New York Times bestselling author Mariah Stewart writes compelling stories of romantic suspense—perfect for fans of Nora Roberts, Catherine Coulter, and Karen Robards. Now, here are the three novels in Stewart’s pulse-stopping series about the Mercy Street Foundation, an elite missing-persons unit able to go where the federal and local law enforcement cannot. This eBook bundle includes: MERCY STREET After two high school seniors are shot dead in a park in Conroy, Pennsylvania, the authorities conclude that one of the other two kids in the park that night—a boy and a girl, both now missing—was the killer. Private investigator Mallory Russo is hired by reclusive billionaire Robert Magellan to figure out what happened. Mallory teams up with police detective Charlie Wanamaker to uncover the truth and find the missing kids, dead or alive. What they discover will take them down a twisted path that leads to an old unsolved murder—and justice for a killer with a heart of stone. The resolution leads Magellan to fund the Mercy Street Foundation, a private organization whose focus is on finding missing persons whose cases have gone cold. CRY MERCY After Ann Nolan, a California beat cop, adopts the daughter of a notorious drug dealer, the ruthless father vows to take back his only child. In response, Ann flees across the country, changes her name, and starts a new life as an investigator for the Mercy Street Foundation, the billionaire-endowed organization dedicated to finding missing persons. As Emme Caldwell,

she takes the lead on the Foundation's first case: Nineteen-year-old Belinda Hudson disappeared from her sorority house leaving behind only one cryptic clue. But the closer Emme gets to the chilling truth, the more apparent it becomes that she's escaped one dangerous man only to run head-on into another—one who's far more determined and every bit as deadly. **ACTS OF MERCY** Former FBI agent Sam Delvecchio brings the keen skills of a profiler to his new position as a Mercy Street Foundation agent—and not a moment too soon. His first assignment, the cold-case murder of a local soup kitchen volunteer, has all the telltale signs of a serial killer's work. That grim suspicion is confirmed when FBI agent Fiona Summers shares the details of two other killings with eerie similarities to Sam's case: The bodies in all three cases have been carefully posed. But as Sam and Fiona race to prevent more killing, messages from their target lead to the most chilling realization of all. Praise for Mariah Stewart's Mercy series "Fantastic . . . The author's finely drawn characters, and her rapid-pace, intelligent stories, keep the suspense flowing and the pages turning."—Fresh Fiction "Superb, well-developed characters; wonderful pacing; just the right amount of romance; and enough twists and turns for a mild whiplash."—Reader to Reader

Money Tools: A Young Adult's Guide to Financial Management, Journey to Financial Freedom is for those that want an understanding of how to management money, dispel the myths of money, create good habits, realize their dreams and goals, and create wealth.

Ain't No Trust explores issues of trust and distrust among low-income women in the U.S.—at work, around childcare, in their relationships, and with caseworkers—and presents richly detailed evidence from in-depth interviews about our welfare system and why it's failing the very people it is designed to help. By comparing low-income mothers' experiences before and after welfare reform, Judith A. Levine probes women's struggles to gain or keep jobs while they simultaneously care for their children, often as single mothers. By offering a new way to understand how structural factors impact the daily experiences of poor women, Ain't No Trust highlights the pervasiveness of distrust in their lives, uncovering its hidden sources and documenting its most corrosive and paralyzing effects. Levine's critique and conclusions hold powerful implications for scholars and policymakers alike.
