Cadence Lightbringer, daughter of a legendary archangel, has always known her gods-endowed magic comes with a price. As an angel in the Legion of Angels, she lives where the Legion commands her to live, trains how the Legion tells her to train, and marries whom the Legion instructs her to marry. Somehow it all sounded simpler in her head. When Cadence is ordered to marry the enigmatic angel Daniel Dragonsire, a man she hardly knows, her whole perfect, predictable life is turned upside down. The wedding, however, is cut short by a dark threat that throws Cadence and Daniel into a world of magic as ancient and deadly as the original Immortals, powerful deities who once ruled the entire known universe. Angel Fury is the second book in the Immortal Legacy series.

Everything about Ginny will change this summer, and it’s all because of 13 little blue envelopes... Perfect summer read from Queen of Teen 2012

This book attempts to document the scientific implausibility of the evolutionary theory. It covers the major problems evolution faces in explaining life origins, and the development of living systems with their complex designs.

In the Russian wasteland, a man named Talus bears a secret so terrible that it will cost him no less than his life to share it... a secret so terrible that he must share it in order to find those who will help him protect the knowledge that will one day save humanity. He has chosen two brothers, both hermit monks, to join him in his quest. But time is short... and no man is ready to receive the news that Talus must now share with them both: That they are both already dead. THE KEEPER is the short story prequel to Forbidden, the first novel in The Books of Mortals series. First there was the Circle Trilogy. Now a new stunning epic begins.

His past tore them apart. Her lies thrust them back together. Now a killer’s out for revenge, but the biggest threat for both may just be the heat they thought they’d already lost... Antiquities dealer Peter Kauffman walked a fine line between clean and corrupt for years. And then he met the woman who changed his life–Egyptologist Katherine Meyer. Their love affair burned white-hot in Egypt, until the day Pete’s lies and half-truths caught up with him. After that, their relationship imploded, Kat walked out, and before Pete could find her to make things right, he heard she’d died in a car bomb. Six years later, the woman Pete thought he’d lost for good is suddenly back. The lies this time aren't just his, though. The only way he and Kat will find the truth and evade a killer out for revenge is to work together—as long as they don’t find themselves burned by the heat each thought was stolen long ago...

When a crown is at stake, blood will be shed... The High Crown Chroniclesis cinematic storytelling at its best. With stunning imagery, dynamic characters, and a slow-burn romance, Jodi Gallegos has built a fantastical world. Coupled with a strong female heroine who’s both relatable and fierce, this seamlessly layered plot pours the foundation for an epic fantasy series that readers will devour before asking for more. Malory is bound by blood to ensure the High Crown is returned to her kingdom–be it the blood that runs through her veins or the blood spilled at her feet. The eldest heir of the kingdom of Devlshire, Malory is destined to be the first reigning queen in a hundred years, though she’d prefer to spend her days sparring in the courtyard or reading tales of the long-forgotten gods rather than studying languages and royal lineage. But an upset in the balance of power between the Unified Kingdoms is about to disrupt peace in the land and promote unquenchable greed amongst its rulers. A jealous younger brother–and a salacious rumor–leaves Malory as a pawn in her father’s plot to overthrow the new ruling king. She’s forced to participate or risk the life of her best friend Esmond, a knight in the King’s Guard. Betrayed by her family, sent away from her home, and denied her birthright, Malory will navigate the courts of her new kingdom to protect it against any who threaten it–and her. Her journey will awaken the warrior inside herself, and the gods who have lain dormant for a hundred years. The High Crown Chronicles is a young adult fantasy that embraces the spirit of betrayal, deception, and political intrigue that is at the core of Philippa Gregory novels, with the dark vengeance of George R.R. Martin. With heart-stopping action, relatable characters, and impeccable writing, the first novel in The High Crown Chroniclesby Jodi Gallegos is sure to leave readers hungry for more. The High Crown Chronicles by Jodi Gallegos - The High Crown Chronicles, Book 1 (Now Available) - Queen Of The Ruins, Book 2 (December 1, 2020) - The Battle of Gods and Men (Summer of 2021) Readers who love action-packed young adult fantasy page turners like The Key by Jennifer Anne Davis and An Ember in the Ashes by Sabaa Tahir will love The High Crown Chronicles by Jodi Gallegos.

This new collection of short stories from T.C. Boyle finds him at his mercurial best. Inventive, wickedly funny, sometimes disturbing, these are stories about drop-outs, deadbeats and kooks. Take the man who shares his apartment with a wildcat won in a drunken bet; the drive-time shock jock hallucinating from sleep deprivation for a publicity stunt; the suburban woman who joins a pack of dogs, eating rabbits and baying at the moon. With a unique deftness of touch and a keen eye for the telling detail, Boyle has mapped the strange underworld of America.

Admirers have praised Fedor Dostoevsky as the Russian Shakespeare, while his critics have slighted his novels as merely cheap amusements. In this critical introduction to Dostoevsky's fiction, Victor Terras asks readers to draw their own conclusions about the 19th-century Russian writer. Discussing psychological, political, mythical and philosophical approaches, Terras deftly guides readers through the range of diverse and even contradictory interpretations of Dostoevsky's rich novels.

