Bulletin

Reading their Lessons from His Time to Ours

Cervantes's Novelas ejemplares: Reading their Lessons from His Time to Ours offers a thematically oriented reading of the Novelas ejemplares with relevant asides to Cervantes' other works. It takes into account the recent scholarship on the Novelas, and it also reflects the author's experience of teaching Cervantes' works in recent years. This book will be of great value to graduate students, professors, and all who are interested in Hispanic

Spanish literature includes some of the world's greatest works and authors. It is also one of the most widely studied. This reference looks at the literature of Spain from the perspective of women's studies. Though the volume focuses on the literature of Spain written in Castilian, it also includes survey entries on the present state of women's literature in Catalan, Galician, and Basque. Included are hundreds of alphabetically arranged entries for numerous topics related to Spanish literature, including: -Literary periods and genres -Significant characters and character types -Major authors and works -Various specialized topics Each entry discusses how the topic relates to women's studies. Entries for male authors discuss their attitudes toward women. Female writers are considered for the restrictive cultural contexts in which they wrote. Specific works are examined for their representations of female characters and their

handling of women's issues. Each entry is written by an expert contributor and closes with a brief bibliography. The volume concludes with a list of works for further reading.

Explores picaresque fiction across ages and cultures, providing a revealing and fresh examination of this literary genre.

"Like cartographers after the Treaty of Versailles, contemporary critics of picaresque literature are hard at work redrawing lines and polemicizing boundaries in an attempt to resolve prevailing problems of definition and method. To reevaluate this canon of texts and to address critical issues, a group of internationally renowned

scholars gathered in April 1989 for a two-day conference, "The Picaresque: A Symposium on the Rogue's Tale," which was held at the University of Maryland at College Park and sponsored by the Center for Renaissance and Baroque Studies in conjunction with the Department of Spanish and Portuguese. The essays in this volume grew out of this scholarly exchange and map out an unusually broad landscape of contemporary critical concern." "The volume opens with an essay by Marina S. Brownlee, which addresses whether there is an "essential feature, configuration, or environment that determines the presence of a picaresque text." In his study of classicity in the Spanish Golden Age, Joseph V. Ricapito examines the Perez translation of the Odyssey and its link with the Spanish picaresque genre. Bruno M. Damiani's essay focuses on Lozana Andaluza as an important link between Celestina and the Lazarillo and investigates traits common in the later novel of roguery. "The Picaresque and Autobiography" by Randolph D. Pope examines the split vision of

autobiography in Golden Age picaresque. Calhoun Winton looks into the rise of the picaresque novel in seventeenth-century London printing and publishing practice. Studying pamphlets, chapbooks, and periodicals, he poses the question: By whom were these examples of the picaresque mode written, for what reward, and with what audience in mind? Jerry C. Beasley's "Translation and Cultural Translatio" addresses questions of the translation of picaresque texts and the impact of this genre on novelistic discourse throughout Europe. In his essay Gerald Gillespie contextualizes Grimmelshausen's *The Adventurous German Simplicissimus* in French comic and satiric and Spanish disillusionistic modes. Nancy Vogeley examines Lizardi's *Don Catrin de la Fechenda* in the context of the Enlightenment and redefinition and politicization of the concepts of vice and virtue and discusses how these changing thought patterns facilitated the task of American writers who were then rethinking their political and moral landscape. Jerome Christensen's essay

on Lord Byron investigates with primary and secondary textual sources the meaning of picaresque in Don Juan, establishes the vitality of the genre in this work, and looks into the distinction made between tuum and meum. The closing essay, Mario M. Gonzalez's "The Brazilian Picaresque," presents an overview of the genre in Brazilian literature." "This volume represents the diversity of scholarly approaches to the study of picaresque and opens up new questions concerning the picaresque canon, especially regarding its criteria for the definition of parameters that include elements from classical antiquity to contemporary theory."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The unlikely heroes of the Spanish picaresque novels make their way - by whatever means they can - through a colourful and seamy underworld populated by unsavoury beggars, corrupt priests, eccentrics, whores and criminals. Both Lazarillo de Tormes and Pablos and the swindler are determined to attain the trappings of the

This volume aims to balance the traditional literature available on medieval feuding with an exploration of other aspects of vengeance and culture in the Middle Ages. A diverse assortment of interdisciplinary essays from scholars in Europe and North America contest or enlarge traditional approaches to and interpretations of vengeance in the Middle Ages. Each essay attempts to clarify the multifaceted experience of vengeance within a specific medieval context—a particular region, a particular text, a particular social movement. By asking what relationship a distinct factor like authorship or religion has with the concept of vengeance, each author points towards the breadth of meanings of medieval vengeance, and to the heart of the deeper and broader questions that spur scholarly interest in the subject. Geographically, the essays in the volume highlight Western Europe (particularly the Anglo-Norman world), Scotland, Ireland, Spain, and Portugal. Thematically, the essays are concerned with heroic cultures of vengeance, vengeance as a legal and political tool, Christian justification and expression of vengeance, literature and the distinction between discourse and reality, and the emotions of vengeance. Methodologically, these interdisciplinary studies incorporate tools borrowed from anthropology, the study of emotion, and modern social and literary theories. This volume is aimed at professional scholars and graduate students within the broad field of medieval studies, including the subfields of history, literature, and religious studies, and is intended to inspire further research on medieval vengeance. However, this collection will also prove interesting to non-medievalists interested in the history of emotion, the justification of human conflict, and the concept of feud and its applicability to specific historical periods.

Objects of Culture in the Literature of Imperial Spain
Lazarillo de Tormes and the Swindler

This volume commemorates the quatercentenary of Don Quijote (Part I, 1604-05), widely acknowledged to be the 'first modern novel'. Through Don Quijote, his Exemplary Novels and other major works, Cervantes, Spain's master novelist, has for centuries shaped and profoundly influenced the different literatures and cultures of numerous countries throughout the world. Containing chapters written in both English and Spanish by leading scholars worldwide, this book deals with topics as fundamental and diverse as contested discourses in Don Quijote, psychology and comic characters in Golden-Age literature, the title of Cervantes' master novel, and Cervantes, Shakespeare and the birth of metatheatre. A special issue of the journal Bulletin of Spanish Studies. A study which highlights the ironic intrusion of novelistic elements in Persiles y Sigismunda, subverting its categorization as pure romance fiction.
