

Durango T10 La Proie Des Chacals

A story, based on real events, about a boy and a half-Arabian mare who enter the Palio, an annual race in Siena, Italy, with all the pageantry of a medieval contest.

Honor de Balzac, the renowned French novelist and playwright, and one of the pioneers of literary realism, makes a short fantasy diversion to the mystical island of Java, where he, or rather the narrator, encounters a deadly poison-breathing tree, civilised monkeys, love-sick sparrows and that epitome of Oriental desirability of his day ? the women of Java.

A drug-based multiple-murder investigation has some shocking revelations in the page-turning thirteenth thriller in the Dismas Hardy series. A Plague of Secrets by the critically acclaimed John Lescroart is perfect for fans of J.J. Miller and Michael Connelly. 'The best of the best: the best yet in today's best legal thriller series' - Lee Child When Dylan Vogler, the manager of the Bay Beans West coffee shop, is murdered, inspectors discover that his knapsack is filled with high-grade marijuana. It soon becomes clear that San Francisco's A-list flocked to Bay Beans West not only for their caffeine fix. But how much did Maya Townshend - the socialite niece of the city's mayor, and the owner of the shop - know about what was going on inside her business? As another of Maya's acquaintances is murdered, and as the names of the celebrity, political, and even law-enforcement customers come to light, tabloid-fuelled controversy takes the investigation into the realms of conspiracy and cover-up. Prosecutors close in on Maya, who has a deep secret of her own - a secret she needs to protect at all costs during her very public trial, where not only her future but the entire political landscape of San Francisco hangs in the balance, hostage to an explosive secret that Dismas Hardy is privilege-bound to protect. What readers are saying about A Plague of Secrets: 'A brilliant case, brilliantly written, brilliant courtroom scenes, brilliant characterisation [...] brilliant, brilliant, brilliant!' 'The drama that unfolds kept my heart pounding, right until the shocking climax of the story' 'The dialogue was clever, at times funny, and always true to its character. A Plague of Secrets is truly a page turner that is enjoyable from beginning to end'

A dark, gripping coming-of-age tale that explores violence, friendship, family, and what it means to be a man Summer, Palermo, early 1980s. The air hangs hot and heavy. The Mafia-ruled city is a powder keg ready to ignite. In a boxing gym, a fatherless nine-year-old boy climbs into the ring to face his first opponent. So begins On Earth as It Is in Heaven, a

sweeping multigenerational saga that reaches back to the collapse of the Italian front in North Africa and forward to young Davidù's quest to become Italy's national boxing champion, a feat that has eluded the other men of his family. But Davide Enia, whose layered, lyrical, nonchronological novel caused a sensation when it was published in Italy in 2012, has crafted an epic that soars in miniature as well. The brutal struggles for dominance among Davidù's all male circle of friends; his strict but devoted grandmother, whose literacy is a badge of honor; his charismatic and manipulative great-uncle, who will become his trainer—the vicious scenes and sometimes unsympathetic characters Enia sketches land hard and true. On Earth as It Is in Heaven is both firmly grounded in what Leonardo Sciascia liked to call "Sicilitude" - the language and mentality of that eternally perplexing island - and devastatingly universal. A meditation on physical violence, love and sex, friendship and betrayal, boxing and ambition, Enia's novel is also a coming-of-age tale that speaks - sometimes crudely, but always honestly - about the joys and terrors of becoming a man.

For fans of Alice Hoffman, Sarah Addison Allen, and Adriana Trigiani, *The Witches of Cambridge* reveals an astonishing world where the heart's deepest secrets give way to the magic of life-changing love. Be careful what you wish for. If you're a witch, you might just get it. Amandine Bisset has always had the power to feel the emotions of those around her. It's a secret she can share only with her friends—all professors, all witches—when they gather for the Cambridge University Society of Literature and Witchcraft. Amandine treasures these meetings but lately senses the ties among her colleagues beginning to unravel. If only she had her student Noa's power to hear the innermost thoughts of others, she might know how to patch things up. Unfortunately, Noa regards her gift as a curse. So when a seductive artist claims he can cure her, Noa jumps at the chance, no matter the cost. Noa's not the only witch who's in over her head. Mathematics professor Kat has a serious case of unrequited love but refuses to cast spells to win anyone's heart. Kat's sister, Cosima, is not above using magic to get what she wants, sprinkling pastries in her bakery with equal parts sugar and enchantment. But when Cosima sets her sights on Kat's crush, she conjures up a dangerous love triangle. As romance and longing swirl through every picturesque side street, the witches of Cambridge find

