The Merchant Princes is a sweeping new series from the hottest new writer in science fiction! The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes, a mixture of nobility and criminal conspirators whose power to walk between their world and ours make them rich in both. Braids of family loyalty and intermarriage provide a fragile guarantee of peace, but a recently ended civil war has left the families shaken and suspicious. Miriam, a hip tech journalist from Boston, discovered her alternate-world relatives with explosive results that shook three worlds. Now, as the prodigal Countess Helge Thorold-Hyorth, she finds herself ensnared in schemes and plots centuries in the making. She is surrounded by unlikely allies, lethal contraband, and, most dangerous of all, her family. With her modern American attitudes, she's not sure she can fit in, or if she even wants to, but to stay alive, she really has no choice. To avoid a slippery slope down to an unmarked grave, Miriam must build a power-base of her own. She started applying modern business practices and scientific knowledge to a trade heretofore dominated by medieval mercantilists-with unexpected consequences for three different timelines, including the quasi-Victorian one exploited by the hidden family. Blending the creativity and humor, and the rigor and scope of science-fiction on the grandest scale, Charles Stross has set a new standard for fantasy epics. Charles Stross is one of the big new SF writers of the 21st century, and the saga of The Merchant Princes is his most ambitious work yet. Julian Lawndesley has renounced his high-flying job in the City for a simpler life running a bookshop in a small English seaside town. But only a couple of months into his new career, Julian's evening is disrupted by a visitor. Edward, a Polish émigré living in Silverview, the big house on the edge of town, seems to know a lot about Julian's family and is rather too interested in the inner workings of his modest new enterprise. When a letter turns up at the door of a spy chief in London warning him of a dangerous leak, the investigations lead him to this quiet town by the sea . . . Silverview is the mesmerising story of an encounter between innocence and experience and between public duty and private morals. In this last complete masterwork from the greatest chronicler of our age, John le Carré asks what you owe to your country when you no longer recognise it. 'The finest, wisest storyteller' Richard Osman 'A towering writer' Margaret Atwood 'A literary giant' Stephen King

"Bruce Sterling on speed? The imagination of Sterling squared? All of the glitz, glibly tossed-off newly invented, or hybrid tech-terms thrown at the reader like an info blizzard at hurricane force, but with more core storyline than in some of Sterling's "Deep Eddy" stories? ... if you like Sterling, you're gonna love Stross. In an ironic sense, Bruce Sterling was the buffer we needed to be able to handle Charles Stross." - Tangent.

The GR11 trail (La Senda Pirenaica) is a glorious 820km traverse of the Pyrenees from the Atlantic to the Mediterranean on the Spanish side of the border with France. The guidebook presents the route in 47 stages of 8-31km and provides everything hikers will need to take up the challenge - detailed route description, excellent photographs, lots of background information and unique custom-produced maps. Also included are bad weather options - although the weather is often good along this route - detours to find accommodation at some points, and advice on where to stay, supplies, language and logistics, as well as a glossary including Aragon, Basque and Catalan words, to help you find your way. Although it's a serious challenge for experienced walkers the route is less demanding than the higher-level Pyrenean Haute Route, sunnier and wilder than the GR10 which runs along the French side, and well waymarked throughout with regular opportunities to find accommodation and stock up your supplies.

The Wild Atlantic Way is a driving route along Ireland's Atlantic seaboard, covering over 2,350km of coastline and showcasing region's breathtaking landscapes. This guide adapts the route for cyclists - and throws in a couple of other highlights (such as Aran Islands and Killarney) for good measure. Since relatively few people are likely to have seven weeks to spare for a full Wi

Atlantic Way tour, the book presents six self-contained cycle tours, each offering 7-10 days of riding. For the full Wild Atlantic experience, these distinct routes can be linked together into a 44-stage trip from Derry/Londonderry to Cork. Each route includes detailed advice on accommodation and facilities, plus optional detours and shortcuts and points of interest. The routes themselves are presented as 'route cards': ideal for use with a cycle computer, these pages provide 'at a glance' information for when you are on the road, covering navigation, facilities and local highlights. The guide covers all the practicalities - including transport, equipment and general tips on cycling in Ireland.

State of Terror

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and

Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Conceptual change research investigates the processes through which learners substantially revise prior knowledge and acquire new concepts. Tracing its heritage to paradigms and paradigm shifts made famous by Thomas Kuhn, conceptual change research focuses on understanding and explaining learning of the most the most difficult and counter-intuitive concepts. Now in its second edition, the *International Handbook of Research on Conceptual Change* provides a comprehensive review of the conceptual change movement and of the impressive research it has spawned on students' difficulties in learning. In thirty-one new and updated chapters, organized thematically and introduced by Stella Vosniadou, this volume brings together detailed discussions of key theoretical and methodological issues, the roots of conceptual change research, and mechanisms of conceptual change and learner characteristics. Combined with chapters that describe conceptual change research in the fields of physics, astronomy, biology, medicine and health, and history, this handbook presents writings on interdisciplinary topics written for researchers and students across fields.

