I think it is
unfortunate that
we sometimes fall
short in our honor
to fathers. God
gives a very

the Bible to
fathers. My
beloved
predecessor Dr.
John R. Rice said
that man, as God's
deputy, is head of
the home. The
father is a picture
of God to the
children. When we

The passion was
there, the desire,

However, the

lacking. Faith and
religious beliefs
played both roles
of help and
hindrance. The
result was a life

contradictions and
the psychological

along with it. This
book is not fiction.

These are the
journal entries,
tear-stained
entries, that Cerah
used to process
her experiences.

The title Solo Mom came about due to the experience of single parenting.

The word solo is an amazing word

Online Library
Father Day Songs

that can have several different connotations. First, it can mean "so low" which can indicate a state of being at a low point in life that feels deep and alone. Second, the word solo is one step up and

Online Library
Father Day Songs
For Church

means "only" or just "one." This seems to indicate that there is sadness or loneliness associated with it. Then there is a "solo flight." This reminds me of when my son Brandon was

Online Library

taking pilot lessons. After testing and practice with an instructor, he finally was able to make his solo flight. He had the power of the airplane at his fingertips, and the ability to soar on

Online Library

his own. He would fly over the house and call on his cell phone to say, "Mom, can you see me now?" An exhilarating feeling of soaring on one's own because they have been entrusted with such a great

responsibility. And
that is what our
solo moments
become when we
continue to look
upward to answers
to our questions of
"Why?"

Can you envision