their lives unexpectedly upended and changed in ways sometimes extraordinary, sometimes heartbreaking, but always enchanting. Praise for The Witches of Cambridge “Intriguing and original . . . The magic that works wonders for modern-day English witches also charms readers in this delightful and quirky romantic tale.”—Publishers Weekly “A lively and whimsical tale of romance, family, and friendship sure to delight her fans and newcomers alike.”—Booklist “Fans of Alice Hoffman’s Practical Magic are sure to enjoy The Witches of Cambridge. . . . [Menna] van Praag’s writing is lyrical and the story sweetly affirming.”—BookPage Find your next book club pick, read special features, and more. Join the Random House Reader’s Circle.

The addictive and enticing second book in Vina Jackson’s international bestselling romance trilogy Recently settled in New York, flame-haired musician Summer Zahova is enjoying life as a violinist with a major orchestra. Under the watchful eye of Simón, her striking Venezuelan conductor, both Summer and her career flourish. But a new city, and newfound success, bring fresh temptations, and it isn’t long before Summer is lured back to a dangerous underground world of intrigue and desire that she thought she’d left behind. Meanwhile, wealthy university professor Dominik, frustrated by his life in London without Summer, is drawn to New York to be with the woman he now knows he cannot live without. But while Dominik believes he can protect Summer from her dark side, he does not anticipate that his own passions could end up being far more destructive. Now available: Eighty Days Red, the titillating finale in Vina Jackson’s Eighty Days Trilogy

« J’ai dévoré ce roman sensuel et plein de rebondissements page après page, en oubliant presque de dormir ! L’écriture de Josie Litton es tunc véritable magie des sens” -- Anna Zaires, Auteure de L’Enlèvement et d’autres best sellers du New York Times et de USA Today. Je m'appelle Grace Delaney. Je suis née dans la famille politique la plus admirée du pays. Lorsque j'avais seize ans, les médias m'ont surnommée « la princesse de l'Amérique ». Je déteste que l’on m’appelle ainsi, surtout depuis que j’ai découvert le terrible secret qui se cache derrière l'image publique étincelante de ma famille. Il y a quelques mois, j'ai obtenu mon diplôme universitaire, et étais bien décidée à mener ma propre vie. Mais aujourd’hui, je dois compter avec Adam Falzon, qui est rentré dans ma vie d’un seul coup. Chef d'une famille du vieux monde réputée impitoyable, il ressemble à un ange déchu. Bien que je sois très attirée par lui, j’ai découvert qu’Adam avait lui aussi des secrets, plus mortels et plus dangereux que ce que j’aurais pu imaginer. Je n'ose pas céder à mes sentiments pour lui. Mais je n'ai peut-être pas le choix. Plus le temps passe, plus je me sens prisonnière d’une toile de désir sombre. Mes chances d’en sortir sont de moins en moins

nombreuses. Et pire : je ne suis pas sûre de vouloir m'en sortir. Un jour de décembre, quelques années avant la révolution de 1830, dans une petite ville du Cotentin, plusieurs amis se réunissent pour leur causerie du soir et, très vite, l'un d'entre eux évoque la rencontre qu'il vient de faire : celle du chevalier Des Touches, un héros de la chouannerie. Mais le chevalier n'est-il pas mort ? Ce soir-là, on remonte le passé et, devant ses amis, mademoiselle de Percy, qui y participait, raconte l'expédition des Douze : l'enlèvement de Des Touches, prisonnier à Coutances, par ses compagnons d'armes.

When his bride Eurydice is killed by a snake on their wedding night, Orpheus decides to go seek her in the Underworld, where no mortal has ever gone before. This graphic novel retells the age-old myth in a new way that's eminently relatable to young readers. Through its compelling story, epic illustrations, and carefully researched approach, it earns its place in the canon. Aligned to Common Core State Standards and correlated to state standards. Spotlight is a division of ABDO.

Bard of Iceland makes available for the first time in any language other than Icelandic an extensive selection of works by Jónas Hallgrímsson (1807-1845), the most important poet of modern Iceland. Jónas was also Iceland's first professionally trained geologist and an active contributor in a number of other scientific fields: geography, botany, zoology, and archaeology. He played a key role as well in Iceland's struggle to gain independence from Denmark.

