. Jazz fans will be delighted to be able to take a jazz-trip through time, both seeing and hearing the music as Claxton and Berendt originally experienced it. Featuring photographs of Charlie Parker, Count Basie, Duke Ellington, Muddy Waters, Gabor Szabo, Dave Brubeck, Stan Getz, Billie Holiday, Ella Fitzgerald, Miles Davis, Charlie Mingus, Thelonious Monk, John Coltrane, and many more Includes bonus CD of digitally remastered recordings of music made during Berendt and Claxton’s journey (originally released in 1960 as two records)
