*Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."*

*Blending memories and family myths,  
Mary McCarthy takes us back to the  
twenties, when she was orphaned in a  
world of relations as colourful, potent  
and mysterious as the Catholic  
religion. There were her grandmothers:  
one was a blood-curdling Catholic who  
combined piousness and pugnacity; the  
other was Jewish and wore a veil to  
hide the disastrous effects of a face-  
lift. There was wicked Uncle Myers who  
beat her for the good of her soul and*

Aunt Margaret who laced her orange juice with castor oil and taped her lips at night to prevent unhealthy 'mouth-breathing'. 'Many a time in the course of doing these memoirs,' Mary McCarthy says, 'I have wished that I were writing fiction.' But these were the people, along with the ladies of the Sacred Heart convent school, who helped to inspire her devastating sense of the sublime and ridiculous and her witty, novelist's imagination.

When the newly ordained Episcopal priest Rev. Calvin Harper arrives in Victory, West Virginia, to be the pastor at an ailing parish, he has no idea how much he still has to learn about being a priest. Thankfully, Ruby Redding takes the young man under her wing and teaches him everything she has learned throughout her long, storied life. Seminary never taught Calvin that the only true way to be a witness to God's presence in this world is to remain in relationship with people no matter what life throws at them. His studies never taught him that detachment is the bane of ministry. He never learned that deep grief comes
