*With images of searing beauty, Ricky Carralero's erotic portraits are so hot they almost glow! Like a Varga for the new millennium, Carralero's pin-up girls are pure spice with just a hint of sweet! Best known for his work on the mega-selling 'Double Impact' line of comics and merchandise, Ricky Carralero's extraordinary ability to illustrate the ultimate in fantasy females is putting him on the fast-track of absolute fan favourites! Born in Cuba in 1969, his family finally made it to the States in the mid-Eighties, and Ricky drank in all the images of mindless sex and violence his new country had to offer -- and gave back SO MUCH more! This massive full colour collection of his paintings is an oversized tome of titillation, with every portrait suitable for framing! If you're an ardent admirer of the pin-up, then here's a showcase that'll have you acting like a Tex Avery Wolf! Be warned however -- the cover art is one of the tamer pieces! Yeeouch!*
