The First Aid Manual is the UK’s only fully authorised first aid guide, endorsed by St John Ambulance, St Andrew’s First Aid and the British Red Cross and packed with step-by-step first aid advice. Used as the official training manual for the UK’s leading first aid organisations’ courses, the bestselling First Aid Manual covers all aspects of first aid, from emergency first aid and first aid for babies and children, to the latest guidelines on resuscitation, helping a drowning casualty, and snake bites. Find out how to treat over 100 different conditions from splinters and sprained ankles to strokes and unresponsiveness and how to use essential equipment including a defibrillator. Step-by-step photography, all shot in-situ to reflect real-life issues, shows you what to do in any situation. The ideal first aid book for you and your family, keep the First Aid Manual handy; it could be a life-saver. (Previous edition ISBN 9781409342007)

Shiva has accepted his destiny, but it has brought him to despair. Can he heal himself and the people who look to him as a god? Today, Shiva is a god. But four thousand years ago, he was just a man - until he brought his people to Meluha, a near-perfect empire founded by the great king Lord Ram. There he realised he was the Neelkanth, a barbarian long prophesied to be Meluha’s saviour. But in his hour of victory fighting the Chandravanshis - Meluha’s enemy - he discovered they had their own prophecy. Now he must fight to uncover the treachery within his inner circle, and unmask those who are about to destroy all that he has fought for. Shiva is about to learn that good and evil are two sides of the same coin . . .

It ’ s no secret that certain social groups have predominated India ’ s business and trading history, with business traditionally being the preserve of particular ‘ Bania ’ communities. However, the past four or so decades have seen a widening of the social base of Indian capital, such that the social profile of Indian business has expanded beyond recognition, and entrepreneurship and commerce in India are no longer the exclusive bastion of the old mercantile castes. In this meticulously researched book – acclaimed for being the first social history to document and understand India ’ s new entrepreneurial groups – Harish Damodaran looks to answer who the new ‘ wealth creators ’ are, as he traces the transitional entry of India ’ s middle and lower peasant castes into the business world. Combining analytical rigour with journalistic flair, India ’ s New Capitalists is an essential read for anyone seeking to understand the culture and evolution of business in contemporary South Asia.

INDIA’S NEW CAPITALISTS

“During the colonial period, Indian intellectuals—philologists, lawyers, scientists and literary figures—all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that during the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These Muslims reveal the enduring authority of scientific claims to the tradition that equates social good with the control of women’s free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy!”

...To touch the skies and even beyond to flip the earth and also to its respond To fly and also to fall To rise and also to halt To sprint and get injured To love, like, and embrace ambience from all spheres For Trials of Confusion must never be, must never be! ‘Sonnets to Paradise’ is a saga about two female characters who find themselves demarcated in their ordinary mindsets and lives; their monotony and their antiquity. The two characters are not connected by blood or age but by a single piece of poetry manuscript titled, ‘Sonnets to Paradise.’ While Nayantara’s life is dull in her late 30s, mostly alone in the foreign soil of Rickmansworth; Nicola’s life is full of Insult extravagance, momentary romantic escapades, indecisiveness and unsteadiness. On a fateful winter night, meeting a man full of stoicism and mystery, brings back old memories of Nayantara, so much that it refuels the poetess in her! While the former tries to discover the meaning of her life through her poems, the later engulfs a new, steadfast life by reading them! This give and take of knowledge and philosophy through poetry changes their lives bit by bit, in a way that both find their imagined ‘happy places’ and stay content through the medium of lyrical words; till they finally accept their lives, it’s challenges and also its joyfulness. They not only meet broken relationships but also breath out love and life! This book is a contemporary story of two single women in their varied ages, searching for happiness and finally arriving at a peaceful juncture in their lives.

