*BIG DISCOUNT - ONLY for this
WEEKEND!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! Most
people would agree that an OK score in
speaking is 5 or 6. Many students now
realise that a score of 5 or 6 for
speaking is not enough for their study
requirements. Many students spend
months preparing for the IELTS speaking
test and still find it difficult to
score 7 or higher. In fact some
candidates actually score lower than
they potentially could have scored.
There are a few reasons behind this
poor performance and these will be
discussed in detail throughout this
book, but one major factor is the lack
of quality material available for IELTS
speaking preparation. There are a
number of IELTS speaking books on the
market but this book aims to break new
ground by focusing on how to prepare
for and achieve a speaking score of 7
(or maybe higher). All of the skills
and strategies presented in this book
are typical of a high scoring speaking*

This bestselling workbook provides a resource for students studying towards the International English Language Testing System (IELTS) exam. It has been written for students at intermediate level and above, and is particularly appropriate for anyone who plans to study or train at an English-speaking college or university. Fully updated for this fourth edition, the book provides exercises to help teach and build general and topic-specific vocabulary related to the IELTS test and also covers grammar, use of English, comprehension and spelling.

Suitable for both self-study and the classroom, it includes a range of activities to help students build and improve their English vocabulary and language skills.

- Tests and improves vocabulary using a variety of useful, interesting and enjoyable exercises
- Easy-to-use format with clear instructions
- Comprehensive answer key with additional information
- Includes IELTS-style Speaking and Writing tasks with sample answers to allow for productive practice of target language

ENGLISH VOCABULARY ORGANISER is the most comprehensive vocabulary self-study book currently available. It organizes vocabulary into 100 topics and is the ideal book to recommend to all intermediate and upper level students. It will be invaluable to anyone preparing to take an English examination.

Teaches strategies for success on multiple-choice tests involving vocabulary and spelling. Practice problems are designed to reinforce verbal skills,

Our pupils' success will be defined by their ability to read fluently and skilfully. But despite universal acceptance of reading's vital importance, the reading gap in our classroom remains, and it is linked to an array of factors, such as parental wealth, education and book ownership, as well as classroom practice. To close this gap, we need to ensure that every teacher has the knowledge and skill to teach reading with confidence. In *Closing the Reading Gap*, Alex Quigley explores the intriguing history and science of reading, synthesising the debates and presenting a wealth of usable evidence about how children develop most efficiently as successful readers. Offering practical strategies for teachers at every phase of their teaching career, as well as tackling issues such as dyslexia and the role of technology, the book helps teachers to be an expert in how pupils 'learn to read' as well as how they 'read to learn' and explores how reading is vital for unlocking a challenging academic curriculum for every student. With a focus on nurturing pupils' will and skill to read for pleasure and purpose, this essential volume provides practical solutions to help all teachers create a rich reading culture that will enable every student to thrive in school and far beyond the school gates.

Advanced Vocabulary in Context enables advanced level students to practise vocabulary in natural contexts.

In the mid eighteen sixties a Wiltshire family of eight lives an idyllic, if somewhat austere life just outside of the small village of East Knoyle. News of the impending arrival of a seventh child to Phoebe and John, throws them into turmoil. As John is dealt a savage blow by cruel fate, Phoebe and her children find themselves cast into a chaotic world, caught between the cruel vindictive and sadistic avarice of an unscrupulous landlord and the unyielding support of a loyal friend. As the landlord racks up the pressure, their world spirals out of control and the family are split asunder. Louisa's ordeal is just beginning in a

time when the shadows cast by her past darken all paths towards the light. This is a work of 'faction'. That is, a series of documented facts in the lives of some very real people, linked together by a fiction woven around those facts to create a compelling story of what might have been. The book leaves the reader with a mystery, which is solvable but is as yet unsolved. What really happened to Louisa? The answer is out there somewhere buried deep in the archives, just waiting to be discovered.

Old habits die hard, particularly when they are part of the unexamined norms of schooling. In *Why Are We Still Doing That?*, the best-selling authors of *Total Participation Techniques* lead a teacher-positive, empathetic inquiry into 16 common educational practices that can undermine student learning: *

- Round robin reading**
- Teaching to learning styles**
- Homework as the default**
- Using interim assessments**

as "formative assessments" * Asking, "Does everybody understand?" * Traditional Q&A * Data-driven everything * Publicly displayed data walls * Content breadth over depth * Adhering to rigid pacing guides * Teaching to test samplers * An analysis-only approach to reading * Elevating English language arts and mathematics over all other subjects * Ignoring curriculum experts * Using behavior charts *

Withholding recess PÉrsida Himmele and William Himmele provide straightforward, research-informed accounts of what makes each of these practices problematic. And they share easy-to-implement instructional, assessment, and classroom management strategies you can use to meet the goals those problematic practices are intended to achieve . . . without the downsides or the damage. This book is for K-12 teachers at all stages of their career, including preservice teachers who will be educating the next generation of students. Read it and reflect on it with colleagues. Use it to focus your own inquiry into what is and is not working for your students and to replace ineffective and potentially harmful habits with more positive and effective ones.

A fantastic selection of dragon stories from all over the world, gorgeously illustrated by Khoa Le, and starring a wide variety of dragons. Here you will find four dragons from China who save their country, alongside a dragon whose tears cause tulips to bloom, and a reluctant dragon who refuses to fight -- even

when St. George comes to town. Part of Usborne's Illustrated Story Collections. Perfect for sharing or reading alone. A wonderful addition to the family bookshelf and a gift to be treasured.

The Confident Teacher offers a practical, step-by-step guide to developing the habits, characteristics and pedagogy that will enable you to do the best job possible. It unveils the tacit knowledge of great teachers and combines it with respected research and popular psychology. Covering topics such as organisation, using your body language effectively, combatting stress, managing student behaviour, questioning and feedback, and developing confident students, it shows how you can build the confidence and skill to flourish in the classroom. This book will be an essential resource for all qualified and trainee teachers wanting to reach their full potential in this challenging but rewarding profession.

A shooting star crashes to earth and changes Elliot's life forever. The star is Virgo - a young Zodiac goddess on a mission. When the pair accidentally unleash the wicked death daemon Thanatos, they turn to the old Olympian gods for help. But after centuries of cushy retirement on earth, are Zeus and his crew up to the task?
