affected, it can feel like a bottomless pit of despair from which there is no escape. Yet many who once suffered from dental phobia have found a way out: fear-free dental care. In *Fear-Free Dental Care*, Dr. Scott Shamblott introduces a unique approach to dentistry that puts the patient and patients' needs front and center. Dentists who practice fear-free dental care focus on creating a kinder, gentler experience that makes it possible for even the most fearful patients to get the dental care they need--and deserve. Based upon nearly three decades of practice at Shamblott Family Dentistry where Dr.