Majella knows\*. ‘God doesn’t punish men with hellness for wearing ladies’ knickers-Banana-flavoured condoms taste the same as nutrition shakes -Not everyone gets a volley of gunshots over their grave as they are being lowered into the ground ‘\*Stuff! Majella doesn’t know\* ‘-That she is autistic -Why her ma drinks -Where her da is Other people find Majella odd. She keeps herself to herself, she doesn’t like gossip and she isn’t interested in knowing her neighbours’ business. But suddenly everyone in the small town in Northern Ireland where she grew up wants to know all about hers. Since her da disappeared during the Troubles, Majella has tried to live a quiet life with her alcoholic mother. She works in the local chip shop (Monday-Saturday, Sunday off), and brews the same clothes every night (overall, too small), has the same dinner each night (fish and chips, nuked in the microwave) and binge watches Dallas (the best show ever aired on TV) from the safety of her single bed. She has no friends and no boyfriend and Majella thinks things are better that way. But Majella’s safe and predictable existence is shattered when her grandmother dies and as much as she wants things to go back to normal, Majella comes to realise that maybe there is more to life. And it might just be that from tragedy comes Majella’s one chance at escape. ‘It’s a smasher’ Kathy Burke

An Explosive Account of the Secret Lives of India’s Teens

Discover the “extraordinary” (The Washington Post) debut novel that “announces the arrival of a literary supernova” (The New York Times Book Review), “a drama of childhood that is as wild as it is intimate” (Chigozie Obioma). WINNER OF THE EDGAR® AWARD • LONGLISTED FOR THE WOMEN’S PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • The Washington Post • NPR • The Guardian • Library Journal In a sprawling Indian city, a boy ventures into its most dangerous corners to find his missing classmate. . . . Through markanes crammed with too many people, dogs, and rickshaws, past stalls that smell of cardamom and sizzling oil, below a smoggy sky that doesn’t let through a single blade of sunlight, and all the way at the end of the Purple metro line lies a jumble of tin-roofed homes where nine-year-old Jai lives with his family. From his doorway, he can spot the glittering lights of the city’s fancy high-rises, and though his mother works as a maid in one, to him they seem a thousand miles away. Djin Patrol on the Purple Line plunges readers deep into this neighborhood to trace the untolding of a tragedy through the eyes of a child as he has his first perilous collisions with an unjust and complicated wider world. Jai drools outside sweet shops, watches too many reality police shows, and considers himself to be smarter than his friends Fari (though she gets the best grades) and Faiz (though Faiz has an actual job). When a classmate goes missing, Jai decides to use the crime-solving skills he has picked up from TV to find him. He asks Fari and Faiz to be his assistants, and together they draw up lists of people to interview and places to visit. But what begins as a game turns sinister as other children start disappearing from their neighborhood. Jai, Fari, and Faiz have to confront terrified parents, an indifferent police force, and rumors of soul-snatching djins. As the disappearances edge ever closer to home, the lives of Jai and his friends will never be the same again. Drawing on real incidents and a spate of disappearances in metropolitan India, Djin Patrol on the Purple Line is extraordinarily moving, flawlessly imagined, and a triumph of suspense. It captures the fierce warmth, resilience, and bravery that can emerge in times of trouble and carries the reader heading into a community that, once encountered, is impossible to forget.

Annotation Fakir Mohan Senapati’s Six Acres and a Third, originally published in 1901 as Chha Mana Atha, is a wry, powerful novel set in colonial India.

Chetan Bhagoot is author of one blockbuster book, "One Indian Girl." The New York times did not call him anything yet, USA detains him in airport every time he visits USA, Bhagaoot got fired from an "Investment Bank" and trying to make a living out of writing books, Chetan Bhagaot is currently double timing his two Half Girlfriends Panusha and Ranusha. Please buy his book to support him maintaining his two half girlfriends. Here is one paragraph excerpt from the book "One Indian Girl." Sonja is a divorced and attractive Indian girl. She is working as a software engineer in an investment bank USA. She has money (\$\$\$), she can afford sex outside marriage. She also has opinion on everything. She is dating various marriage prospects, will she get her dream guy?