AN INSTANT #1 NEW YORK TIMES BESTSELLER Named one of the most anticipated novels of the season by *People*, *Associated Press*, *Time*, *Los Angeles Times*, *Parade*, *St. Louis Post-Dispatch*, *The Guardian*, *Publishers Weekly*, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. *State of Terror* is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

A Fantasy Novel

A bold fantasy in the tradition of Roger Zelazny's *Chronicles of Amber*, *The Merchant Princes* is a sweeping new series from the hottest new writer in science fiction! Miriam Beckstein is happy in her life. She's a successful reporter for a hi-tech magazine in Boston, making good money doing what she loves. When her researcher brings her iron-clad evidence of a money-laundering scheme, Miriam thinks she's found the story of the year. But when she takes it to her editor, she's fired on the spot and gets a death threat from the criminals she has uncovered. Before the day is over, she's received a locket left by the mother she never knew—the mother who was murdered when she was an infant. Within is a knotwork pattern, which has a hypnotic effect on her. Before she knows it, she's transported herself to a parallel Earth, a world where knights on horseback chase their prey with automatic weapons, and where world-skipping assassins lurk just on the other side of reality - a world where her true family runs things. The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes, a mixture of nobility and criminal conspirators whose power to walk between the worlds makes them rich in both. Braids of family loyalty and intermarriage provide a fragile guarantee of peace, but a recently-ended civil war has left the families shaken and suspicious. Taken in by her mother's people, she becomes the star of the story of the century—as Cinderella without a fairy godmother. As her mother's heir, Miriam is hailed as the prodigal countess Helge Thorold-Hjorth, and feted and feasted. Caught up in schemes and plots centuries in the making, Miriam is surrounded by unlikely allies, forbidden loves, lethal contraband, and, most dangerous of all, her family. Her unexpected return will supercede the claims of other clan members to her mother's fortune and power, and whoever killed her mother will be happy to see her dead, too. Behind all this lie deeper secrets still, which threaten everyone and everything she has ever known. Patterns of deception and interlocking lies, as intricate as the knotwork between the universes. But Miriam is no one's pawn, and is determined to conquer her new home on her own terms. Blending the creativity and humor of Roger Zelazny, the adventure of H. Beam Piper and Philip Jose Farmer, and the rigor and scope of a science-fiction writer on the grandest scale, Charles Stross has set a new standard for fantasy epics. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The #1 wine book—now updated! The art of winemaking may be a time-honored tradition dating back thousands of years, but today, wine is trendier and hotter than ever. Now, wine experts and authors Ed McCarthy and Mary Ewing-Mulligan have revised their popular *Wine For Dummies* to deliver an updated, down-to-earth look at what's in, what's out, and what's new in wine. Wine enthusiasts and novices, raise your glasses! The #1 wine book has been updated! The Hidden Family

"When Tony, a little boy, bravely offers his stuffed animals--including his favorite toy cat--to the animal shelter to raise money for the needy dogs and cats, it touches his mom's heart. Later that night when Tony misses his toy, she gives him her old stuffed cat. He embraces it with such care and devotion that his mom rewards him in a way that he never imagines"--Page 4 of cover.

The Sahara: a dream-like, far away landscape of Lawrence of Arabia and Wilfred Thesiger, The English Patient and Star Wars, and home to nomadic communities whose ways of life stretch back millennia. Today it's a teeth-janglingly dangerous destination, where the threat of jihadists lurks just over the horizon. Following in the footsteps of 16th century traveller Leo Africanus, Nicholas Jubber went on a turbulent adventure to the forgotten places of North Africa and the legendary Timbuktu. Once the seat of African civilization and home to the richest man who ever lived, this mythic city is now scarred by terrorist occupation and is so remote its own inhabitants hail you with the greeting, 'Welcome to the middle of nowhere'. From the cattle markets of the Atlas, across the Western Sahara and up the Niger river, Nicholas joins the camps of the Tuareg, Fulani, Berbers, and other communities, to learn about their craft, their values and their place in the world. The Timbuktu School for Nomads is a unique look at a resilient city and how the nomads pit ancient ways of life against the challenges of the 21st century.

This guidebook describes the Speyside Way, an official 66 mile (106km) Scottish Great Trail route which follows the River Spey through northern Scotland from Aviemore to the old port of Buckie on the Moray coast. Featuring easy walking on good paths and along disused railway lines, the route can be comfortably completed in a week and is presented in 10 stages of between 2 and 13 miles (3-21km). The guide also details the recently opened 6.2-mile (10.5km) extension to the Speyside Way between Kincaig and Aviemore as well as two alternatives to the main route and routes to the source of the Spey. Also featured are three other trails in the same region which can be combined with the Speyside Way to form a longer trek: the 25 mile (40km) Dava Way, 47 mile (76km) Moray Coast Trail and 12.2 mile (20km) Badenoch Way. Alongside detailed route description, the guide includes background information, local points of interest (including a list of distilleries), tips on transport and accommodation and recommendations for mountain-bikers and riders, who can follow stretches of the route. The guidebook comes with a separate map booklet of 1:25,000 scale OS maps showing the full route of the Speyside Way. Clear step-by-step route descriptions in the guide links together with the map booklet at each stage along the Way, and the compact format is conveniently sized for slipping into a jacket pocket or the top of a rucksack.
