The moment we believe in the Lord, we should set apart the early morning for fellowshiping with God and for contacting Him. Song of Songs 7:12 shows us that the early morning is the best time to fellowship with the Lord. To fellowship means to open up our spirit and our mind to God and allow Him to enlighten us, speak to us, impress us, and touch us (Psa. 119:105, 147). During this time our hearts are drawn near to God, and we allow God to draw near to our hearts.

This series of Holy Word for Morning Revival on Topics for New Believers is especially designed to help introduce newer believers to the basic principles of the Christian life, which should help them establish a solid foundation on which to build a Christian life and church life of living and loving the Lord Jesus for the building up of His Body.