Documents, contexts and debates

**This book presents a history of English and development of language education in modern India. It explores the role of language in colonial attempts to establish hegemony, the play of power, and the anxieties in the nineteenth- and early-twentieth-century India. The essays in the volume discuss language policy, debates and pedagogy as well as larger overarching questions such as identity, nationhood and sub-nationhood. The work also looks at the socio-cultural and economic factors that shaped the writing and publishing of textbooks, dictionaries and determined the direction of language teaching, specifically, of English language teaching. Drawing on a variety of archival sources – policy documents, books, periodicals – this book will be of great interest to scholars and researchers of linguistics, language teaching, cultural studies and modern Indian history.**

**This comprehensive guide to the Pacific and South Asia provides detailed and enlightening information about the many ethnic groups of this increasingly important region of the world.**

**Explores the ways linguistic nationalism has enabled and deepened the reach of All-India nationalism. This title is also available as Open Access.**

**Six Spiritual Truths of the Soul (Concise & Complete Commentary)**

The Journey of Self-Discovery from the Heart of an Enlightened Master. Humanity has accomplished incredible feats. We have reached for the stars, and achieved things our forefathers considered impossible. And yet, the same key questions that eluded them, have eluded us - Who am I? Where have I come from? What is my true purpose? Questions spark the beginning of an inner journey. Atmasiddhi Shastra is a 142-verse masterpiece, composed by 19th century self-realised saint Shrimad Rajchandraji in a single sitting of about 1.5 hours when He was only 28 years old. Quenching the genuine thirst of a seeker. Shrimadji shares six spiritual truths in this clearest, most cogent outline of the path. A brilliant clarification on diverse perspectives. It prompts you to realise who you are, and who you are not. World-renowned spiritual leader Pujya Gurudevshri Rakeshji reveals the hidden treasures embedded within every verse of Atmasiddhi Shastra. The book is a step-by-step guide to self-realisation with great compassion and vision by an enlightened Master. An indisputable path to universal truths is presented through an open-hearted dialogue between an experienced Master and an earnest seeker. Exploring the soul, destiny, karma, death, rebirth, God and liberation. Atmasiddhi Shastra weaves scriptural testimony with a scientific approach, philosophy with practicality, doctrine with devotion, and logic with love. It covers every step of the path, with milestones of progress, warnings of pitfalls and perils, and a vivid glimpse of the final destination. A guidebook for those in search of their everlasting nature, the deep spiritual richness of every verse is made accessible to read, retain and ruminate. Nothing that one requires to experience the soul, or to attain liberation is hidden or left out. A revolution awaits all those who seek wholeheartedly within these pages. A masterclass in spirituality for every modern seeker, Atmasiddhi Shastra is a deeply personal experience. Ignite your inner quest. Discover your higher purpose. Reclaim your true identity. Experience your eternal bliss. Gift yourself its oceans of spirituality.

In an easy to use dictionary style of A – Z presentation, this volume lists the taxonomy and medicinal usage of Indian plants. Also given are both traditional Indian and international synonyms along with details of the habitats of the plants. This book, illustrated by over 200 full-color figures, is aimed at bringing out an updated Acute Study Dictionary of plant sources of Indian medicine. The text is based on authentic treatises which are the outcome of scientific screening and critical evaluation by eminent scholars. The Dictionary is presented in a user-friendly format, as a compact, handy, easy to use and one-volume reference work. This publication reviews all aspects of poultry production in South Asia, including layer production for eggs and broilers for meat. Information is given on feeding and nutrition, housing and general husbandry, as well as on flock health. Regional specificity always exists but this type of production also shows the many similarities in other parts of the world with regard to potential and constraints.