"Descriptive power and fullness of spirit were the hallmarks of his soul," wrote a contemporary admirer. Dick Ringler, one of the premier scholars of Icelandic literature in the world, offers a substantial biography of Jónas, a representative selection of his most important poems, and some of his prose work in science and belles lettres. Ringler also provides extended commentaries and an essay on Icelandic prosody. The poems are translated into English equivalents of their original complex meters in Icelandic and Danish. As a poet Jónas was intimately familiar with his nation's medieval literary inheritance--the sagas and eddas--and also with the groundbreaking work of contemporary German and Danish Romanticism (Chamisso, Heine, Oehlenschläger). A master of poetic form, Jónas not only exploited and enlarged the possibilities of traditional eddic and skaldic meters, but introduced the sonnet, triolet stanza, terza and ottava rima, and blank verse into the Icelandic metrical repertory.

This book is for Java EE application developers who have a Seam web application set up and ready to go, and are looking for information on the key areas of Seam that this book covers. You will need a basic understanding of Java EE and also to be aware of EJB3, although you do not need to know it in any detail. Experience with JBoss AS would be great, but all you really need is to be comfortable using any application server. Knowledge of AJAX and JavaScript would also be beneficial, although it is not necessary.

'There was a time when I felt that I had grasped Lacan's essential being from within - that I had gained, as it were, an apperception of his relation to the world, a mysterious access to that intimate place from which sprang his relation to people and things, and even to himself. It was as if I had slipped within him.' In this short book, Catherine Millot offers a richly evocative reflection on her life as analysand and lover of the greatest psychoanalyst since Freud. Dwelling on their time together in Paris and in Lacan's country house in Guitrancourt, as well as describing their many travels, Millot provides unparalleled insights into Lacan's character as well as his encounters with other major European thinkers of the time. She also sheds new light on key themes, including Lacan's obsession with the Borromean knot and gradual descent into silence, all enlivened by her unique perspective. This beautifully written memoir, awarded the André Gide Prize for Literature, will be of interest to anyone wishing to understand the life and character of a thinker who continues to exert a wide influence in psychoanalysis and across the humanities and social sciences.

The Earth is in turmoil. Fleeing a flooded London, Oksa and the rest of the Pollock family set off in search of the Entrance Portal of Edefia, their magical home. It is their only chance of restoring the Earth's balance. To get there, Oksa is forced to ally herself with the terrible Felons, mortal enemies who could betray her at any moment. Luckily she also has some real friends at her side: Pavel, her shapeshifting father; Gus and Tugdual, the two rivals for her heart; and, of course, her formidable grandmother Dragomira, along with her menagerie of Edefian creatures. But little does Oksa know, not only will she have to brave countless dangers to reach the portal, she must also pay a terrible price to enter the hidden world ... and what will await her on the other side?

Designed as a first course for graduate students on a community counseling track, this text provides a practical introduction to the field and covers all the core competencies required by CACREP. Students learn about the challenges a counselor may face—including ethical dilemmas and the struggle to meet an increasing demand for mental health services for a diverse population—through personal accounts, structured activities, and practical hints from experienced

counselors. A special feature, the Defining Moment, in each chapter provides an account of the struggles and triumphs of a practicing counselor. These insights, from counselors with a range of experience, help students realize the personal strengths and challenges they bring to the role of community counselor.

"Space Sleuths of the Cold War" relates for the first time the inside story of the amateur spies who monitored the Soviet space program during the Cold War. It is written by many of those "space sleuths" themselves and chronicles the key moments in their discovery of hidden history. This book shows that dedicated observers were often better than professionals at interpreting that information coming out of the USSR during the dark days of the Cold War. This book takes a unique approach to the history of Soviet spaceflight – looking at the personal stories of some of the researchers as well as the space secrets the Soviets tried to keep hidden. The fascinating account often reads like a Cold War espionage novel. "Space Sleuths of the Cold War" includes an impressive list of contributors, such as: Editor Dominic Phelan, giving an overall history of the Cold War hunt for Soviet space secrets. Space writer Brian Harvey reveals his own personal search through official Soviet radio and magazines to find out what they were (and weren't) revealing to the outside world at the height of the space race. Sven Grahn from Sweden details his own 40 year quest to understand what was happening on the other side of the Iron Curtain. Professional American historian Asif Siddiqi explores his own adventures in the once secret Russian archives – often seeing documents never before read by Westerners. Dutch cosmonaut researcher Bert Vis provides an inside account of the Yuri Gagarin training center in Moscow. Belgian researcher Bart Hendrickx's details his important translation of the 1960s' diaries of cosmonaut team leader General Kamanin. Pioneer space sleuth James Oberg's shares his memories of his own notable 'scoops.' Paris-based writer Christian Lardier recounts the efforts of French space sleuths – whose work was frequently overlooked in the USA and Britain because of the language barrier.