One of the Roman novels from the bestselling historical fiction Falco series. 'Luckily the judge was eager to adjourn for lunch.' Having returned from his trip to Londinium, Falco takes up employment with two lawyers at the top of their trade. For the trial of a senator, they need Falco to make an affidavit confirming repayment of a loan. Having been out of the country and starved of Forum gossip for some time, Falco has little interest in this trial, so he makes his deposition and then leaves. The prosecution are successful and a large financial judgment is made, but one month later the senator is dead, apparently by suicide. The heirs are now in a situation of not having to pay up, and the prosecutor suddenly decides to seek out Falco. With a little coercion, Falco joins the prosecution in seeking to persuade a magistrate a new trial. Blinded by the vision of rich pickings to be gained by the prosecution, Falco temporarily forgets that, if they fail, the financial penalties levelled against the informers who brought the case are potentially enormous.

An English court in 1736 described rape as an accusation “easily to be made and hard to be proved, and harder to be defended by the party accused, though never so innocent. “To prove the crime, the law required a woman to physically resist, to put up a “hue and cry,” as evidence of her unwillingness. Beginning in the 1970s, however, feminist and victim-advocacy groups began changing attitudes toward rape so the crime is now seen as violent in itself: the legal definition of rape now includes everything from the sadistic serial rapist to the eighteen-year-old who has consensual sex with a fourteen-year-old. This inclusiveness means there are now more rapists among us. And more of rape’s camp followers: the prison-makers, the community watchdogs, law-and-order politicians, and the real-crime/real-time entertainment industry. Vanessa Place examines the ambiguity of rape law by presenting cases where guilt lies, but lies uneasily, and leads into larger ethical questions of what defines guilt, what is justice, and what is considered just punishment. Assuming a society can and must be judged by the way it treats its most despicable members, The Guilt Project looks at the way the American legal system defines, prosecutes, and punishes sex offenders, how this Dateline NBC justice has transformed our conception of who is guilty and how they ought to be treated, and how this has come to undo our deeper humanity

Even a darkening world can be brilliantly lit from within. Born with a rare genetic mutation called Usher Syndrome type III, Rebecca Alexander has been simultaneously losing both her sight and hearing since she was a child, and was told that she would likely be completely blind and deaf by age 30. Then, at 18, a fall from a window left her athletic body completely shattered. None of us know what we would do in the face of such devastation. What Rebecca did was rise to every challenge she faced. She was losing her vision and hearing and her body was broken, but she refused to lose her drive, her zest for life and - maybe most importantly - her sense of humor. Now, at 35, with only a sliver of sight and significantly deteriorated hearing, she is a psychotherapist with two masters’ degrees from Columbia University, and an athlete who teaches spin classes and regularly competes in extreme endurance races. She greets every day as if it were a gift, with boundless energy, innate curiosity, and a strength of spirit that have led her to places we can't imagine. In Not Fade Away, Rebecca tells her extraordinary story, by turns harrowing, funny and inspiring. She meditates on what she’s lost—from the sound of a whisper to seeing a sky full of stars, and what she’s found in return—an exquisite sense of intimacy with those she is closest to, a love of silence, a profound gratitude for everything she still has, and a joy in simple pleasures that most of us forget to notice. Not Fade Away is both a memoir of the senses and a unique look at the obstacles we all face—physical, psychological, and philosophical—exploring the extraordinary powers of memory, love, and perseverance. It is a gripping story, an offering of hope and motivation, and an exquisite reminder to live each day to its fullest.

Homecamp is an impressive package that will inspire you to switch off and get lost in the beauty and wonder that nature has to offer. It's difficult to find nature amidst the rush, bustle and electronic pop-ups that flood our modern lives - to leave stress and hurry behind, embracing the simple pleasure to be found in pounding waves, a roaring campfire and a sky full of stars. But nature isn't as far away as you think. Homecamp is a beautiful collection of stories and images from everyday adventurers - people who have found ways to experience and embrace the outdoors, on their terms. Some have gone on epic adventures: sold their belongings and lived in a van, trekked through the Himalayas or biked across continents. Others simply found new ways of seeing the world around them: cleaned up a beach, learned how to forage or spent a night alone in the woods. All found that their experiences in nature transformed their lives and freed them, even if only briefly, from the monotony of their 9-5 grind. This book will inspire you to rediscover the joys and the rejuvenating power of spending time outside. Along with compelling stories, interviews and imagery, you'll find a how-to guide full of helpful tips, from how to choose and set up camp to brewing the perfect campfire coffee and enjoying the outdoors without a trace.

Joseph Cornell is one of the most significant American artists of the 20th century. His work is highly visible in the world's most prestigious galleries, including the Tate Modern and MOMA. His famous boxes and his collage work have been admired and widely studied. However, Cornell also produced an extraordinary body of film work, a serious contribution to 20th-century avant-garde cinema, and this has been much less examined. In this book, Michael Piggott makes the case for the significance of Joseph Cornell's films. This is an important contribution to our knowledge of 20th-century culture for scholars and students of film and art history and American studies and for all those interested in pop culture, celebrity and fandom.