Focusing on politics and society in India, this book explores new areas enmeshed in the complex social, economic and political processes in the country. Linking the structural characteristics with the broader sociological context, the book emphasizes the strong influence of sociological issues on politics, such as social milieu shaping and the articulation of the political in day-to-day events. Political events are connected with the ever-changing social, economic and political processes in order to provide an analytical framework to explain ‘peculiarities’ of Indian politics. Bidyut Chakrabarty argues that three major ideological influences of colonialism, nationalism and democracy have provided the foundational values of Indian politics. Structured thematically and chronologically, this work is a useful resource for students of political science, sociology and South Asian studies.

In Stoned, Shamed, Depressed, journalist Jyotsna Mohan Bhargava investigates the secret lives of India’s urban teens and comes up with an eye-opening account -- of struggles with addiction to substances, social media and gaming, dealing with intense peer pressure, bullying and body shaming, and the resultant physical and mental health issues. This book chronicles the confused journey of Indian teens to adulthood -- along a road that is full of temptation, where boundaries are easily blurred, and where the lure of easy adventure, often in the virtual world, can unleash events that have repercussions for years to come. The narrative interweaves accounts of teens, parents, teachers and child psychologists to reveal a deeply disturbing picture of modern-day school life in urban India.

The Life of William Carey

*M.S. Subbulakshmi's life was one of extraordinary achievement. Although she was portrayed in many ways - as a musician who sought and achieved an all-India appeal; a philanthropist and supporter of noble causes; an icon of style; a woman of piety and devotion; and a friend and associate of the good and the great - she was first and foremost a classical vocalist of the highest rank, of unmatched gifts, who lives on in the musical history of India. Of Gifted Voice looks at her life and times, and the great musical tradition she belonged to and to which she brought so much, against the larger backdrop of the developments in the world of Carnatic music. It describes how music came to be performed in concerts; the impact the gramophone, the radio and the talkie had on music; the decline of the traditional performing families; and the appearance of women on public platforms. The book also delves into Subbulakshmi's brush with films as well as her concert style and that of her celebrated contemporaries. Though her story has often been told, we know little of the woman behind the image and the musician behind the public persona. Of Gifted Voice attempts, with warmth and keen-eyed perception, to understand the music, the history, the artists and her incomparable presence.*

*Contents: Introduction, Population Profile and the Trend of Family Planning in India and Orissa, Physical Characteristics and Social Structure of Study Villages in Slums, Demographic Profile of the Ethics Communities, Modern Family Planning Devices and Methods, Society, Family and Family Planning, Government Schemes and Facilities on Family Planning and Level of Awareness, Critical Review on Government Facilities and Suggestions, Summary and Conclusions.*

*How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.*

The Life and Art of M.S. Subbulakshmi

Indian Sex Life

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

What is the role of prosody in the generation of sentence structure? A standard notion holds that prosody results from mapping a hierarchical syntactic structure onto a linear sequence of words. A radically different view conceives of certain intonational features as integral components of the syntactic structure. Yet another conception maintains that prosody and syntax are parallel systems that mutually constrain each other to yield surface sentential form. The different viewpoints reflect the various functions prosody may have: On the one hand, prosody is a signal to syntax, marking e.g. constituent boundaries. On the other hand, prosody is a signal to syntax, marking e.g. constituent boundaries. On the other hand, prosody is a signal to syntax, marking e.g. constituent boundaries. On the other hand, prosody is a signal to syntax, marking e.g. constituent boundaries.

An ancient Hindu text, “The Kama Sutra” is attributed to Vatsyayana-a Vedic philosopher of the Gupta Empire. The book offers advice on the practice of sexual intercourse, with additional passages about virtue, love, family, and other aspects of human life. It is arguably the world’s most famous literary document concerning human sexuality.

Technical and Policy Guidance for Health Systems

Sonnets to Paradise

Big Girl, Small Town

Good Practices in Planning and Management of Integrated Commercial Poultry Production in South Asia

Brother & Sister

At a UN General Assembly Special Session in 1999, governments recognised unsafe abortion as a major public health concern, and pledged their commitment to reduce the need for abortion through expanded and improved family planning services, as well as ensure abortion services should be safe and accessible. This technical and policy guidance provides a comprehensive overview of the many actions that can be taken in health systems to ensure that women have access to good quality abortion services as allowed by law.

