The practice of duets can be a valuable contribution to the progress of any music student...elementary as well as advanced. First of all, duet playing is an enjoyable experience, adding variety and interest to the ordinary routine of studies and exercises. Secondly, duet playing provides an opportunity to develop many facets of musicianship that are essential to effective participation in small or large ensembles. To make most effective use of these

duets, it is important that the teacher adapt them to the needs and abilities of the student, especially in the matter of selecting the best tempo. The objective should be to provide an attainable challenge for each student on each of the duets.

THE BEEHOVEN DUETS By Joe Procopio The Beethoven Duets by Joe Procopio is a collection of duets that artist -composer Joe Procopio has adapted and arranged from the 9 Scherzi found in Ludwig van Beethoven's 9 Symphonies. These duets are the first of their kind in history making them noteworthy, unique and valuable. Each Scherzo is published not only for Flute but also for many other orchestral instruments. They are published individually for each instrument: in a Three Volume Collection with 3 Scherzi in each volume; and in a Complete Collection containing all three volumes. They are also available as a CD. Volume One has Scherzo No.1, Scherzo No. 2 and Scherzo No.3. Volume Two has Scherzo No.4, Scherzo No.5 and Scherzo No.6. Volume Three has Scherzo No.7, Scherzo No.8 and Scherzo No.9. The Complete Collection has all 9 Scherzi. What's more they will soon be published in the Procopio PlayAlong Music Program. This is an exclusive MP3 music audio program personally designed and developed in which Player 1 plays along with a music audio track for Player 2. "To be sure, The Beethoven Scherzi Duets for Flute are a marvel of Beethoven's skill with sections reaching the sublime. It is my deep felt personal belief that these Scherzi will bring you great pleasure and long lasting satisfaction." Joe Procopio AN INTRODUCTION TO THE BEEHOVEN DUETS By Joe Procopio Because of the complexities, range and sonorities inherent in all of the Beethoven Symphonies, it may seem impossible to transcribe any one movement as a duet that is true to the composer. Nevertheless, I believe these duets contain the heart, soul and essence of Beethoven's melodies, rhythms and expressions; even though these works are rare when they are compared to the Master's great musical creations which have no equal. In fact, there is no comparison. However, my sincere hope is that since I have rendered some of Beethoven's music as duets, his music is now more readily available to all permitting a greater number of musicians and all the people who hear their performances to come to know and love a bit of the world's most valuable, breathtaking and beautiful music. In truth, Beethoven's mind has stood the test of time. He astonished people in his day whenever he performed his music or had his music played. He still does today. To be sure, his music has enhanced and enriched the lives of many of us for over 200 years. In performing and listening to these Scherzi you will find the whole of each work a marvel of Beethoven's skill with sections reaching the sublime. Few composers have been able to write down on paper music of such incredible beauty that it reflects the awesome splendor of God's creation. What comes to mind immediately is Beethoven's "Pastoral" Symphony No. 6. It has been said, that much of his music mirrors not only the magnificence of God's creation but also the radiance of God the Creator himself. In any event, this music is simply amazing and awe-inspiring. A joy to listen to and to play. I know and can safely say without any hesitation or reservations that this collection will bring you much enjoyment.
