Access Free Fcps Syllabus Gynae And Obs

Guide

First published in 1919 as 'Diseases of Women', Gynaecology by Ten Teachers is well established as a concise, yet comprehensive, guide. The twentieth edition has been

Access Free Fcps Syllabus Gynae And Obs

thoroughly updated by a new team of 'teachers', integrating clinical material with the latest scientific developments that underpin patient care. Each chapter is highly structured, with learning objectives, definitions,

Access Free Fcps Syllabus Gynae And Obs

aetiology, clinical features, investigations, treatments, case histories and key point summaries and additional reading where appropriate. New themes for this edition include 'professionalism' and 'global

Access Free Fcps Syllabus Gynae And Obs

health' and information specific to both areas is threaded throughout the text.

The complete guide to specialty training in paediatrics. Designed in conjunction with the syllabus and structure of the MRCPCH

Access Free Fcps Syllabus Gynae And Obs

exams

This new edition has been fully revised to provide undergraduate students with the most up to date information in the field of gynaecology. Divided into 42 chapters, the text follows a life

Access Free Fcps Syllabus Gynae And Obs

cycle approach, beginning with discussion on the embryology and development of the female genital tract, through puberty, ovulation and menstruation, to menopause. The book covers the diagnosis and management

Access Free Fcps Syllabus Gynae And Obs

of numerous gynaecological disorders, from abnormal bleeding, subfertility and endometriosis, to pelvic organ prolapse, polycystic ovary syndrome, and cancer. Each chapter begins with an overview

Access Free Fcps Syllabus Gynae And Obs

highlighting the topic. The third edition includes new chapters on genital tuberculosis, uterine displacements, and endoscopy as well as more than 450 clinical images and tables. The book is edited by an internationally

Access Free Fcps Syllabus Gynae And Obs

recognised team of experts from London and South Asia. Key Points Fully revised, new edition providing undergraduates with latest information in the field
