With a chatty voice and sarcastic style, *The Faker's Guide to the Classics* condenses the great—but long and often complicated—novels, plays, and poems into bite-size nuggets of info that are easy to digest, cutting out the bloated analysis and nauseating debate of other reading guides. From *Anna Karenina* and *Beowulf* to *Ulysses* and *Wuthering Heights*, each of the 100 books profiled here is a classic that everyone talks about but only hardcore lit majors have actually read. Now, with

The Faker's Guide to the Classics, you, too, can: Reminisce about books you were supposed to read for class but didn't; fudge literary discussions at fancy parties; impress a date with your incredible knowledge and wit; and cut through the ivory tower of world letters to read like a ninja! Each entry contains: a quick and dirty narrative description of plot points and overall story, including significant twists and surprise endings, told with humorous brevity; famous quotes from each work, accompanied by smartass responses; the original cover or an illustration conveying the work's tone (or lack thereof). Brief author bios, including misdeeds and scandals, add illuminating and occasionally disgusting

background to each work. All of the text appears in simple, contemporary English, so it's easy to understand—and short enough to tweet. With this must-have guide, there's no more need to worry whether a reference to Miss Havisham is an insult or to wonder what happened to Moby-Dick. Not reading the classics has never been easier! /div

on in their careers? The Reel Truth details the pitfalls, snares, and roadblocks that aspiring filmmakers encounter. Reed Martin interviewed more than one hundred luminaries from the independent film world to discuss the near misses that almost derailed their first and second films and identify the close shaves that could have cut their careers short. Other books may tell you the best way to make your independent film or online short, but no other book describes so candidly how to spot and avoid such issues and obstacles as equipment problems, shooting-day snafus, postproduction myths, theatrical distribution deal breakers, and dozens of other commonly made missteps, including

Give Your Life to Live Your Life In this book, Seth Adam Smith expands on the philosophy behind his extraordinarily popular blog post "Marriage Isn't for You"—which received over 30 million hits and has

File Type PDF Everything You Didn T Know About The Casey Anthon

been translated into over twenty languages—and shares how living for others can enrich every aspect of your life, just as it has his. With a mix of humor, candor, and compassion, he reveals how, years before his marriage, his self-obsession led to a downward spiral of addiction and depression, culminating in a suicide attempt at the age of twenty. Reflecting on the love and support he experienced in the aftermath, as well as on the lessons he learned from a difficult missionary stint in Russia, his time as a youth leader in the Arizona desert, his marriage, and even a story his father read to him as a child, he shares his deep conviction that the only way you can find your life is to give it away to others. To replace 244 aged MiG-21 fighters of IAF, a case to procure 126 Mirage-2000 jets was

File Type PDF Everything You Didn T Know About The Casey Anthon

initiated in 2000. After a 7-year delay, in August 2007, the UPA government invited bids for 126 jets. Six bidders submitted proposals. In January 2012, UPA government announced that Dassault's Rafale had won. Dassault was to build 18 jets in France, with 108 to be produced by HAL in India. Negotiations remained incomplete 28 months after Rafale was chosen, due to disputes on costs and terms, explained in detail. When India renegotiated with Dassault, by January 2014, the deal cost would become ?1669 crores by when the first jets were to be delivered. In five different speeches or tweets,

File Type PDF Everything You Didn T Know About The Casey Anthon

Rahul Gandhi quoted figures of ₹520 crores, ₹526 crores, ₹540 crores, ₹570 crores and ₹700 crores per jet as the UPA's negotiated price. Thus, there was no Rafale deal signed under UPA. For 10 years, UPA governments could not finalise a deal to buy crucial firepower for India's national security. Less than two months after Modi became PM, negotiations were held between India and France. In April 2015, just 10½ months after coming to power, during a visit to France, Modi announced a "government-to-government deal" to acquire 36 Rafales in "fly-away condition". The Agreement was signed in

September 2016. Deliveries would begin in September 2019 and be completed by April 2022. The negotiated cost per Rafale jet was ₹1623 crores. Thus, Modi got the Rafales cheaper than MMS. India got many other additional terms and benefits, explained in great detail. 14 months after the deal was signed, Gandhi started calling it a scam. In different tweets, he alleged a scam of ₹58,000 crores (21 Feb. 2018), ₹36,000 crores (16 Mar. 2018), ₹40,000 crores (19 Mar. 2018) and ₹130,000 crores (22 Sep. 2018). When the deal itself is for ₹58,428 crores, how can the scam be ₹58,000 or ₹130,000 crores? In an Inter-
