Every Man's Challenge

Are you ready to face life's tests? God tests a

man. Into the flow of everyday life He sends “pop quizzes”-those unexpected trials that show us what we’re made of; that reveal the true quality of our faith and character; that show our willingness to obey Him. Every Man’s Challenge, part of the best-selling Every Man series, will prepare you to obey. It does take guts to stand firm in facing what life throws our way. We need courage to acknowledge our own weaknesses and to change. We need understanding in handling moral dilemmas and family crises. Thankfully,

God has given us the strength we need. By His power we can “participate in the divine nature” and triumph over our sins and the temptations and corruption of the world. The forty “exams” in this book, comprised of Scripture, stories, and reflective questions, will give you the necessary tools to draw closer to God and win life’s battles. Used in your devotional times or for personal reflection or group study, you’ll find strength to overcome sexual temptation, learn how to love your wife better, and gain increasing

confidence to live as Christ did. In the defining moments of your life, you can obey God and pass the tests that challenge every man.

When does an affair begin? Not with the first forbidden touch...but with the first forbidden thought. Unexpectedly, you find yourself enjoying a powerful emotional bond with another man. You feel like you matter to someone again. And the door you thought was locked so firmly-the door to sexual infidelity-is suddenly ajar. The only way

women can survive the intense struggle for sexual integrity is by guarding not just your body, but your mind and heart as well. Every Woman's Battle can help you learn to do that. Using real-life stories and examples from her own struggle, Shannon Ethridge helps women like you-whether married, engaged, or planning to marry someday.

The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern

classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand's provocative novel presents one of the most challenging ideas in all of fiction—that man's ego is the fountainhead of human progress... "A writer of great power. She has a

subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly...This is the only novel of ideas written by an American woman that I can recall.”—The New York Times

You already know it's not easy being a single man in this culture today. But it is easy to be overwhelmed, to feel helpless and hopeless about living by God's high standards for singles. It's easy to cave in to the pressures of this sex-soaked world and accept defeat-blaming the media, the culture, even

girlfriends who don't know how tough it can be. But many men have read books like Every Young Man's Battle and Tactics and have committed themselves to stand strong and pure in the power of God, and to go on the offensive against the onslaught of negative stereotypes. Some have suffered. Some have fallen. But many have experienced victory-and you can be among them. What makes those committed men so desirable to women? Be Her Hero is their motto. From best-selling author Fred Stoeker, along with his son Jasen,

come the straightforward insight and real-life examples you're looking for to help you take personal purity to its logical conclusion.

Here's straight truth with irrefutable evidence of what makes an ultimate hero to women who long for men of faith-men who stand by their convictions and make their world a safer and better place. Are you ready to accept the challenge?

against temptation? Here's powerful ammunition. Steve Arterburn and Fred Stoeker, the authors of the hard-hitting best-seller Every Man's Battle, now focus on the temptations young single Christian men like you face every day—and they offer workable, biblical strategies for achieving sexual purity. The authors examine the standard of Ephesians 5:3—"there must not be even a hint of sexual immorality"—in a positive and sensitive

light. And they explain how an authentic, vibrant relationship with Jesus Christ is the key to victory over temptation. Every Young Man's Battle will show you how to train your eyes and your mind, how to clean up your thought life, and how to develop a realistic battle plan for remaining pure in today's sexually soaked culture. these two figures from very different worlds -- one afraid that people will turn their backs on medical care, the other fearful of the advent of a world in which respect for traditional ways has been lost and privacy has been obliterated -- mirrors a continent-wide battle against an epidemic that has corrupted souls as much as bodies. A heartbreaking tale of shame and pride, sex and death, and a continent's battle with its demons, Steinberg's searing

Sex is everywhere. And misunderstandings about it are even more pervasive. Whether you have questions of your own and don't know who to ask, or you are being asked questions and don't know where to turn—this small book has the answers. Bestselling author and speaker, Josh McDowell believes that no question is off limits and that knowledge, not

ignorance, is the key to youthful purity and a fulfilling marriage and family. This book builds on that approach with relevant, pertinent statistics, entertaining anecdotes, and real stories. This little book will be a very practical tool in the hands of anyone who is struggling, anyone who is curious, anyone who is nervous about asking a "dumb question," and most importantly, anyone who desires to learn how to honor God with his or her

body. The Bible is clear on a lot of these issues and Josh's candor (and respect for young people) shines through as he shares these truths about sex. Much like Josh's apologetics books, this book will help equip a skeptical generation with the facts they are sorely missing.
