did they have to do with the creation narrative? Michael LeFebvre considers the calendars of the Pentateuch, arguing that dates were added to Old Testament narratives not as journalistic details but to teach sacred rhythms of labor and worship. LeFebvre then applies this insight to the creation week, finding that the days of creation also serve a liturgical purpose.

relationship a nineteenth-century version of the modern-day "bromance"? In *Bosom Friends: The Intimate World of James Buchanan and William Rufus King*, Thomas J. Balcerski explores the lives of these two politicians and discovers one of the most significant collaborations in American political history. He traces the parallels in the men's personal and professional lives before elected office, including their failed romantic courtships and the stories they told about them. Unlikely

## Read PDF Dc Originals Official 2019 Calendar Square Wall C

companions from the start, they lived together as congressional messmates in a Washington, DC, boardinghouse and became close confidantes. Around the nation's capital, the men were mocked for their effeminacy and perhaps their sexuality, and they were likened to Siamese twins. Over time, their intimate friendship blossomed into a significant cross-sectional political partnership. Balcerski examines Buchanan's and King's contributions to the Jacksonian political

## Read PDF Dc Originals Official 2019 Calendar Square Wall C

agenda, manifest destiny, and the increasingly divisive debates over slavery, while contesting interpretations that the men lacked political principles and deserved blame for the breakdown of the union. He closely narrates each man's rise to national prominence, as William Rufus King was elected vice-president in 1852 and James Buchanan the nation's fifteenth president in 1856, despite the political gossip that circulated about them. While exploring a same-sex relationship that

## Read PDF Dc Originals Official 2019 Calendar Square Wall C

powerfully shaped national events in the antebellum era, *Bosom Friends* demonstrates that intimate male friendships among politicians were--and continue to be--an important part of success in American politics.

sense of sights and events in the night sky. Cultures spread around the world recorded their earliest efforts in artwork made directly on the natural landscapes around them, and from there they developed more and more sophisticated techniques for observing and documenting astronomy. This book brings readers on an astronomical journey through the ages, offering a history of how our species has recorded and interpreted the night sky over time. From cave art to parchment scribe to

## Read PDF Dc Originals Official 2019 Calendar Square Wall C

modern X-ray mapping of the sky, it chronicles the ever-quickenening development of tools that informed and at times entirely toppled our understanding of the natural world. Our documentation and recording techniques formed the bedrock for increasingly complex forays into astronomy and celestial mechanics, which are addressed within these chapters. Additionally, the book explores how nature itself has recorded the skies in its own way, which can be unraveled

## Read PDF Dc Originals Official 2019 Calendar Square Wall C

through ongoing geological and archaeological studies. This tale of human discovery and ingenuity over the ages will appeal to anybody interested in the field of astronomy and its rich cultural history.

Are Supreme Court justices swayed by the political environment that surrounds them? Most people think "yes," and they point to the influence of the general public and the other branches of government on the Court. It is not that simple, however. As the eminent

## Read PDF Dc Originals Official 2019 Calendar Square Wall C

law and politics scholars Neal Devins and Lawrence Baum show in *The Company They Keep*, justices today are reacting far more to subtle social forces in their own elite legal world than to pressure from the other branches of government or mass public opinion. In particular, the authors draw from social psychology research to show why Justices are apt to follow the lead of the elite social networks that they are a part of. The evidence is strong: Justices take cues primarily from the people

## Read PDF Dc Originals Official 2019 Calendar Square Wall C

who are closest to them and whose approval they care most about: political, social, and professional elites. In an era of strong partisan polarization, elite social networks are largely bifurcated by partisan and ideological loyalties, and the Justices reflect that division. The result is a Court in which the Justices' ideological stances reflect the dominant views in the appointing president's party. Justices such as Clarence Thomas and Ruth Bader Ginsburg live

## Read PDF Dc Originals Official 2019 Calendar Square Wall C

largely in a milieu populated by like-minded elites. Today's partisanship on the Court also stems from the emergence of conservative legal networks such as the Federalist Society, that reinforce the conservative leanings of Republican appointees. For the Warren and Burger Courts, elite social networks were dominated by liberal elites and not divided by political party or ideology. A fascinating examination of the factors that shape decision-making, *The Company They*

as a guarantee of quality media making—the “fanboy auteur.” Figures like Joss Whedon are both one of “us” and one of “them.” This is a strategy of marketing and branding—it is a claim from the auteur himself or industry PR machines that the presence of an auteur who is also a fan means the product is worth consuming. Such claims that fan credentials guarantee quality are often contested, with fans and critics alike rejecting various auteur figures as the true leader of their respective franchises. That split, between assertions of fan and auteur status and acceptance (or not) of

that status, is key to unravelling the fan auteur. In *A Portrait of the Auteur as Fanboy: The Construction of Authorship in Transmedia Franchises*, authors Anastasia Salter and Mel Stanfill examine this phenomenon through a series of case studies featuring fanboys. The volume discusses both popular fanboys, such as J. J. Abrams, Kevin Smith, and Joss Whedon, as well as fangirls like J. K. Rowling, E L James, and Patty Jenkins, and dissects how the fanboy-fangirl auteur dichotomy is constructed and defended by popular media and fans in online spaces, and how this discourse has played in

maintaining the exclusionary status quo of geek culture. This book is particularly timely given current discourse, including such incidents as the controversy surrounding Joss Whedon's so-called feminism, the publication of *Harry Potter and the Cursed Child*, and contestation over authorial voices in the DC cinematic universe, as well as broader conversations about toxic masculinity and sexual harassment in Hollywood.