FOR FANS OF DONNA LEON AND IAN RANKIN: A GRITTY, PAGE-TURNING CRIME THRILLER FROM BESTSELLING AUTHOR WOLFGANG BURGER. Most first days in a new job go well - some don't . . . Alexander Gerlach assumes that his promotion to Police Chief of Heidelberg will bring with it a quieter life. A widower and a single parent raising twin teenage daughters, Gerlach is slowly beginning to rediscover not only himself, but also the dating scene again. On his first day in his new job, however, the body of a chemistry student is discovered, and what at first seems to be an open-and-shut case with a clear culprit quickly changes into something more complex. When another murder casts doubt on all previous assumptions, Gerlach must unravel the conspiracy, before it's too late . . . If you loved Commissario Brunetti, you'll love this first book in the highly-praised Alexander Gerlach series.

Zom-Bis a radical new series about a zombie apocalypse, told in the first person by one of its victims. The series combines classic Shan action with a fiendishly twisting plot and hard-hitting and thought-provoking moral questions dealing with racism, abuse of power and more. As Darren says, "It's a big, sprawling, vicious tale... a grisly piece of escapism, and a barbed look at the world in which we live. Each book in the series is short, fast-paced and bloody. A high body-count is guaranteed!" Can you love a bullying racist thug if he's your father? How do you react when confronted with your darkest inner demons? What do you do when zombies attack? B Smith is about to find out...

Heart disease poses the greatest health threat that women in the United States face: One in every three women will die from it each year. But that doesn't have to be the case. Heart disease is not an inevitable part of growing older. In fact, if you reach the age of 50 without developing the major risk factors for heart disease, you can live your entire life without it, and your chances of dying from it decrease from 50 percent to a strikingly low 8 percent. The key to preventing heart disease is embracing a heart-healthy lifestyle—and the sooner, the better. In this groundbreaking book, the American Heart Association shows you how even the smallest changes can make a big difference over time to protect the health of your heart. The Complete Guide to Women's Heart Health explains how gradual and sustainable shifts in your routine, such as using just a little more than one percent of your time each week to exercise or losing just 10 percent of your body weight, can have a far-reaching impact on your health. With specific pointers on diet, exercise, and health care, this book shows you how to get past the common obstacles as well as how to make taking care of your heart easy and attainable for the busy life you lead, at every age. In chapters targeted for every decade of a woman's life from her 20s to her 70s and beyond, the American Heart Association gives women age-appropriate advice on healthy lifestyle choices and heart-health care. Additional information addressing issues of special interest to women and how those issues affect the heart include: · Smoking. Pregnancy. Menopause and hormone therapy. Aging. Diabetes and other health conditions With the latest guidelines on prevention, suggestions on how to work with your healthcare providers to maintain and improve your vitality, details on screening technologies, and facts about common diagnoses and treatment options, this book is the ultimate resource to help you—and all the women in your life—fight heart disease. From the Hardcover edition.

"One gets sucked into the cosmos of devastation and longing from the very first second. Not only the words are art but poems themselves are presented; sometimes broken and torn, sometimes overly present, sometimes depicting vulnerability and most of the times unconditional strength and love. At the end you are desperate to know if the person addressed heard the message or if the author was left heart-broken." Cava

When a little girl is given a penguin suit she decides that living as a penguin is much more fun than just dressing as one. But penguins don't exactly behave like people. They don't ride the bus like people, they don't talk like people and they certainly don't catch fish fingers like people. Her family tell her, "You're not actually a penguin," but she knows that she ACTUALLY is. DOE Tank Waste: How clean is clean enough? The U.S. Congress asked the National Academies to evaluate the Department of Energy's (DOE's) plans for cleaning up defense-related radioactive wastes stored in underground tanks at three sites: the Hanford Site in Washington State, the Savannah River Site in South Carolina, and the Idaho National Laboratory. DOE plans to remove the waste from the tanks, separate out high-level radioactive waste to be shipped to an off-site geological repository, and dispose of the remaining lower-activity waste onsite. The report concludes that DOE's overall plan is workable, but some important challenges must be overcomeâ€”including the removal of residual waste from some tanks, especially at Hanford and Savannah River. The report recommends that DOE pursue a more risk-informed, consistent, participatory, and transparent for making decisions about how much waste to retrieve from tanks and how much to dispose of onsite. The report offers several other detailed recommendations to improve the technical soundness of DOE's tank cleanup plans.

A further 24 Treetops titles in Oxford Reading Tree's series of fiction with built-in progression for pupils aged 7 to 11. Specially written for children who need the support of carefully monitored language levels, the stories are accessible, motivating, and humorous. The series is organized into Oxford Reading Tree stages (from Stage 10 to Stage 15), with each stage introducing more complex narrative forms, including flashbacks and changes in viewpoint; descriptive writing; extended reading vocabulary; and more pages, more text, and fewer illustrations. Each stage is supported by the Teacher's Guide, which offers guidance on using Treetops within the framework of the National Literacy Strategy and includes activities on photocopiable sheets.
