Reus

From afar, Sheriff Jackson Deveau has always loved Elle Drake, the youngest telepath of seven magically gifted sisters. After a long time away she's finally returning home to the small coastal village of Sea Haven. But someone has been following Elle, someone who doesn't want her to make it back. And when Elle fails to arrive, her disappearance strikes fear in the hearts of everyone who loves her. Now it's left to Jackson to uncover the mystery of Elle's vanishing, and rescue her from an

unseen danger. But Sea Haven is no longer safe for anyone, and it'll take the powers of all the Drake sisters and their men to survive the coming storm.

From the moment vampire bounty-hunter Rex Serano meets sexy shifter Margery, he's smitten. When the alpha of the Kincaid pack asks him to join with them, he's stunned by the offer, but the real draw is the beautiful, caring female who seems to want nothing to do with him. Margery is the driving maternal force for her pack and she has one rule: she doesn't date vampires. Years ago she was nearly killed by rogue vamps and she has no interest in getting

involved with one now. No matter how sexy a certain, persistent bounty hunter might be. When one of Rex's hunts gets messy, Margery gets caught in the crossfire and he'll do whatever it takes to protect her. They might be different species but the mating call is undeniable and too strong to ignore. Now they must find a way to reach common ground and trust their instincts if they're going to fight for a future together. This report is the primary outcome from Part I of the project "Towards a Nordic textile strategy - Collection, sorting, reuse and recycling of textiles" initiated by the Nordic Waste Group (NAG). The report for Part 2 will be published in December 2014. This report summarizes the work carried out in 2013. The three subreports will be the basis for the work to be performed

in 2014. The reports for 2013 are: • International market survey of textile flows in the Nordic region and the market for collection, sorting, preparing for reuse, reselling and waste management of textiles. • Collection and sorting systems A total of 19 collection systems are compared for collection flows, contamination levels, cost, suitability of collected textile and availability for the consumer. Four sorting systems are described. • Technology review of sorting

and recycling of textiles that describes available and future technology. The report is part of the Nordic Prime Ministers' overall green growth initiative: "The Nordic Region - leading in green growth." what went wrong on that day (such as intelligence failures), what went right (the heroic response of emergency services and self-organizing civilians), and how to avert similar future attacks. Highlighting evidence from the day, from airport surveillance footage of the terrorists to phone calls from the doomed flights, and offering details that have otherwise gone unheard, this is an astonishing firsthand document of contemporary history. While controversial in parts-it has been criticized for failing to include testimony from key individuals, and it completely omits any mention of the mysterious collapse of WTC 7-it is nevertheless an essential record

of one of the most transformational events of modern times.

Grayson Adler—lone werewolf, powerful Ancient and empath Healer—has never lusted after prey before. As a paranormal bounty hunter, he's duty bound to capture Samantha Fuller. She's half demon and half angel, with deadly powers emerging and a vendetta against the hunter who killed her parents. Yet Grayson aches to touch her and let her angelic half soothe his hurts, his longing for a connection as powerful as his sexual need. Then he gets a new assignment: to absorb her evil powers and tame her by becoming her mate before she turns demon....

world of paranormal special operatives. He's a wolf shifter. She hunts monsters. But the heat between them is undeniable. SWAT werewolf Zane Kendrick is on a hunt to take down the man who attacked his pack. He has a duty to the other shifters, and he's not going to be swayed by the smart, sexy agent who comes to his aid. But there's no denying his wolf instincts telling him to do everything he can to protect her—his one true mate. FBI agent Alyssa Carson is supposed to be working on a case, not getting distracted by the dark promises in Zane's eyes. But this gorgeous alpha is hard to ignore, particularly when he's whispering to her in his British accent. If she doesn't get her head in the game

The thrilling new Moon Shifter novel from New York Times bestselling author Katie Reus. Losing her was the hardest thing he'd ever endured....

Warrior shifter Aiden's investigation of the trafficking of vampire blood leads to a startling discovery: the beautiful vampire bondmate he thought was dead. Decades ago, they'd defied their powerful families to be together, but then Larissa disappeared without a trace. When their mating link broke, it nearly

destroyed Aiden. Now she's back with no memory of where she's been. Even more shattering—Larissa claims she has no idea who Aiden is. Now she's back.... It's a race against time to bring down an operation more evil than his pack ever suspected, and Aiden finds himself working side by side with a mate who no longer trusts him—and she wants out. But he lost her once, and he won't let her go again. Unfortunately, Larissa's blood is the key to a powerful monster's dangerous plan—and he'll stop at nothing to destroy

her, sparking off a war between the supernaturals and humans that no one will win.

He screwed up. Second in command of the O'Shea wolf pack, Andrew Reid screwed up and let Charlotte walk away from him. Now that he's come to his senses, he's determined to win her back, no matter how much he has to grovel. Because she's a woman worth fighting for. She's not willing to trust him again. Charlie thought Andrew was different from other males, that what they shared was real—that their