On moving to Britain in the late 1990's Pascal opened up his award winning restaurant Club Gascon in London's Smithfield Market. Rapidly acquiring a Michelin star, Club Gascon fast became the place to go to experience some of the best French food in the country - the food of his native South West of France, the very heart of the country's cuisine. Over 100 traditional recipes, some with modern twists and inflections, sit within a sumptuously designed and beautifully photographed book.

Unashamedly sensuous food photography is accompanied by evocative images of Gascony, it's food and people, from fellow Frenchman Jean Cazals. Cuisinier Gascon is a food lover's delight and a cook's heaven - a worthy testament to the talents of both Pascal Aussignac and his native land of Gascony. 2009 World Gourmand Award: 'Best French Cookbook in UK' 2010 World Gourmand Award: 'Second Best French Cookbook in the World' Prix La Mazille 2010 First Prize in Perigueux (France) at The International Book Fair

In ancient Egypt they were worshiped. In the Middle Ages they were crucified. From a gentle purr to a sudden scratch, enter the dark, secret world of the creature who is definitely not man's best friend - and who likes it just fine that way. In this extraordinary collection, twenty-four master storytellers look into the inscrutable eyes of felis catus, and see a reflection of the frightening, the fantastic, and the bizarre. From birds' feet left at your door to a howl in the night, from a preen to a pounce, find out who they really are... if you dare.

What could be more moving than a reunion of childhood friends making

peace after long enmity and tragic misunderstanding? Lucius Murena and the Emperor emerge from their long-awaited meeting with rekindled trust and affection. But in Nero's Rome, such victories are always fleeting. When a brutal murder attempt leaves Murena on the brink of death, his memory is erased by a family of patricians plotting to assassinate Nero with the help of the Emperor's own dear advisor, Seneca. The series, a dive into the intricate and deadly world of ancient Rome, is back with this tenth volume.

Sixteen-year-old Mauritian Maya falls in love with David, a man from a wealthy family who she hopes will be able to help her escape poverty, but everything falls apart when she learns that he has agreed to an arranged marriage.

John Reed is bored with his life and his uneventful police career in a sleepy town in Missouri, until a girl is found dead in the nearby forest. The event triggers John's suppressed memories of the summer of 1957, when he was on his way to Las Vegas and crossed paths with a girl that was on the run, trying to get to the resort at Manhattan beach. They traveled together for a few days by stealing cars, until the police and her uncle caught up to them, with tragic results. As he investigates the brutal murders of several young girls, the past and present begin to blur in his mind.

Kim's mission to the other Antares planet - the one from which came the mysterious beam that took her daughter - is underway, and the young woman desperately wants to believe she will find her missing child. One amongst her team has no shortage of faith, though: the insufferable Jedediah Thornton is convinced they are going to meet an advanced alien civilisation. And he will stop at nothing to ensure humanity's representative is a man of proper morals...

The Untold Secrets of the Soviet Space Program

Roxanne Stokes doesn't believe in love. She does, however, believe in the sexy-as-sin stranger who literally knocks her off her feet in front of a nightclub. The chemistry sparking between them takes her breath away, and she'll do anything to ease the pain in his eyes...until she realizes the handsome stranger is her best friend's older brother who's just come home from war. Ian Walser had no idea the gorgeous woman he slept with the night of his homecoming party was his little sister's best friend—or that she'd be gone before morning. Roxanne's touch soothes him in a way nothing else can, and he's not ready to walk away from that yet. Not when spending time with her gave Ian a glimpse of everything he's ever wanted. When his sister unwittingly pushes them together, he sees his chance. But convincing a woman who doesn't believe in love that she's his Mrs. Right might be harder than any mission Ian's undertaken. Good thing this soldier likes a challenge... Each book in the Come Undone series is STANDALONE: * Wrong Bed, Right Guy * Chasing Mrs. Right * Two Wrongs, One Right * Seducing Mr. Right