In this fascinatingly complex thriller, two people, each shattered by their past, team up to solve a series of killings and abductions—unspeakable crimes that turn out to be merely the surface of something far more sinister. When a woman is beheaded in a park outside Rome and her six-year-old son goes missing, the police arrest the woman’s husband and await his confession. But the city’s Chief of Major Crimes has his doubts and assigns two of Italy’s top analytical minds to the case: Deputy Captain Colomba Caselli, a fierce, warrior-like detective still reeling from a horrific mass killing she survived, and Dante Torre, a man who spent his childhood trapped inside a concrete silo. Fed through the gloved hand of a masked kidnapper who called himself “the Father,,” Dante emerged from his ordeal with crippling claustrophobia but, also, with an unquenchable thirst for knowledge. All evidence suggests that the Father is back at work and wants a reunion with Dante. But when Colomba and Dante begin unraveling the truth, they find themselves wanted for murder. Now Dante and Colomba must travel down a number of dark tunnels, both literal and figurative, as they confront the question that may solve it all: what lies beneath the water in a remote Italian quarry? And what might that revelation mean for ten children who have recently gone missing? Kill the Father boasts a brilliantly layered plot that offers new and more haunting revelations at every turn. Not since Thomas Harris’s The Silence of the Lambs has there been as intriguing a pairing of hard-charging female detective and “damaged” savant, and not since Jo Nesbo has there been a foreign thriller talent as promising.

Hi, I’m Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn’t. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn’t have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. From the author of Five Point Someone and 2 States, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

Atmasiddhi Shastra

A Memoir

OF GIFTED VOICE

Based on her popular Instagram @stacopy and her experience in a South Asian immigrant family, artist Maria Qamar has created a humorous, illustrated “survival guide” to deal with overbearing “Aunties,” whether they’re family members, annoying neighbors, or just some random ladies throwing black magic your way. We’ve all experienced interference from our Aunties—they are at family parties and friendly get-togethers, finding ways to make your life difficult, trying to get you to marry their sons, and telling you to lose weight while simultaneously feeding you a second dinner—and it has stunted our social growth and embarrassed us in front of our friends and cool cousins for years. This tongue-in-cheek guide is full of advice designed to help you manage Aunty meddling and encourages you to pursue your passions—from someone who has been through it all. Qamar confesses to throwing sweatshirts over crop-tops to get out of the house without being questioned, hiding her boyfriend in a closet, and enduring overbearing parents’ endless pressuring her to become a doctor, lawyer, or engineer. Holding onto your cultural identity is tough. Always interfering Aunties make it even harder. But ultimately, Aunties keep our lives interesting. As an Aunty-survivor and a woman who has lived the cross-cultural experience, Qamar defied the advice of her aunties almost every step of the way, and she is here to remind you: Trust No Aunty.

WINNER OF THE MAN BOOKER PRIZE • NEW YORK TIMES BESTSELLER • An affluent Indian family is forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness “[The God of Small Things] offers such magic, mystery, and sadness that, literally, this reader turned the last page and decided to reread it. Immediately. It’s that haunting.”–USA Today Compared favorably to the works of Faulkner and Dickens, Arundhati Roy’s modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing “big things [that] lurk unsaid” in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

NEW YORK TIMES BESTSELLER When they were kids in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions. But as they grew up, Randy became troubled, then reclusive. Before he was thirty, he was divorced, an alcoholic, a man who couldn’t hold on to full-time work—his life a world away from his sister’s, and from the rest of their family. Now Diane delves into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on “the other side of normal.” In beautiful and fearless prose intertwined with journal entries, letters, and poetry—much of it Randy’s own—and supplemented by personal photographs and artwork, this insightful, heartfelt memoir contemplates the inner workings of a family, the ties of love and responsibility that hold it together, and the special bond between siblings—even those who are pulled far apart.
